To the Pitzer Community,

It is up to each one of us to help foster a secure and supportive environment at Pitzer College, an environment where individuals can feel safe to visit, learn, work, and live. To that end, I am pleased to share our Annual Fire Safety and Security Report with the Pitzer Community. This report contains information about campus safety measures and statistics about crime in our College community. It also describes our efforts to combat alcohol and drug abuse. A truly safe campus can only be achieved through the cooperation of everyone. Please take the time to read this report and help foster a more caring and safe environment.

Melvin L. Oliver, President
From the Director of Campus Safety

Campus safety and security, and compliance with the Clery Act, continues to be a part of everyone’s responsibility at The Claremont Colleges. We encourage you to review the information made available to you in this report, where you will find information about our organization including descriptions of services that we provide.

As you read this report, you will also become more familiar with our strong commitment to victims of crimes and the specific extensive services we make available to crime victims. Lastly, very important information about security policies and procedures on our campus, crime data, and crime prevention information is included.

As a significant part of our campus-oriented public safety programming, we join Pitzer College in the commitment to foster a secure and supportive environment at The Claremont Colleges. Campus safety and security indeed requires a collaborative effort at The Claremont Colleges, and so we proudly partner with the many Departments at Pitzer College that have a critical role in fostering campus safety, including: the Dean of Students office, the Senior Administrators, Campus and Residential Life, Facilities Management, and other departments.

It will always remain our goal to provide the highest quality of public safety services to The Claremont Colleges community and we are honored to collaborate with each of our campuses.

Stan Skipworth

Assistant Vice President, TCCS Campus Safety
Non-Discrimination

Pitzer College adheres to both the letter and the spirit of Equal Employment Opportunity and Affirmative Action. It does not discriminate on the basis of race, color, creed, religion, national or ethnic origin, sex, gender, gender identity, gender expression, age, sexual orientation, marital status, pregnancy, disability, medical condition, or veteran status, in the administration of its admission policies, educational policies, scholarship and loan programs, athletic and other College-administered programs, and employment policies.

Pitzer College’s harassment and discrimination policies and complaint procedures were approved by College Council on April 17, 2014 and went into effect July 1, 2014. The policy was updated July 26, 2016, was revised and approved by President Oliver on July 12, 2018.

The Assistant Vice President and Dean of Students at Pitzer College prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by Campus Safety, information provided by Residence Life, Office of Student Affairs, Title IX Office, Office of Human Resources and Payroll Services, Office of Study Abroad and International Programs, Office of Academic Affairs and the Dean of Faculty, Campus Security Authorities and information provided by the Claremont Police Department. Each of these offices provides updated policy information and crime data.

This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned, leased or controlled by Pitzer College. This report also includes institutional policies concerning campus security, such as policies regarding sexual assault, alcohol and other drugs.

The College distributes a notice of the availability of this Annual Fire Safety and Security Report (AFSSR) by October 1 of each year to every member of the College community. Pitzer College students, faculty and staff will receive an email containing the link to the AFSSR and the document can be found on the Pitzer College and Campus Safety webpages. The Claremont Colleges are a unique consortium of seven independent institutions including: Claremont Graduate University, Claremont McKenna College, Harvey Mudd College, Keck Graduate Institute, Pitzer College, Pomona College, and Scripps College. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as The Claremont Colleges (TCC). Under the auspices of TCC, Campus Safety and 17 other organizations provide support and services to The Claremont Colleges.
REPORTING CRIMES AND OTHER EMERGENCIES

The College has a number of ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to appropriate College officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire College community that you immediately report all incidents to Campus Safety at 909-607-2000 to ensure an effective investigation and appropriate follow-up actions, including issuing a Timely Warning Notification or emergency notification.

Voluntary, Confidential Reporting
If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage College community members to report crimes promptly and to participate in and support crime prevention efforts. The College community will be much safer when all community members participate in safety and security initiatives.

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the College or criminal justice system, we ask that you consider filing a voluntary, confidential report. We also highly recommend this method for the accurate and prompt reporting of crimes to campus police and appropriate police agencies when the victim of a crime elects to or is unable to make such a report. Depending upon the circumstances of the crime you are reporting, you may be able to file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. The confidential reports allow the College to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Fire Safety and Security Report. In limited circumstances, the College may not be able to assure confidentiality, and you will be informed in those cases.

Anyone may call Campus Safety at 909-621-8170 or 909-607-2000 to report concerning information. A caller’s information may remain confidential.

Another step the College has made toward making reporting crimes easy and accessible is the “LiveSafe” app for smartphones. The LiveSafe app allows Pitzer students to submit tips and reports quickly and discreetly, access essential safety resources and information, and to use the “SafeWalk” feature that includes a location sharing option so friends can track your travel between points to ensure your safe arrival. LiveSafe is available for download on Android and iPhone for free at the app store.

Reporting to Campus Safety
We encourage all members of the College community to report all crimes and other emergencies to Campus Safety in a timely manner. Campus Safety has a dispatch center that is available by phone at 909-607-2000 or in person twenty-four hours a day at 150 E. Eighth Street. Though there are many resources available, Campus Safety should be notified of any crime, whether or not an investigation
continues, to assure the College can assess any and all security concerns and inform the community if there is a significant threat to the College community.

All crimes can be called in to the Claremont Colleges Services Office of Campus Safety at (909) 607-2000 or (909) 621-8170. Callers who wish to remain confidential should share with the Dispatcher who answered the call that they wish to keep their name private. Campus Safety Dispatch will honor that request and not press the caller for their information. However, please note that the Cisco IP Phones often times still records a phone number that Dispatch may call back if additional information is necessary. Should a Campus Safety Incident Report result from the phone call, the caller information will be written as “Jane Doe” or “John Doe”.

**Emergency Phones**
The College has installed 16 interior and 23 exterior Stanchion or Wall Mounted Ringdown emergency phones throughout the College campus. Phones are located in public areas of buildings including parking lots, residence halls, elevators, administration buildings, and numerous outdoor locations. Emergency phones provide direct voice communications to Campus Safety. For more information regarding Pitzer College’s emergency and preparedness procedures, please visit [https://www.pitzer.edu/emergency/](https://www.pitzer.edu/emergency/).

**Anonymous Reporting**
If you are interested in reporting a crime anonymously, you can utilize the Campus Safety’s Silent Witness program that can be accessed through the Department’s website: [https://cuc.formstack.com/forms/silent_witness_incident_report](https://cuc.formstack.com/forms/silent_witness_incident_report). By policy, we do not attempt to trace the origin of the person who submits this form, unless such is deemed necessary for public safety.

Anyone may share information anonymously through Campus Safety’s Silent Witness Form available on the Campus Safety website at [https://cuc.formstack.com/forms/silent_witness_incident_report](https://cuc.formstack.com/forms/silent_witness_incident_report). The form provides a user the opportunity to communicate directly with the Assistant Vice President of Campus Safety. It is not intended for reporting emergencies or crimes-in-progress. The user will submit a description of the event, date, time and location of the event. Contact information is optional. Once all pertinent information has been disclosed, the user will click the ‘submit’ button which in turn sends it directly to the Assistant Vice President of Campus Safety.

Students, faculty and staff can download the LiveSafe app from their mobile device for free. The app is available in the Apple app store [https://itunes.apple.com/us/app/livesafe/id653666211](https://itunes.apple.com/us/app/livesafe/id653666211) and in Google Play [https://play.google.com/store/apps/details?id=com.livesafe.activities](https://play.google.com/store/apps/details?id=com.livesafe.activities). Once downloaded, the user will find their institution by clicking on ‘Manage Organizations’ in Settings. LiveSafe provides users the opportunity to do something when they see something. Users can send an email, make a phone call, and send pictures to Campus Safety in real time from the convenience of their mobile device. It also provides the user with updated information regarding: Emergency Procedures, Sexual Assault Assistance, Health and Wellness Assistance, Student Life Resources, and Local Resources. All messages sent to Campus
Safety through the LiveSafe app give the user the option to send the transmission anonymously by simply clicking the box that asks the user if they wish to remain anonymous.

**Reporting to Other Campus Security Authorities**
While the College prefers that community members promptly report all crimes and other emergencies directly to Campus Safety at 909-607-2000 or 911, we also recognize that some may prefer to report to other individuals or College offices. The Clery Act recognizes certain College officials and offices as “Campus Security Authorities (CSA).” The Act defines these individuals as “official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”

While the College has identified over one hundred CSAs throughout Pitzer College and many more have been identified when including The Claremont Colleges, we officially designate the following offices as places where campus community members should report crimes:

**Pastoral and Professional Counselors**
According to the Clery Act, pastoral and professional counselors who are appropriately credentialed and hired by The Claremont Colleges to serve in a counseling role are not considered Campus Security Authorities when they are acting in the counseling role. The Claremont Colleges have three Chaplains that work out of McAlister Center. McAlister Center is located at 919 North Columbia Ave., and the Chaplains can be reached at 909-621-8685. As a matter of policy, the College encourages pastoral and professional counselors to notify those whom they are counseling of the voluntary, confidential reporting options available to them.

- Apprehend criminals.
- Provide first aid until the arrival of paramedics.
- Provide security and traffic control at parties, special events and performances.
- Monitor fire alarms, intrusion alarms, theft alarms, panic alarm systems and a variety of temperature alarms campus-wide.
- Enforce traffic and parking regulations.
- Take reports of crimes and incidents and forward them to the Claremont Police Dept. for investigation.
- Provide incident reports to student deans, maintain records of crimes, incidents, and reported activities for analysis purposes.
- Assist law enforcement and other emergency service providers as needed.
- Offer security survey/audit services to campus administrators.
- Provide security/crime prevention presentations to students and staff.

The Campus Safety Department is led by the Assistant Vice President, and staffed by a Captain, Lieutenant, six (6) Sergeants, a Dispatch Supervisor, seven (7) Dispatchers, 23 full-time uniformed Campus Safety Officers, an Assistant to the Director/Assistant Vice President, an Emergency Services Manager and a Clery Compliance Coordinator. See organizational chart on the next page.
Campus Safety officers are unarmed and have no police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. Current certification requirements for the officers include Guard Registration, Basic Life Support for Health Care Providers, which includes CPR, First Aid, and AED. Officers are also trained in Blood Borne Pathogens, Baton usage, the administration of Oleoresin Capsicum (Pepper Spray), Auto Epinephrine Pen, Narcan (Naloxone), and receive various FEMA training. Select officers and supervisors receive Rape Aggression Defense (RAD) training, and Dignity Protection. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response protocols at the Claremont Colleges. Campus Safety also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, responding to suspicious activity and crime reports, as well as respond to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.

The Claremont Colleges contain both city streets and streets owned by the Colleges. However, all streets are considered public access. The map on the following page reflects the streets that are owned by the City of Claremont and those owned and controlled by The Claremont Colleges. However, all streets are considered public access. There are seven separate and distinct colleges within The Claremont Colleges, with six of the colleges sharing contiguous space. The Campus Safety perimeter patrol jurisdiction for the following colleges: Claremont Graduate University, Claremont McKenna College, Harvey Mudd College, Pitzer College, Pomona College and Scripps College are Foothill Boulevard to the north,
Claremont Boulevard to the east, First Street to the south and Harvard Avenue to the west. Additional details of the patrol jurisdiction for each campus are described below.

The Claremont Colleges Services (TCCS), Claremont McKenna College (CMC), and Pitzer College each own portions of “The Pit,” also known as the East Campus property, which is currently undeveloped land. This parcel of land borders Foothill Boulevard to the north, Monte Vista Avenue to the east, Arrow Route to the south and Claremont Boulevard to the west.

Claremont Graduate University, Harvey Mudd College, Pomona College, Scripps College and TCCS own parcels of undeveloped land called the North Campus Property and is set back off Foothill Boulevard. One specific parcel of land within the North Campus Property is Pitzer College’s Robert Redford Conservancy. All this land is bordered to the north by the backyards of residential housing not affiliated with the Colleges to the North, Mills Avenue to the east, Foothill Boulevard to the south, and the Rancho Santa Ana Botanical Gardens to the west. The Rancho Santa Ana Botanical Gardens are affiliated with the Claremont Colleges, although they are not owned or controlled by The Claremont Colleges.

Set back off the main street and north of Foothill Boulevard are the Claremont Collegiate Apartments (CCA), which is Claremont Graduate University housing. CCA is bordered by TCCS undeveloped land that was formerly a golf course to the north, the Rancho Santa Ana Botanical Gardens to the east, the School of Theology, which is affiliated with the Claremont Colleges, but not owned or controlled by TCCS, to the southeast, Via Los Altos to the southwest, and Via Zurita Street to the west.

Further west on Foothill Boulevard in an office building controlled by Claremont Graduate University is the School of Community and Global Health. This building is bordered by Colby Circle (which curves, so this is the north and west border), to the east is bordered by a parking lot with restaurants and retail shopping and Foothill Boulevard to the south.

The exception to this is Keck Graduate Institute, which does not reside on the same parcel of land as the other six colleges. KGI’s borders, and thus Campus Safety’s patrol jurisdiction over KGI, include First Street to the north, Indian Hill Boulevard to the east, Arrow Highway to the south, and South Cambridge Avenue to the west. *See map on following page.*
Working Relationship with Local, State, and Federal Law Enforcement Agencies
TCCS Campus Safety works closely and cooperatively with the City of Claremont Police Department, and we maintain a Memorandum of Understanding with our local law enforcement agency to ensure effective operational roles and responsibilities. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate for the situation. As appropriate, and in accordance with Uniform Crime Reports (UCR) standards, crime reports initiated by Campus Safety may be forwarded to the police for investigation and mandated reporting. An MOU will be maintained on file at all times pursuant to the Kristen Smart Act.

In addition, Campus Safety staff assists local fire/paramedic personnel as well as other local and county, state and federal law enforcement agencies when they respond to campus.

Safety, Our Number One Priority
The College takes great pride in the community, offers students, faculty, and staff many advantages. This community is a great place to live, learn, work and study, however, this does not mean that the
campus community is immune from all of the other unfortunate circumstances that arise in other communities. With that in mind, Pitzer College has taken progressive measures to create and maintain a reasonably safety environment on campus.

Though the College is progressive with its policies, programs, and education, it is up to each one of us to live with a sense of awareness and use reasonable judgment when living, working or visiting on campus. The following are precautionary measures for the safety of Pitzer College students, staff and faculty:

- Residence hall exterior doors stay locked 24 hours. Entry by ID card when using the card reader access system.
- Administrative and academic buildings are locked by the custodial staff.
- The Residence Halls are served by a central Residence Life Office (located in East Sanborn (C226). The hours may vary but will minimally cover 10:00 a.m. to 10:00 p.m. They provide supplies to students and may answer questions for visitors.
- Mead Residence Hall roof doors are locked until open hours can be designated and voted on by the specific hall council that oversees the roof being discussed. There is no roof access in Pitzer, Atherton, Sanborn, 2014, West or East Residence Halls.
- Resident Assistants perform security checks in each residence hall to build community and keep an eye out for student safety and building security.
- Access to residence hall basement storage/work areas is restricted to authorized staff with keys.
- Master keys are restricted. The incidence of lost keys has been reduced by the installation of Knox Boxes which enable rapid building entry by Campus Safety and authorized staff. Pitzer, Atherton, Sanborn, 2014, West and East Hall students have room access built into their Pitzer ID card which can be quickly deactivated in the event the card is lost or stolen.
- Timely Warning Notifications are distributed campus wide in a timely manner to inform the campus community of crimes or suspected crimes that may threaten the safety of Pitzer students and employees.
- Regular trimming of trees and shrubbery is done to minimize concealment, ensure lighting effectiveness and maintain good visibility near building entrances and exits. Exterior lighting has been increased throughout the campus.
- Building inspections for safety and security are performed continuously. Work orders are issued as needed.
- Violence in the Workplace training seminars are provided to staff.
CRIMES INVOLVING STUDENT ORGANIZATIONS AT OFF-CAMPUS LOCATIONS

Pitzer College relies on its close working relationships with local law enforcement agencies to receive information about incidents involving Pitzer College students and recognized student organizations, on and off campus. In coordination with local law enforcement agencies, Campus Safety will actively investigate certain crimes occurring on campus. Claremont Police Department or other local law enforcement have jurisdiction off campus. If Campus Safety learns of criminal activity involving students or student organizations, it will coordinate with the Claremont Police Department to forward information about the situation to the Office of Student Affairs, as appropriate.

The College requires all recognized student organizations to abide by federal, state, and local laws, and College regulations. The College may become involved in the off-campus conduct of students when such conduct is determined to violate the law. The Pitzer College Code of Student Conduct Special Powers policy states that the College reserves the right to impose sanctions against students for conduct that may violate any federal, state, or local law on or off campus, even though such crimes may also be tried in the local courts. The Special Powers policy is outlined at https://www.pitzer.edu/student-life/student-handbook/.
**TIMELY WARNING REPORTS**

The purpose of this policy is to outline procedures The Claremont Colleges (TCC), will use to issue Timely Warning Notices in compliance with the Clery Act. TCC are comprised of, Claremont Graduate University, Claremont McKenna College, Harvey Mudd College, Keck Graduate Institute, Pitzer College, Pomona College, and Scripps College in concert with the Claremont University Consortium (CUC).

A Timely Warning Notice will be issued in the event any TCC institution receives notice of an alleged Clery Act reportable crime (identified below) occurring on campus, on public property within or immediately adjacent to one of the campuses of TCC, or in or on non-campus buildings or property controlled by any of TCCs, where the College determines, in its judgment, that the allegations present a serious or continuing threat to the TCC community. For purposes of this policy, “timely” means as soon as reasonably practicable, after an incident has been reported to: the Campus Safety, one of the Campus Security Authorities (CSAs) identified by each College, or a local police agency. Determining which designated official from Campus Safety makes the decision is based on availability during a 24 hour cycle. Campus Safety maintains designated individuals throughout each 24 hour cycle who are trained in determining the need for issuing a Timely Warning Notification. These designated officials are: Assistant Vice President of Campus Safety; Emergency Services Manager; and the on-duty Captain, or Watch Commanders.

Whether to issue a Timely Warning Notice is determined on a case-by-case basis for Clery Act reportable crimes: arson, criminal homicide, burglary, robbery, sex offenses, aggravated assault, motor vehicle theft, domestic violence, dating violence, stalking and hate crimes\(^1\), as defined by the Clery Act. Timely Warning Notices also may be issued for other crimes as determined necessary by Campus Safety, the Dean on-call or Senior Administrator on-call. TCCS Campus Safety/TCC will issue a Timely Notice even if insufficient information is available if it is likely that there is an ongoing threat to the community.

The above individuals determine if an alert should be sent and are the senders of the notices. In determining whether to issue a Timely Warning Notice, the responsible individuals described above will consider any factors reflecting on whether the reported crime represents a serious or continuing threat to the TCC community, including, but not limited to, (a) the nature of the incident; (b) when and where the incident occurred; (c) when it was reported; (d) the continuing danger to the TCC community; and (f) the amount of information known by TCC and TCCS Campus Safety. TCC will follow its Emergency Notification procedures upon the confirmation of a significant emergency or dangerous situation (including a Clery reportable crime), involving an immediate threat to the health or safety of students or employees occurring on TCC.

\(^1\) A hate crime is a criminal offense including: murder and non-negligent murder, forcible sex offenses, non-forcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property, domestic violence, dating violence, or stalking incidents, where the criminal offense was committed against a person or property which is motivated, in whole or in part, by the offender’s bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation or ethnicity/national origin.
A Timely Warning Notice Decision Matrix/Timely Warning Notice Determination Form will be used in the decision making process to document the decision to alert or not to alert the community. Once completed the form and any and all information related to the decision will be maintained by TCC for a seven year period.

Timely Warning Notices will be distributed in various ways. A multi-modal integrated communications system for mass notifications is used to notify students and employees by way of email. Generally, notification will occur through the email system to all TCC students and employees.

The Timely Warning Notice will typically include, to the extent known, the date, time and nature of the offense, a brief overview of its particular circumstances, a physical description of the actor(s), law enforcement’s immediate actions, a request and method for witnesses to contact local law enforcement and where applicable and appropriate, cautionary advice that would promote safety. In no instance will a Timely Warning Notice include the name of the victim or other identifying information about the victim. In developing the content of the Timely Warning Notice, Campus Safety will take all reasonable efforts not to compromise on-going law enforcement efforts. Campus Safety will document and retain the justification for determining whether to issue a Timely Warning Notice for a seven year period.

Anyone with information about a serious crime or incident is encouraged to report the circumstances to the Campus Safety by phone at 909-607-2000 or from campus phones at ext. 72000 and in person at 150 E. Eighth Street. If a report is made to other TCC official, those officials should immediately notify Campus Safety.
Emergency Response and Evacuation Procedures

Emergency Management at Pitzer College
The Emergency Preparedness Committee is responsible for Pitzer College’s Emergency Procedures. This plan is designed to be an all-hazards disaster response and emergency management plan that complies with FEMA guidelines for Higher Education that includes planning, mitigation, response, and recovery actions.

Our priorities are:

- Life safety, infrastructure integrity, and environmental protection during an emergency
- Coordination with College departments to write, maintain, test, and exercise the Emergency Procedures
- Cooperation, Integration, and Mutual Aid with local, state and federal planning, response, and public safety agencies and their emergency plans

A summary of the College’s emergency response procedures is located at https://www.pitzer.edu/emergency/. Included at this web page is detailed information regarding the College’s emergency notification policy, including a link that outlines our emergency procedures for earthquake, fire, bomb threat, lockdown, and medical. Our Emergency Procedures protocol has been distributed to every residence hall room, classroom, and office across campus.

Drills, Exercises and Training
Annually, the College conducts an emergency management exercise to test emergency procedures. The scenarios for these exercises change from year-to-year, and include several departments from across the campus.

To ensure the College’s emergency management plans remain current and actionable, the College will conduct an emergency management exercise, at a minimum once yearly. These exercises may include tabletop drills, emergency operations center exercises, or full-scale emergency response exercises. The College conducts after-action reviews of all emergency management exercises. All three residence hall complexes at Pitzer College conduct a drill each fall and spring to ensure that students know how to evacuate the buildings, know the initial evacuation site and permanent evacuation site.

In conjunction with at least one emergency management exercise each year, the College will notify the community of the exercise and remind the community of the information included in the College’s publicly available information regarding emergency response procedures at https://www.pitzer.edu/emergency/.

Emergency Notification
This policy statement summarizes Pitzer College’s emergency response and evacuation procedures, including protocols for sending Emergency Notifications. An Emergency Notification will be issued in the event that Pitzer College or the Campus Safety receives notice of a situation that presents a
significant emergency or dangerous situation at Pitzer College or in the local area affecting the health and/or safety of the Pitzer College community, in whole or in part. Pitzer College will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system after an incident has been reported to: Campus Safety, one of the Campus Security Authorities (CSAs) identified, or a local police agency. Determining which designated official from Campus Safety makes the decision is based on availability during a 24 hour cycle. Campus Safety maintains designated individuals throughout each 24 hour cycle who are trained in determining the need for an Emergency Notification. These designated officials are: Assistant Vice President of Campus Safety; Emergency Services Manager; and the on-duty Captain, or Watch Commanders. Once the Emergency Notification has been issued, Campus Safety, in collaboration with the Dean on-call from the affected community (if applicable) take the initial lead in implementing the appropriate response plan, assessing the severity of the crisis, reviewing all available information, delegating responsibility where appropriate, and ensuring that the information needs of various constituencies are met.

Pitzer College is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of campus community members. Pitzer College uses the emergency notification system Everbridge. Everbridge is an emergency notification service available to students, faculty, staff, and anyone in the College community who wants to subscribe. Everbridge can be used to send emergency messages within minutes of the occurrence of an incident. Alerts sent by Everbridge are simulcast to the College community via our news wire at https://www.pitzer.edu/emergency/ or if access to the Pitzer web is interrupted, our mirror site at http://www.pitzeremergency.info. Pitzer College performs a College-wide annual test of the Everbridge system. The following procedures outline the process the College uses when issuing emergency notifications.

**Procedures Used to Notify the Campus Community**

In the event of a situation that poses an immediate threat to members of the campus community, the College has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of emergency notification to all or a segment of the campus community. These methods of communication include the Everbridge mass notification system, the College’s e-mail system, and a verbal announcement from the emergency ring down phones. The College will post updates during a critical incident on the homepage. If the situation warrants, the College will establish a telephone call-in center to communicate with the College community during an emergency situation that will be posted on our emergency website https://www.pitzer.edu/emergency/.

**Confirming the Existence of a Significant Emergency or Dangerous Situation and Initiating the Emergency Notification System**

The Department of Campus Safety and/or Pitzer College staff may become aware of a critical incident or other emergency situation that potentially affects the health and/or safety of the campus community. Generally, The Claremont Colleges become aware of these situations when they are reported to Campus
Safety Dispatch or the Claremont Police Department or upon discovery during patrol or other assignments.

In determining whether to issue an Emergency Notification, individuals may use a variety of notification methods to alert Campus Safety to an emergency, such as personal/office phones, emergency ringdown phones, email, or in person. The Department of Campus Safety will consider all known factors reflecting on whether the situation represents an immediate threat to the health or safety of the College community, including, but not limited to, (a) the nature of the significant emergency or dangerous situation; (b) when and where the incident occurred; (c) when it was reported; (d) the continuing danger to the campus community; and (e) the amount of information known by the Department of Campus Safety.

Once staff confirms that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the campus community, staff will notify Campus Safety who maintains designated individuals throughout each 24 hour cycle who are trained in determining the need for issuing Emergency Notifications. These designated officials are: Assistant Vice President of Campus Safety, Emergency Services Manager, Captain, or on-duty Watch Commander.

Once the Emergency Notification has been issued, Campus Safety, in collaboration with the Dean on-call from the affected community (if applicable) take the initial lead in implementing the appropriate response plan, assessing the severity of the crisis, reviewing all available information, delegating responsibility where appropriate, and ensuring that the information needs of various constituencies are met.

“The College’s authorized representatives will immediately initiate all or some portions of the College’s emergency notification system. If in the professional judgment of TCC designated officials, issuing a notification potentially compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency; the College may elect to delay issuing an emergency notification. As soon as the condition that may compromise efforts is no longer present, the College will issue the emergency notification to the campus community.”

**Determining the Appropriate Segment or Segments of the Campus Community to Receive an Emergency Notification**

The Claremont Colleges are a consortium of seven separate and distinct colleges that share a multitude of social, residential, dining and academic programs, to name a few. Due to the nature of our configuration, once a significant emergency or dangerous situation occurring on one of the campuses has been established, and an emergency notification is deemed necessary, it is disseminated via text message to all seven-college students and employees enrolled in the Everbridge emergency management system. Depending on the nature of the emergency situation, Campus Safety may work with TCCS Communications and the Claremont Police Department to issue subsequent notifications to a wider group of local community members. In addition, Pitzer College maintains an emergency information
and preparedness website (https://www.pitzer.edu/emergency/). In the event of an emergency, this website will be used to provide timely information for students, parents, faculty, staff, and other members of the College family. The website is updated as new information becomes available.

Determining the Contents of the Emergency Notification

The Department of Campus Safety’s Dispatch will choose the appropriate template in Everbridge, populate the template with the pertinent information necessary for the current emergency situation and send it out to students, faculty and staff at Pitzer College and the other Claremont Colleges. Additional Emergency Notification messages will follow as information regarding the unfolding situation is known. Campus Safety is also tasked with promptly summoning the appropriate resources to mitigate and investigate such incidents, which may include the input of the Claremont Police Department and or Los Angeles County Fire Department. The goal is to ensure individuals are aware of the situation and that they know the steps to take to safeguard their personal and community safety. Those issuing the notification will use the following guidelines when determining the contents of the emergency message.

The first message is intended to Alert the appropriate segment of TCC community of the Emergency and the actions they should take to safeguard their and their neighbor’s safety.

The second message is intended to Inform the appropriate segment of TCC community about additional details of the situation. This message is generally distributed once first responders and the Emergency Operations Center has additional information about the dangerous situation.

Finally, the third message is the Reassure notice that is generally distributed once the situation is nearly or completely resolved. The purpose of this message is to reassure TCC community that TCC or the College is working diligently to resolve or has resolved the dangerous situation. It can also be used to provide additional information about the situation and where resources will be available.

Procedures for Disseminating Emergency Information to the Greater Community

Pitzer College is also committed to providing a safe environment for everyone in the larger campus community. In the event of an emergency or significant safety concern that would impact members of the larger community outside the college campuses, updated and ongoing emergency information is provided to the Claremont Police Department for dissemination as they feel appropriate. The Claremont Police Department is included on the Everbridge distribution list and receives all emergency notifications and alerts issued by Campus Safety. The TCCS Communication Office would liaison with local media to further distribute the details of an incident as appropriate.

In the event of an emergency facing the Pitzer College campus, there is a webpage designed to provide timely information for students, parents, faculty, staff, and other members of the College family. It would be updated regularly as new information becomes available. The link is available at https://www.pitzer.edu/emergency/.
If the Pitzer College Web is temporarily disabled or interrupted, emergency information should still be accessible through our mirror site, www.pitzeremergency.info. In the case of an emergency, Pitzer College would communicate to the Pitzer College community via the link above, college email address, office and mobile phone, and campus broadcast system.

Enrolling in the College’s Emergency Notification System

Pitzer College uses Blackboard Everbridge as our mass notification system for quickly disseminating emergency information to the community. The practice for enrolling Pitzer College community participants in Everbridge is as follows. Pitzer College routinely collects information from faculty, staff, students and parents/guardians. Although the information is gathered in a variety of different ways, it is collected with the intent of having the most accurate information on file in the event of an emergency that requires community notification. Student information is updated in CX by the Office of the Registrar. Jenzabar CX is our Student Information System (SIS). It is a comprehensive, centralized data system used for registration and stores all academic student data. Once a day, it automatically updates into our Everbridge emergency data base. Faculty and staff are asked to provide updated information to Human Resources or update their information in Ultipro which in turn also automatically feeds daily into Everbridge. Parents and guardians are not enrolled in Everbridge and will not receive an Everbridge alert. In the event of an emergency, the email address provided that Parent Relations has on file will be used to notify parents and guardians.
SECURITY OF AND ACCESS TO COLLEGE FACILITIES

At Pitzer College, all administrative and academic buildings are open Monday through Friday from 8:00 a.m. until 10:00 p.m., during the academic year. Academic buildings are scheduled to be open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access. All residence hall exterior doors are locked at all times and can only be accessed by authorized users.

Many athletic events held in the Pomona-Pitzer facilities are open to the public. Other Claremont Colleges facilities such as the bookstore, and library, are likewise open to the public. Only those who have demonstrated a need are issued keys to a building.

Special Considerations for Residence Hall Access

Pitzer College is very concerned about the safety and welfare of all students, employees, and visitors, and is committed to providing a safe and secure environment. In addition to services provided by Campus Safety, Pitzer has precautionary measures in place that are intended to enhance the quality of life and to assure the safety and security of the students, staff and faculty.

The Dean of Students and Associate Dean of Students and Director of Residence Life and Conference Services are the College officers responsible for the residence halls. A Dean or a professional staff member is on-call at all times, 24 hours a day, seven days a week during the academic year. All residence halls are served by live-in Residence Directors (RDs) and Resident Assistants (RAs) who are available and/or on-call at all times throughout the school year and breaks to supervise and help govern residence life.

At the College, all exterior residence hall doors operate under Blackboard, a computerized access control and security monitoring system. Identification cards are coded so that all students are authorized electronic access entry to all residence hall exterior doors. The system denies entry to all unauthorized persons. Individual room doors are programmed through Onity, and only authorized occupants of that specific room are granted access. Resident Assistants, through nightly security checks, are responsible for checking and securing doors, when needed. When a door is malfunctioning, facilities personnel are summoned for immediate repair by calling Campus Safety and requesting to speak to the Facilities staff member on-call. All residence hall student rooms and Faculty In Residence/professional staff apartment exterior doors are equipped with dead bolts.

Only residents and their invited guests are permitted in the living areas of the residence halls. It is the resident’s responsibility to ensure that their guest is aware of the College and residence hall policies. Guests are not provided with room keys or door access cards. Guests should be escorted by a resident of the building at all times. All exterior doors are locked 24 hours a day. It is the responsibility of residents and staff members to remain aware of their surroundings and report individuals who cannot be identified as residents or the guests of residents. When Campus Safety receives a report of an unescorted
person in a residence hall, an officer is dispatched to identify that person. Campus Safety has personnel assigned to monitor The Claremont Colleges property 24 hours a day, 7 days a week and 365 days a year. During low-occupancy periods such as holidays and scheduled breaks where the residence halls remain open, students are asked to remain mindful of their surroundings and report any suspicious behavior immediately. During the summer when groups who are not regularly associated with Pitzer College are using the College residence halls, exterior doors are locked 24 hours a day. Each guest is issued an electronic key card and/or physical key by the Residence Life and Summer Programs Office that allows summer groups to gain access to only their assigned building via the electronic access control system. Residence Halls are staffed 24 hours per day. Campus Safety personnel also conduct regular checks of residence hall areas.

**Security Considerations for the Maintenance of Campus Facilities**

Pitzer College is committed to campus safety and security. At the College, landscaping and outdoor lighting are designed with safety and security in mind. Sidewalks are designed to provide well-traveled, lighted routes from parking areas to buildings and from building to building.

The Facilities Office, in conjunction with representatives from the Office of Student Affairs, Campus Safety and student leaders, conducts surveys of College property once each year to evaluate campus lighting.

We encourage community members to promptly report any security concern, including concerns about locking mechanism, lighting, or landscaping to Campus Safety or the Office of Student Affairs.
Pitzer College’s Discrimination, Harassment, and Sexual Misconduct Policies and Procedures

Including Intimate Partner Violence, Dating Violence, Domestic Violence, Sexual Assault, and Stalking

Pitzer College seeks to maintain an environment of mutual respect among all members of its community. All forms of harassment and discrimination on the basis of sex, gender identity and expression, pregnancy, religion, creed, color, race, national or ethnic origin, ancestry, sexual orientation, medical condition, physical or mental disability, age, marital status, veteran status, family care leave status or any other basis described in Pitzer College’s Discrimination and Harassment Policies and Procedures or otherwise prohibited by state or federal law destroy the foundation for such respect and violate the sense of community vital to the College’s educational enterprise. Sexual Misconduct offenses are a form of sexual harassment and are strictly prohibited by the College. Retaliation against a person who reports, complains about, or participates in the investigation of a complaint of discrimination, harassment, and/or sexual misconduct is likewise prohibited. The complete document outlining Pitzer College’s response to sexual and gender violence can be found in the College’s Discrimination and Harassment Policies and Procedures on the Human Resources webpage at https://www.pitzer.edu/about/wp-content/uploads/sites/89/2018/09/2018-19-Discrimination-Harrassment-and-Sexual-Misconduct-Policies-and-Procedures.pdf as well as within The Student Handbook at https://www.pitzer.edu/student-life/student-handbook/.

Introduction

I. Jurisdiction

The Discrimination, Harassment, and Sexual Misconduct Policies and Procedures set forth in this Document apply to all Pitzer College (hereafter referred to as “College”) faculty, staff, and students. This Document also applies to third parties (such as campus visitors or vendors) who may have contact with members of the College community either on the College’s campus or at other College events and programs. If the alleged perpetrator (hereafter referred to as “Respondent”) is an employee or student from one of the other Claremont Colleges or the Claremont Colleges Services, the College will investigate the matter and take steps to stop the conduct and remedy its affects to the extent reasonably possible. However, the complaint or other relevant procedures related to any disciplinary action against the Respondent will be those of the Respondent’s home institution. If the Complainant is an employee or student from one of the other Claremont Colleges The Claremont Colleges Services, the complaint procedures set forth in this Document will prevail.

The complaint procedures set forth in this Document are administrative in nature and are separate and distinct from the criminal, civil, and administrative legal systems. Pursuing resolution through these procedures does not preclude someone from pursuing legal action at the same time or in the future. If the conduct in question is alleged to be a violation of both College policy and State or Federal law, the College will proceed with its normal process, regardless of action or inaction by
outside authorities. Decisions made or sanctions imposed through these or other College procedures are not subject to change because criminal or civil charges arising from the same conduct are dismissed, reduced, or rejected in favor of or against the Respondent. Throughout the complaint, investigatory, hearing, appeal, and/or disciplinary process, the College will maintain its authority to take action to ensure campus safety.

II. Authority

The disciplinary authority of Pitzer College originates in the Board of Trustees and has been delegated to the President. The President has designated the Title IX Coordinator to oversee the administration of the policies outlined in this Document including Discrimination, Harassment, and Sexual Misconduct and the complaint procedures for resolving complaints of violations of the Civil Rights Policies, detailed below. III. General Policy Statement

Pitzer College seeks to maintain an environment of mutual respect among all members of its community. All forms of harassment and discrimination on the basis of sex, gender, gender identity and expression, pregnancy, religion, creed, color, race, national or ethnic origin, ancestry, sexual orientation, medical condition, physical or mental disability, age, marital status, veteran status, family care leave status, or any other basis described in this Document or otherwise prohibited by state or federal law destroy the foundation for such respect and violate the sense of
community vital to the College’s educational enterprise. Sexual misconduct offenses are a form of sexual harassment and are strictly prohibited by the College. Retaliation against a person who reports, complains about, or participates in the investigation of a complaint of discrimination, harassment, and/or sexual misconduct is likewise prohibited.

This policy strictly prohibits discrimination against, or the harassment of, any individual at the College or at College activities occurring away from campus, including but not limited to all individuals regularly or temporarily employed, studying, or with an official capacity at Pitzer College (such as Trustees, guest lecturers, volunteers, and contractors). Persons violating this policy will be subject to disciplinary action up to and including discharge from employment or expulsion from the College.

It is the responsibility of all faculty, staff and students at the College to ensure compliance with this policy. Accordingly, faculty, staff or students who believe they are being harassed, discriminated, or retaliated against, have observed harassment of, discrimination, or retaliation against, another person at the College in violation of this policy, or believe such conduct has occurred, should immediately report the incident following the complaint reporting procedures below.

Because harassment, discrimination, and retaliation can also constitute violations of federal and state law (Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and/or the California Fair Employment and Housing Act (“FEHA”) Section 12940, et seq. of the California Government Code), individuals who feel that they have been subjected to harassment or discrimination may, in addition to notifying the College by using the complaint reporting procedures below, file a complaint with the appropriate state or federal agencies. Such complaints may be filed with the California Department of Fair Employment and Housing (“DFEH”) or the comparable federal agency, the Equal Employment Opportunity Commission (“EEOC”). Complaints may also be filed with the federal government’s Office of Civil Rights (“OCR”).

The faculty and other academic appointees, staff, and students of Pitzer College enjoy significant free speech protections guaranteed by the First Amendment of the United States Constitution and Article I, Section I of the California Constitution. This policy is intended to protect members of the College community from discrimination, not to regulate protected speech. This policy shall be implemented in a manner that recognizes the importance of rights to freedom of speech and expression. The College also has a compelling interest in unfettered inquiry, the collective search for knowledge, and insuring that faculty base their decisions about teaching, both inside and beyond the classroom, on their knowledge and best professional judgment. The College thus affirms, and indeed embraces, principles of academic freedom as a special area of protected speech. Consistent with these principles, no provision of this policy shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member, or of the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic
freedom do not protect conduct (inclusive of speech) that violates federal or state anti-
discrimination laws.

In addition, consistent with California Education Code Section 94367, the definition of harassment
contained in this policy and its application to student speech shall be subject to the limitations of
the First Amendment to the United States Constitution and Article 1, Section 2 of the California
Constitution.

Pitzer College prides itself in being an open, competitive, and equal opportunity employer. The College is committed to a policy of equal employment opportunities for all applicants and employees and complies with all applicable state and federal laws on the matter. The College does not unlawfully discriminate on the basis of race, color, creed, religion, national or ethnic origin, ancestry, sex, age, sexual orientation, gender identity and expression, marital status, pregnancy, physical or mental disability, medical condition, family care leave status, veteran's status, or any other category described in this Document or protected by law. The College also prohibits the harassment of any employee on any of these bases and retaliation for the exercise of rights protected herein. The College also makes reasonable accommodations for disabled employees. This policy applies to all areas of employment including recruitment, hiring, training, promotion, compensation, benefits, transfer, and social and recreational programs. It is the responsibility of every manager and employee to follow this policy conscientiously. Employees with questions regarding this policy should discuss them with the Assistant Vice President of Human Resources or their supervisor.

III. Harassment Policy

POLICY STATEMENT

It is the policy of Pitzer College to maintain an environment for students, faculty, and staff that is free of sexual, racial and other unlawful harassment. All members of the community should be aware that the College is concerned about such harassment, and is prepared to take prompt remedial action to prevent and correct such behavior. Individuals who engage in sexual harassment, as well as other unlawful harassment based on such factors as religion, color, race, national or ethnic origin, ancestry, sex (which includes harassment based on gender, pregnancy, childbirth, or related medical conditions), sexual orientation, gender identity and expression, physical or mental disability, age, marital status, family care leave status, or veteran status, will be subject to discipline, up to and including expulsion or termination. Retaliation against a person who reports, complains about, or participates in the investigation of such harassment is likewise prohibited.

UNLAWFUL HARASSMENT DEFINED

Unlawful Harassment in General

Unlawful harassment is conduct that creates an intimidating, offensive, or hostile working or academic environment, or that interferes with work or academic performance based on a person’s protected status, including race, color, national origin, ancestry, sex (which includes harassment based on gender, pregnancy, childbirth, or related medical conditions), sexual orientation, gender identity and expression, age, religion, physical or mental disability, medical condition, marital status, veteran status, family care leave status, or other status protected by
antidiscrimination and anti-harassment statutes, such as Titles VII or IX of the Civil Rights Act, the Americans with Disabilities Act, the Age Discrimination in Employment Act, and the California Fair Employment and Housing Act. Such harassment can be physical, verbal, or visual. Harassment can be committed by employers, coworkers, fellow students, and third parties. Generally, statements and/or conduct legitimately and reasonably related to the College’s mission of education do not constitute harassment.

To count as harassment under this policy, such conduct must:

- be based upon one or more of the categories mentioned above;
- be offensive to the individual complaining of harassment and offensive to a reasonable person; and
- be so persistent, repetitive, pervasive, or severe that it has the purpose or effect of substantially interfering with an individual’s academic or professional performance or creating an intimidating, abusive or hostile educational, employment or living environment at the College.

Harassment may also occur when submission to conduct described above is made either explicitly or implicitly a term or condition of an individual’s employment, education, living environment at the College, or participation in a College activity.

Sexual Harassment

One form of unlawful harassment is sexual harassment. Sexual harassment may be either “quid pro quo” harassment, that is sexual advances or requests for sexual favors where submission is made an explicit or implicit term or condition of an individual’s employment or education or where submission or rejection is used as the basis for making employment or educational decisions affecting an individual; or “environmental” harassment, where the individual is subjected to a hostile or intimidating environment, in which verbal or physical conduct, because of its severity and/or persistence, is likely to interfere with an individual’s work or education, or to affect adversely an individual’s living conditions. Occasional compliments that are generally accepted as not offensive or other generally accepted social behavior, on the other hand, do not constitute sexual harassment. Sexually harassing conduct need not be motivated by sexual desire.

Examples of sexual harassment may include such conduct as:
- Physical assault or other unwelcome touching;
- Direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, grades, or letters of recommendations;
- Direct propositions of a sexual nature;
- Subtle pressure for sexual activity, an element of which may be repeated requests for private meetings without an academic and employment purpose;
• A pattern of conduct that would discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that includes one or more of the following: (1) unnecessary touching, patting, hugging, or brushing against a person’s body; (2) remarks of a sexual nature about a person’s clothing or body, whether or not intended to be complimentary; (3) remarks about sexual activity or speculations about previous sexual experience; or (4) other comments of a sexual nature, including sexually explicit statements, questions, jokes or anecdotes;

• Certain visual displays of sexually-oriented images outside the educational context;

• Letters, notes or electronic mail containing comments, words or images as described in (e) above.

• Sexual harassment includes harassment of women by men, of men by women, and same gender gender-based harassment. Sexual misconduct offenses are specific forms of sexual harassment and are strictly prohibited by the College. Due to the unique nature of sexual misconduct the College has a separate Sexual Misconduct Policy which is outlined below.

Other Campus Assistance
In addition to offering counseling and academic support, the College provides assistance to students who believe they have been sexually harassed by:

• Separating the individual who engaged in the harassment and the target of the harassment, provided that such steps avoid or minimize to the extent possible any burden on the target;

• Informing the target of the harassment how to report any subsequent problems, including retaliation;

• Conducting follow-up inquiries to determine whether there have been any new incidents of harassment or any instances of retaliation against the harassed student or any witnesses, and responding promptly and appropriately to address continuing or new instances; and

• Providing training, or other interventions for the larger College community to ensure that all students, and College staff can recognize harassment if it recurs and know how to respond.

Bullying and Intimidation
Bullying includes any intentional electronic, written, verbal, or physical act or a series of acts of physical, social, or emotional domination that cause physical or emotional harm to another student or group of students. Bullying conduct may not only cause a negative effect on individuals targeted but also others who observe the conduct. Conduct constitutes bullying in violation of this policy when it is severe, persistent, or pervasive; and when it: 1) has the effect of substantially interfering with a community member’s education, employment, or full enjoyment of the college; 2) creating a threatening or intimidating environment; or 3) substantially disrupting the orderly operation of the College. Intimidation is any verbal,
written, or electronic threats of violence or other threatening behavior directed toward another person or group that reasonably leads the person(s) in the group to fear for their physical well-being. Intimidation is prohibited and will result in disciplinary action.

IV. Sexual Misconduct Policy

CONSENT

The expectations of our community regarding sexual consent can be summarized as follows: In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is sexual permission. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable and clear permission regarding willingness to engage in (and the conditions of) sexual activity. In order to give effective consent, one must be of legal age and have the capacity to give consent. The legal age of consent in the state of California is 18 years.

- Consent to any one form of sexual activity does not imply consent to any other form(s) of sexual activity.
- A previous relationship or prior consent does not imply consent to future sexual acts.
- Consent can be withdrawn. Thus, even if a person agreed to sexual interaction or continued sexual interaction, that person has the right to change their mind, irrespective of how much sexual interaction may have already taken place.

Force and Coercion

Consent obtained through force is not effective consent. Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force includes the use of threats, intimidation (implied threats) and/or coercion to produce consent. Coercion is unreasonable pressure for sexual activity (“Have sex with me or I’ll hit you.” “Okay, don’t hit me; I’ll do what you want.”). Coercive behavior differs from seductive behavior based on the type of pressure used to get consent. When someone makes it clear that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

NOTE: There is no requirement that a party resists a sexual advance or request, but resistance is a clear demonstration of non-consent. The presence of force, however, is not demonstrated by the absence of resistance.

Capacity/Incapacitation

Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing effective consent (e.g., to understand the “who, what, when, where, why or how” of their sexual interaction or contact). Sexual activity with someone who one
should have known to be -- or based on the circumstances should reasonably have known to be -- mentally or physically incapacitated (i.e. by alcohol or other drug use, unconsciousness, asleep, or blacked out), constitutes a violation of this policy.

i. Incapacitation due to alcohol or other drugs: Because alcohol or other drug use can place an individual’s capacity to consent in question, sober sex is less likely to raise such questions. Being under the influence of alcohol or other drugs does not in and of itself indicate incapacitation. When alcohol or other drugs, including date rape drugs (such as Rohypnol, Ketamine, GHB, etc.), are involved, a person will be considered unable to give valid consent if they cannot fully understand the details of a sexual interaction (the who, what, when, where, why, or how) because they lack the capacity to reasonably understand the situation. Administering a date rape drug to another individual is a violation of this policy.

ii. Incapacitation due to other reasons: This policy also covers a person whose incapacity results from mental or physical disabilities, sleep, unconsciousness, or involuntary physical restraint.

**SEXUAL MISCONDUCT**

Sexual misconduct is a specific form of sexual harassment and is prohibited by the College. Sexual misconduct is defined as:

1. **Non-Consensual Sexual Contact** (or attempts to commit same)
   Non-Consensual Sexual Contact is:
   - any intentional sexual touching,
   - however slight,
   - with any object or body part,
   - by a person upon a person,
   - that is without consent, regardless of whether force is used

   Sexual contact includes: Intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth, or other orifice.

2. **Non-Consensual Sexual Intercourse** (or attempts to commit same)
   Non-Consensual Sexual Intercourse is:
   - any sexual intercourse however slight,
   - with any object or body part,
   - by a person upon a person,
   - that is without consent, regardless of whether force is used
Intercourse includes: vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Nonconsensual sexual contact and nonconsensual sexual intercourse are often referred to as “sexual assault.” As defined by the federal Violence Against Women Act, sexual assault means an offense classified as means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. Generally, a sexual assault has been committed when an individual engages in sexual activity without the effective consent of the other individual involved, including when the individual lacks capacity to consent. Sexual activity is any touching of a sexual or other intimate part of a person either for the purpose of asserting power or gratifying sexual desire of either party. This includes coerced touching of the Respondent the Complainant as well as the touching of the Complainant by the Respondent, whether directly or through clothing.

**Sexual Exploitation:** Sexual Exploitation is a form of sexual misconduct which occurs when a person takes non-consensual or abusive sexual advantage of another for their own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

a. Invasion of sexual privacy;
b. Prostituting another person;
c. Non-consensual video or audio-taping of sexual activity;
d. Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
e. Engaging in voyeurism;
f. Knowingly transmitting a sexually transmitted infection, a sexually transmitted disease, or HIV to another person;
g. Exposing one’s genitals in non-consensual circumstances; inducing another to expose their genitals;
h. Sexually-based stalking.

3. **Intimate Partner Violence:** Intimate-partner violence includes dating violence, domestic violence, and relationship violence, includes any act of violence or threatened act of violence against a person who is, or has been involved in, a sexual, dating, domestic, or other intimate relationship with that person. It may involve one act or an ongoing pattern of behavior.

Intimate-partner violence can encompass a broad range of behavior, including, but not limited to, physical violence and sexual violence. Intimate-partner violence may take the form of threats, assault, property damage, violence, or threat of violence to one’s self, one’s sexual or romantic partner, or to the family members or friends of the sexual or romantic partner.
**Dating Violence:** Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. The existence of such a relationship will be determined based on assessment of statements of the parties and witnesses, taking into consideration the following factors: a) the length of the relationship, b) the type of relationship, and c) the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

**Domestic Violence:** Domestic violence is violence committed by a current or former spouse, or sexual or intimate partner of the alleged victim, a person who is living as a spouse or who lived as a spouse with the alleged victim, parents and children, other persons related by blood or marriage, or by a person with whom the alleged victim shares a child in common. Under the criminal laws of California certain offenses, including but not limited to, rape, aggravated assault and stalking, can be deemed domestic violence depending on the relationship of the parties involved.

The College recognizes that sexual harassment, sexual assault, sexual exploitation, stalking, and retaliation all may be forms of intimate partner violence when committed by a person who is or has been involved in a sexual, dating, or other social relationship of a romantic or intimate nature with the Complainant.

**V. Stalking Policy**

Stalking will be addressed through the Complaint Procedures outlined in this Document when the conduct is gender-based or is related to an intimate partner relationship.

**POLICY STATEMENT**

Pitzer College strives to maintain a campus environment free of violence. Stalking can affect every aspect of an individual’s life, often beginning with phone calls, emails, social networking posts and/or letters, and can sometimes escalate to violence. Individuals of all genders, gender identities, races and ethnicities, religions, age, abilities, and sexual orientation can be the subject of stalking. Individuals who engage in stalking behaviors are subject to disciplinary action. Violations of this policy will result in disciplinary action up to and including expulsion for students and up to and including termination for employees. Stalking is a crime in California and is subject to criminal prosecution. Pursuing a complaint through the College does not preclude an individual from pursuing legal action as well.

**DEFINITION**

Stalking is a course of conduct directed at a specific person that would cause a reasonable person to: (1) feel fear for their safety or the safety of others, or (2) suffer substantial emotional distress. Stalking includes behaviors or activities occurring on more than one occasion that collectively
instill fear in a victim, and/or threaten their safety, mental health, or physical health. Such behaviors and activities may include, but are not limited to, the following:

A. Non-consensual communication, including face-to-face communication, telephone calls, voice messages, e-mails, texts, letters, notes, gifts, or any other communications that are undesired and place another person in fear

B. Use of online, electronic, or digital technologies, including:
   - Unauthorized posting of pictures, messages, and/or information about the complainant on websites, Internet sites, social networking sites, and/or bulletin boards or in chat rooms
   - Sending unwanted/unsolicited email, texts or talk requests
   - Posting private or public messages on Internet sites, social networking sites, and/or bulletin boards
   - Installing spyware on a victim’s computer
   - Using Global Positioning Systems (GPS) to monitor a victim

C. Pursuing, following, waiting, or showing up uninvited at or near a residence, workplace, classroom, or other places frequented by the victim

D. Surveillance or other types of observation, including staring or “peeping”

E. Trespassing

F. Vandalism

G. Non-consensual touching

H. Direct verbal or physical threats

I. Gathering information about an individual from friends, family, and/or co-workers

J. Threats to harm self or others

K. Defamation – lying to others about the victim

**REPORTING INFORMATION**

**Off-Campus**

Pitzer College encourages individuals to report incidents of stalking to law enforcement authorities, and respects that whether or not to do so is a personal decision of the individual. Members of the Dean of Students staff are available to assist individuals in contacting the Claremont Police or other appropriate law enforcement agency. In some circumstances, a victim may wish to seek a legal order of protection against the alleged perpetrator. Victims may also request that the College restrict someone’s access to the College campus who is not a member of the Pitzer College community.

In certain instances, Pitzer College may need to report conduct to law enforcement authorities even when the subject of the conduct has not decided to do so. Such circumstances include
incidents that warrant the undertaking of additional safety and security measures for the protection of the victim and the campus community or other situations in which there is clear and imminent danger, and when a weapon may be involved. The decision to report an incident to law enforcement will be shared with the victim and will take into account the safety concerns of the individual.

To the College

The College encourages individuals to report incidents of stalking to the College. Prompt reporting is encouraged, because facts often become more difficult to establish as time passes. However, the College will investigate and take appropriate action in response to all reports of stalking behavior regardless of when the alleged conduct occurred. The ability of the College to respond to the conduct is limited if the Respondent is no longer a member of the College community. If a College staff member, faculty member or student leaves the College with a pending complaint they will not be permitted to return to the College until the complaint is resolved through the College’s appropriate complaint or discipline process. An individual who believes they have been the subject of stalking and who wishes for the details to remain completely confidential should speak with certain College officials who may maintain confidentiality and may not disclose information shared with them, except where required by law. These officials include: Monsour Counseling and Psychological Services staff, Student Health Services staff and members of the clergy including the McAlister Center chaplains.

Safety and Support Resources

Pitzer College is committed to supporting victims of stalking by providing safety and support services. Due to the complex nature of stalking, an individual who has been a victim of stalking may need assistance in obtaining one or more of the following:

- College no-contact order
- Counseling support through Monsour Counseling and Psychological Services
- Change in an academic schedule
- Provision of alternative housing opportunities
- The imposition of an interim suspension on the alleged perpetrator

For assistance, please contact the Title IX Coordinator, Corinne Vorenkamp (Broad Center 212, 909-607-2958; titleix@pitzer.edu). If safety is an immediate concern, contact Campus Safety at 909-607-2000 if you are on campus or the Claremont Police Department at 911 if you are off-campus.

VI. Discrimination Policy

Discrimination refers to the disparate treatment of a person or group because of that person’s or group’s protected status, including race, color, national origin, ancestry, sex (which includes harassment based on gender, pregnancy, childbirth, or related medical conditions), sexual
orientation, gender identity and expression, age, religion, physical or mental disability, medical condition, marital status, veteran status, family care leave status, or other status protected by antidiscrimination and anti-harassment statutes, such as Titles VII or IX of the Civil Rights Act, the Americans with Disabilities Act, the Age Discrimination in Employment Act, and the California Fair Employment and Housing Act. This policy also prohibits discrimination based on the perception that any person has any of the foregoing characteristics or is associated with a person who has, or is perceived as having, any of those characteristics. All such discrimination is unlawful and constitutes Prohibited Conduct.

VII. Retaliation Policy

Retaliation is defined as the taking of an adverse action by any student, faculty or staff member against another individual as a result of that individual’s exercise of a right under the Discrimination, Harassment, and Sexual Misconduct Policies and Procedures, including participation in the reporting, investigation or hearing as provided in this Policy. Retaliation includes adverse actions intended to improperly deter involvement of another in these procedures set forth in this Policy and may involve actions intended either to intimidate or to penalize individuals for their participation. Retaliation is strictly prohibited by law and this Policy. Any person who is found to have engaged in retaliation related to a complaint under this Policy shall be subject to disciplinary action under this Policy. Persons who believe that they have been retaliated against for making a complaint/report or for cooperating in an investigation or hearing should immediately contact the Title IX Coordinator or relevant Complaint Officer. A complaint filed in good faith under this Policy shall not constitute retaliation.

Retaliation against persons for opposing practices prohibited by the Fair Employment and Housing Act and Title IX, or for filing a complaint with, or otherwise participating in an investigation, proceeding or hearing conducted by, the Department of Fair Employment and Housing, the Fair Employment and Housing Commission, the U.S. Equal Employment Opportunity Commission, or the Office of Civil Rights, is prohibited by law.

VIII. Consensual Relations Policy

The College recognizes and individuals should be aware that consensual sexual relationships can result in claims of sexual harassment because the degree to which consent is voluntary may be questioned when a power differential exists. If a sexual harassment claim is filed following what one or both of the parties may have initially viewed as a consensual relationship, the consent is evaluated in light of this power differential.

Sexual relationships between employees and their supervisor or students and faculty members with whom they also have an academic or evaluative relationship are fraught with the potential for exploitation. The respect and trust accorded a professor by a student or a supervisor by an employee, as well as the power exercised in an academic or evaluative role, make voluntary consent suspect. Even when both parties initially have consented, the development of a sexual
relationship renders both parties and the College vulnerable to possible later allegations of sexual harassment in light of the significant power differential that exists between them. In their relationships with students and staff members, faculty and supervisors are expected to be aware of their professional responsibilities and avoid apparent or actual conflict of interest, favoritism, or bias.

Sexual relationships that involve a faculty member who exercises active and immediate authority over a student, as in the case of a faculty member and a student currently studying with the faculty member and/or an adviser and advisee relationship, are prohibited whether or not the relationships are consensual. The same is true of a supervisor/employee relationship. A supervisor and faculty member must remove themselves from positions of active and immediate authority over the employee or student before a sexual relationship begins. The College has the right to take disciplinary action, up to and including dismissal, against a faculty member or supervisor for participation in a relationship which involves such a conflict.

In the case of a sexual relationship in which the parties believe that the restrictions of the preceding paragraph do not apply, it is the obligation of the supervisor or faculty member, because of their position of authority, to take all necessary steps to remove themselves from professional or institutional actions, such as providing recommendations or participating in the awarding of departmental prizes, performance reviews or promotions, which affect the student and/or employee. Before a sexual relationship develops, effective steps must be taken to ensure unbiased evaluation and supervision of the student or employee. Faculty members, students, supervisors, and staff members are encouraged to seek assistance and guidance from the Dean of Faculty, Dean of Students, or Assistant Vice President of Human Resources to ensure compliance with this policy.

**IX. False Reporting Policy**

It is a violation of College policy to file a knowingly false or malicious complaint of alleged discrimination, harassment and/or sexual misconduct. A complaint against such conduct may be pursued using the steps followed for discrimination, harassment, and sexual misconduct related complaints as outlined in this Document. A complaint filed in good faith under this provision shall not constitute retaliation. A finding of no responsibility is not, by itself, evidence that the underlying complaint was not filed in good faith.

**Complaint Procedures**

**1. Introduction**

These complaint procedures have been adopted by the College to provide a prompt and equitable method for reporting, investigating, and resolving complaints of alleged violations of the College’s discrimination, harassment, and sexual misconduct policies when they involve Pitzer College faculty, staff, students, and/or third parties.
Anyone who believes they have been subjected to discrimination, harassment, retaliation and/or sexual misconduct is encouraged to report such conduct pursuant to the procedures set forth below. The College is obligated to act on any report of alleged discrimination, harassment, or sexual misconduct and will do so pursuant to these complaint procedures. Any College official (e.g., faculty member, administrative staff members, coaches, resident assistant, etc.) who receives information of an alleged discrimination, harassment, retaliation and/or sexual misconduct is required to file a report with one of the College representatives set forth below.

II. Reporting an Alleged Violation

REPORTING TO THE COLLEGE

A report may be made to anyone of the individuals listed regardless if you are a student, faculty member, staff member, or third party. Under no circumstances is an individual required to report discrimination, harassment, retaliation and/or sexual misconduct to a supervisor or academic instructor who is the alleged perpetrator.

Upon receipt of a report, the College will activate these complaint procedures. Prompt reporting is encouraged, because facts often become more difficult to establish as times passes. However, the College will investigate and take appropriate action in response to all reports regardless of when the alleged conduct occurred. The ability of the College to respond to the conduct is limited if the Respondent is no longer a member of the College community. If a College staff member, faculty member or student leaves the College with a pending complaint against them they will not be permitted to return to the College until the case is resolved through these complaint procedures. Pitzer College shall respond to the greatest extent possible to reports of sexual misconduct brought anonymously or brought by third parties not directly involved in the misconduct. However, the response to such reports may be limited if information contained in the report cannot be verified by independent facts.

**Confidentiality of Reports to the College**
The College will make all reasonable efforts to maintain the confidentiality and privacy of the parties involved in an investigation and/or hearing for a complaint as well as the confidentiality of the details of an investigation, any hearing, and except where permitted by law, the sanctions imposed. The College will inform all individuals involved in the complaint process of the critical importance and expectation that they maintain the confidentiality of the process and any information shared with them as a result of their participation. Complainants and Respondents
are not prohibited from sharing details of complaints with family, counsel, or a support person/advisor as defined in Section IV, below.

If at any point the Complainant requests confidentiality with respect to the Respondent and/or decides not to pursue action by the College, the College will make all reasonable attempts to comply with this request. A Complainant is the student, faculty, or staff member who files a report on their own behalf or the person on whose behalf a report is filed by a third party. In these situations, the College’s ability to investigate and respond to the conduct may be limited. The College is required to weigh the Complainant’s request for confidentiality with the College’s commitment to provide a reasonably safe and non-discriminatory environment. Moreover, the College may have an independent legal obligation to investigate a complaint once it has been made and in those circumstances the investigation will continue through completion and appropriate action. If the College cannot maintain a Complainant’s confidentiality, or determines to continue with the investigation, the Complainant will be notified by the Title IX Coordinator. The College will not include any personally identifiable information in publicly available record keeping for the crimes of dating violence, domestic violence, sexual assault and stalking.

In the context of sexual violence, however, medical providers in California, including medical providers at Student Health Services, are required to notify law enforcement if a patient tells medical personnel they have experienced sexual violence. The patient has the right to request that a survivor advocate be
present with them when they speak with the police and to request that criminal charges not be pursued. Neither on- nor off-campus medical providers will notify the college of the report.

State and Federal Enforcement Agencies and the Claremont Police Department

The College’s complaint procedures are administrative in nature and are separate and distinct from the state and federal criminal, civil, and administrative legal systems. Pursuing resolution through these procedures does not preclude someone from pursuing legal action now or in the future.
Reporting Potential Criminal Violations to Claremont Police Department ("CPD"): In cases involving potential criminal misconduct, individuals are encouraged to file a report with the CPD. For assistance with or accompaniment to make a police report, please contact the Title IX Coordinator (909-207-2958; titleix@pitzer.edu); for confidential accompaniment, contact Project Sister (909-626-4357). Claremont Police can be reached as follows:

The College’s complaint procedures and the legal system work independently from one another and the College will proceed with its process, regardless of action or inaction by outside authorities. Decisions made or sanctions imposed through these complaint procedures are not subject to change because criminal or civil charges arising from the same conduct are dismissed, reduced, or rejected in favor of or against the Respondent.

Reporting to State and Federal Enforcement Agencies: In addition to the College’s internal remedies, employees and students should also be aware that the Federal Equal Employment Opportunity Commission ("EEOC") and the California Department of Fair Employment and Housing ("DFEH") investigate and prosecute complaints of prohibited harassment, discrimination, and retaliation in employment. These agencies may be contacted at the addresses listed below:

EEOC Los Angeles District Office

Los Angeles, CA 90012
(213) 894-1000

DFEH Los Angeles Office

Students also have the right to file a formal complaint with the United States Department Education:

Office for Civil Rights (OCR)
400 Maryland Avenue, SW
Washington, DC 20202-1100
Pitzer strongly encourages all individuals who are the subject of potential misconduct to pursue all remedies available to them, including reporting incidents of potential criminal conduct to external law enforcement and incidents of civil rights violations to the appropriate external agencies.

Pitzer also strongly encourages individuals who have experienced potential discrimination, harassment, or sexual misconduct to report the incident to Pitzer so that Pitzer can assist these individuals in obtaining access to the support and resources they may need, and so Pitzer can respond appropriately. External and internal reporting options are not mutually exclusive and may be pursued concurrently.

If an incident of sexual assault, domestic violence, dating violence or stalking occurs it is important to preserve evidence to aid in the possibility of a successful criminal prosecution. The Complainant of a sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical exam. Any clothing removed should be placed in a paper bag. Evidence of violence, such as bruising or other visible injuries, following an incident of domestic or dating violence should be documented including through the preservation of photographic evidence. Evidence of stalking including any communication, such as written notes, voice mail or other electronic communications should be saved and not altered in any way.

**PROVIDING FOR THE SAFETY OF THE COMPLAINANT AND THE COMMUNITY**

Pitzer’s first priority when receiving a report of discrimination, harassment, sexual misconduct, or other conduct prohibited under this Policy is to provide for the safety of the Complainant and the community. As a result, whenever Pitzer receives a report of potential misconduct under this Policy that indicates an immediate threat to the Complainant or other member of the community, Pitzer will seek to notify appropriate first responders (medical or law enforcement) as soon as reasonably possible. Pitzer will also implement any Interim Measures as it determines are necessary and appropriate to provide for the safety of Complainant or the community. A complete discussion of Interim Measures is set forth in the Grievance Procedures.

**Procedures Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking Should Follow**

Complainants have the choice to involve law enforcement and campus authorities. Complainants also have the option to be assisted by campus authorities in notifying law enforcement
authorities if a Complainant so chooses. Complainants also have the option to decline to notify such authorities.

In some circumstances, an interim remedy such as a “No Contact Order” may be requested by the Complainant. In those circumstances, the Complainant and Respondent are to have no contact with one another for a designated time period or until both parties are advised otherwise.

In other circumstances, Complainants may decide to request a court ordered restraining order or similar lawful orders issued by a criminal, civil, or tribal court. The Complainant can contact the EmPOWER Center or the Claremont Police Department for more information on how to obtain restraining orders. Pitzer does not issue orders of protection; however we will honor these request and comply with the orders. The party who obtained the order should notify Claremont Police Department of the restraining order for it to be enforced. The party who obtained the order can notify Campus Safety if they need assistance notifying Claremont Police Department.

Evidence Collection
It is important to preserve evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order. Therefore, it is important to preserve: clothing, text messages, photographs, or any other evidence that may be associated or useful to proving the alleged conduct occurred.

Physical evidence of a sexual assault must be collected from the Complainant’s person within 96 hours of the incident, although it may be possible to obtain evidence from towels, sheets, clothes, etc. for much longer periods of time. Individuals who believe they have been sexually assaulted should go to the appropriate SART location based on the location of incident (as described above) before washing their body or changing clothing. A Sexual Assault Nurse Examiner (SANE), a nurse who is specially trained to collect evidence in cases of alleged sexual assault, will be called by the hospital to properly collect and preserve any evidence as well as document any injuries. It is best not to change clothes. However, if clothes have been changed, the clothes worn at the time of the incident should be brought to the SART location in a clean, sanitary container such as a paper grocery bag or wrapped in a clean sheet (plastic containers do not breathe and may render evidence useless). Bring a change of clothing to the hospital, too, as the clothes worn at the time of the incident will likely be kept as evidence.

Collecting evidence does not obligate an individual to any particular course of action but can assist the authorities should the individual decide to pursue criminal charges immediately or in the future. Pitzer will assist any Pitzer community member in seeking medical assistance or reporting an incident to the police. Taxi vouchers are available at Campus Safety and the Dean of Students Office that provide free transportation to local medical centers.
III. *Truthfulness*

All participants in an investigation and/or hearing are expected to cooperate fully and provide truthful information in all meetings and/or hearings related to these complaint procedures. Individuals may be hesitant to report conduct which they have experienced or witnessed or participate in an investigation and/or hearing because they fear that they themselves may be charged with a policy violation, such as underage drinking at the time of the incident. To encourage truthfulness and reporting, the College pursues a policy of offering Complainants, Respondents and witnesses limited immunity from being charged for policy violations related to an alleged incident (such as policies prohibiting the use of alcohol or drugs) which is reported in good faith. While violations cannot be completely overlooked, the College will provide educational rather than punitive responses, in such cases. Employees can be disciplined, up to and including termination, for not being truthful during an investigation. Students who are untruthful in an investigation and/or hearing will be subject to procedures and penalties in the Student Code of Conduct.

IV. *Specific Complaint Procedures when Respondent is a Student, Staff, or Faculty Member*

The College has adopted three parallel procedures for investigating and hearing complaints, depending upon whether the Respondent (or accused) is a student, a staff member (including administrators and third parties), or a faculty member. Because the relationship of students, staff, and faculty to the College differ in nature, the procedures that apply when seeking disciplinary action necessarily differ as well. Each of the procedures, however, is guided by the same principles of fundamental fairness and respect for all parties, which require notice, an equitable opportunity to be heard, and an equitable opportunity to respond to a report under this Policy. The College will provide a prompt, fair, and impartial process from the initial assessment to the final outcome.

In the case of a staff member (other than a work-study student) who is also enrolled as a student at the College, the procedures to be followed will be those for a staff member. In the case of an administrator who has faculty status, the procedures to be followed will be based on whether the complaint concerns her/his conduct as an administrator or a faculty member, as determined jointly by the three complaint officers. In the case of students who also have part-time employment at the College (whether work-study employment or otherwise), the procedures to be followed will be based on whether the complaint concerns her/his conduct as a student or employee, as determined jointly by the three complaint officers.

Any student, faculty, or staff member who wants to learn more about reporting options, the complaint procedure and investigative process, support resources, or related information is encouraged to contact the Title IX Coordinator (909-607-2958) or go to: [www.pitzer.edu/about/title-ix/](http://www.pitzer.edu/about/title-ix/)
PROCEDURES IF A STUDENT IS THE RESPONDENT

Initial Assessment: Following the report of an incident or conduct that may be a violation of this policy, the Title IX Coordinator shall conduct an initial assessment of the report. The assessment shall include a preliminary interview of the reporting party and, if possible, the subject of the conduct if different. The assessment shall also include a determination by the Title IX Coordinator as to whether there is sufficient information that a violation of the policy may have occurred.

The Title IX Coordinator may, after speaking with the Complainant, determine that the conduct complained about would not constitute harassment, discrimination, or sexual misconduct and so inform the Complainant. The Title IX Coordinator may also determine that, although the conduct does not constitute harassment, discrimination, or sexual misconduct, if left unchecked it could develop into such conduct. In this case the Title IX Coordinator, after speaking with the complainant and weighing any request for confidentiality, may take appropriate steps to prevent such conduct from occurring. Finally, if the Title IX Coordinator determines that the alleged conduct may instead be a violation of the Code of Student Conduct, the Title IX Coordinator will forward the allegations to the Office of Student Affairs.

Individuals bringing reports of violations of this policy shall be informed about the range of possible outcomes of the report, including interim measures remedies for harmed individuals, and disciplinary actions that might be taken against the accused as a result of the report, including information about the procedures leading to such outcomes.

If the Complainant requests confidentiality or requests that the complaint not be pursued, the College will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality. However, such a request for confidentiality may limit the College’s ability to respond to the complaint. The College may also weigh the Complainant’s request for confidentiality against such factors as the seriousness of the alleged conduct, whether there have been other complaints of a similar nature against the same individual, the Respondent’s rights to receive information about allegations if the information is maintained by the school as an “education record” under the Family Educational Rights and Privacy Act (“FERPA”), and other factors otherwise required by applicable law.

The Title IX Coordinator will meet with the Respondent and provide the student(s) who is (are) being investigated or charged with access to the Discrimination, Harassment, and Sexual Misconduct Policies and Procedures. The respondent will be provided with information about the alleged violation(s) including the specific circumstances or behaviors alleged to have violated this policy. Any student against whom there might be a charge of a violation has all the rights enumerated in this policy.
**Interim Measures**: Interim measures are temporary measures taken by the College in response to a formal complaint of discrimination, harassment, and/or sexual misconduct in violation of these Policies. Interim measures shall take into account and balance an individual’s rights as well as the personal safety of the parties and witnesses and the safety of the College community. Interim measures will be assessed and provided as appropriate to both Complainants and Respondents. Interim measures can include individualized services offered as appropriate to either or both the reporting and responding parties prior to an investigation or while an investigation is pending. Examples of interim measures are counseling, extensions of time or other course-related adjustments, modifications of work or class schedules, campus escort services, restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of campus, and other similar accommodations or safety measures. Pitzer College will maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide accommodations or protective measures.

Because the measures needed by each student involved in a Title IX investigation or process may change over time, the Title IX Coordinator will communicate with each student throughout the investigation and any proceedings to ensure that any interim measures are necessary and effective based on each student’s evolving needs.

Interim measures may include geographical or social restrictions where necessary to protect the safety of the community or an individual party. In cases where there is credible information of an immediate risk or threat to an individual or the College community, interim measures may include removal from campus housing or interim suspension. In such cases of removal from campus housing or interim suspension, the student conduct process will occur as expeditiously as possible, and the restricted party has a right to appeal the interim restriction to the Vice President of Student Affairs.

Failure to comply with interim measures that impose a restriction on a party (such as no contact orders, geographical restrictions, etc.) is a violation of this Policy and may result in additional charges under this Policy.

**Resolution Options**: Potential options for resolution of a complaint include Alternate Resolution, as well as the formal Administrative Review and Judicial Council processes described below. No party is required to participate in any alternative resolution process with respect to any complaint, and mediation is not an available alternative resolution process for complaints that include allegations of sexual assault.

Where a report includes alleged violations of the Code of Student Conduct in addition to alleged violations of this Policy, The Title IX Coordinator in consultation with the Dean of Students will
determine whether the matters should be handled together under this policy or separately, taking into account how the allegations are related.

**Investigation Procedures** The Title IX Coordinator will assign the investigation to one or more trained investigators. Investigators are chosen from a pool of internal trained investigators and/or outside professionals with experience in conducting investigations. In cases with only internal investigators, two will be assigned. If the Complainant is a student, faculty member, or staff member from one of the other Claremont Colleges, the Title IX Coordinator shall assign the investigation to one or more outside investigators.

The investigator will conduct a thorough, impartial, and unbiased investigation. The Investigator(s) will provide the Investigation Report to the Title IX Coordinator who will review the Report. The Title IX Coordinator may refer back to the Investigator(s) any questions that the Title IX Coordinator has concerning the Report’s content and completeness. After the Investigator(s) successfully answer or resolve the Title IX Coordinator’s questions or concerns, if any, the Investigator(s) shall submit a final Report to the Title IX Coordinator. Upon receipt of the completed investigative report, the Title IX Coordinator will notify all parties that the investigation is complete and provide information about next steps in the process.

The Title IX coordinator, in consultation with the Dean of Students or designee, will review the investigative report and make a threshold determination as to whether the allegations, if proven, would provide sufficient information upon which a violation of this Policy could be found. If the Title IX coordinator determines that this threshold has been reached, the Dean of Students Office will issue a written notice of charge in order for a student conduct process to proceed. If the Title IX Coordinator determines that this threshold has not been reached, the complainant and respondent will be notified in writing.

**Resolution:** Both the respondent and the complainant have the right to have the charge heard by the Judicial Council. In cases where the potential sanction would not usually be suspension or expulsion, there is the choice of either an Administrative Review within the Dean of Students Office or a Judicial Council hearing. If both the respondent and the complainant agree to an Administrative Review and the Dean of Students or designee concurs, an Administrative Review is commenced. If not, the Dean of Students Office will forward the written charge to the Judicial Council. Once an administrative review is chosen; there is no longer the right to a hearing before Judicial Council for the same alleged violation(s).

*a. Administrative Review*

The review will include individual interview(s) with the respondent, the complainant, any witnesses and the review of the investigation report and other documentation or materials relevant to the case. Both the respondent and the complainant have the right to an advisor of their choosing, which may include an advisor who is not a member of the Claremont Colleges. Advisors may not serve as a representative for or speak for
the respondent or complainant; the sole responsibility of the advisor is to provide support and guidance to the student for whom they advise. The official who conducts the review will make a decision based on a preponderance of the evidence. That is, is it more likely than not that the respondent(s) is responsible for violating the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures.

i. Finding of Responsibility
When a student is found responsible for a violation through an Administrative Review, the Dean of Students Office may impose sanctions. The range of sanctions that may be imposed includes, but is not limited to: educational and/or restorative activities, loss of privileges, warning, conduct probation, residential adjustments, and restitution, but does not include expulsion or suspension from the College (See Section d.iii. for complete range of sanctions). The respondent and the complainant will be notified in writing of the results of the review. (See Section VII. E.). Both the respondent and the complainant have the right to appeal the finding and/or sanction(s). Grounds of appeal include violations of the student’s rights as set forth in Discrimination, Harassment, and Sexual Misconduct Policy and Procedures, insufficient or compelling new evidence, and/or severity of the sanction. The appeal must be made in writing and must be submitted to the Vice President of Student Affairs within five class days of written notification of the decision. The Vice President of Student Affairs will notify and provide a copy of the appeal to the other party within three class days upon receipt of an appeal. That party shall then have an opportunity to respond in writing to the appeal; any response must be submitted within five class days from receipt of the appeal.

ii. Admitted Violations
When the respondent admits to the charge and to responsibility for a violation of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures in the case of Administrative Review, the Dean of Students Office may impose sanctions. Both the respondent and the complainant can appeal to the Judicial Council for review of the appropriateness of the sanctions only. The appeal must be made in writing and must be submitted to the Dean of Students Office within five class days of written notification of the decision. The Dean of Students Office will notify and provide a copy of the appeal to the other party within three class days upon receipt of an appeal. That party shall then have an opportunity to respond in writing to the appeal; any response must be submitted within five class days from receipt of the appeal. The Dean
of Students Office will then forward any appeal and any response to the Judicial Council.

All appeal cases brought before and heard by the Judicial Council shall be final and not subject to further appeal.

b. Judicial Council
Cases in which the possible sanction could be suspension or expulsion from the College, cases in which Administrative Review was not agreed upon, and appeals of sanction in cases of admitted violations under Administrative Review will be referred to the Judicial Council by the Dean of Students Office.

i. Composition
The College Judicial Council shall consist of at least five student members, at least five faculty members, and at least five member of the staff. For a hearing panel, a quorum shall consist of five members, including at least one faculty member, one staff member, and one student member. Student members must be in good academic and disciplinary standing, not subject to recall (who shall be elected by the student body). Faculty members will be selected by the Faculty Executive Committee. Members of the staff will be selected by Staff Council Representatives in consultation with the Office of Student Affairs. As much as possible, faculty, staff, and student members should represent the diversity of the student population. To that effect Student Senate should make every effort to seek appropriate gender balance and ethnic and other forms of diversity in the slate of student candidates for Judicial Council. Similarly, faculty and staff members should be chosen with the goal of ensuring approximate gender balance and ethnic diversity. The Chair and Alternate Chair shall be elected from among the voting membership of the Council. If the Chair and Alternate Chair are unable to serve due to a conflict of interest, Judicial Council may elect an ad hoc Chair for the purposes of a particular hearing. A Dean from the Office of Student Affairs will sit with the Council as an advisor on process and to represent the views of the College. The Title IX Coordinator shall design and be responsible for providing ongoing comprehensive training, in consultation with appropriate professional external agencies, in sexual misconduct, hate crimes, and other relevant topics to members of the Judicial Council.

Continued on next page.
ii. **Pre-Hearing Procedures**
   - **Notification**
     Complaints of alleged violations that are being referred to Judicial Council for a hearing shall be written and delivered to the respondent, the complainant, and Judicial Council Chair by the Dean of Students Office. The copy to the respondent will constitute the student’s formal notification of the charge(s) against themselves and the intent to hold a Judicial Council hearing. This written notification will include the complaint(s) against the respondent; the specific policies and portions of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures the respondent has allegedly violated; the student’s rights as guaranteed in Article VII. Section 7.7. Pitzer College Bylaws; the nature of the information which will be presented against the student, as well as any written or recorded statements obtained during the investigation, and the sanctions which could be applied if the student were found in violation of this Policy.

iii. **Assembly Notice**
     Prior to the hearing, the respondent and the complainant will be notified of the names of those members of the Judicial Council who will be hearing the case. If either objects to any member or members of the board, the student may write to the Dean of Students requesting that those members be replaced. The letter must include an explanation for the objections. Removal from the hearing board will occur if and only if the Dean is convinced after investigating that absence of impartiality would result in an unfair hearing by allowing that member/those members of the Judicial Council to adjudicate the incident. Requests for removal shall not be revealed to members of the Judicial Council. If there are insufficient numbers of faculty or students to reach a quorum, the Dean of Faculty and the Dean of Students shall appoint an ad hoc replacement from among the faculty or students who have received Judicial Council training before the hearing.

iv. **Advisors**
     Both the respondent and the complainant have the right to an advisor of their choosing, which may include an advisor who is not a member of the Claremont Colleges. If the charges are serious enough that sanctions might result in suspension or expulsion from the College, the respondent is particularly advised to select an advisor to be present during the Judicial Council hearing. Advisors may not address the Judicial Council or pose
questions to any participants in the hearing process. The sole responsibility of
the advisor is to provide support and guidance to the student for whom they
have chosen to advise. Advisors may not, at any time during the hearing, serve
as a representative for or speak for the respondent or complainant.

v. **Scheduling**
With the assistance of the Dean of Students Office, the Judicial Council Chair
sets a date for the hearing. Under normal circumstances the hearing should be
scheduled for a date not fewer than five and no more than twenty-five class
days from the time the respondent was first formally notified of the charge(s)
against themselves. The Dean of Students Office shall inform both the
respondent and the complainant(s) of the time, place and date of the hearing.
It is the responsibility of each party to inform their respective advisors of this
information. The complainant(s) will have available to them all information
sent to the respondent by the Judicial Council Chair at the same time as the
respondent is notified.

vi. **Time Limit Exception**
Under extreme circumstances, either the respondent or the complainant may
request waiver of the time limit for a hearing in writing to the Judicial Council
Chair. A decision on the request will be made by the Judicial Council. All
parties will then be notified of the date, time and location of the rescheduled
hearing.

c. **Hearing Procedures**
   i. **Admissible Information**
      Judicial Council shall consider only information introduced at the hearing,
      before Council. Normally this will include a written statement from the
      complainant, from the respondent, and from any witnesses; it may also
      include responses to questions given during the hearing. Written statements
      will be considered only when the witness making the statement appears before
      the Judicial Council to answer questions about the statement. Character
      witnesses, if any, may state their knowledge of the character of the student for
      whom they are serving as a witness, and must refrain from comments on the
      character of other parties in the case.

   ii. **Hearing Attendance**
      The person(s) bringing the complaint and the respondent shall have the right
to be present during presentation of evidence and questioning of witnesses.
The respondent and complainant shall both have the right to be accompanied by an advisor of their choice.

- **Respondent**
  The respondent shall be informed of their rights and shall have an opportunity to speak and to present information on their own behalf. Should the respondent, having been properly notified of the date, time and place of the hearing, fail to appear at the time and place specified, the hearing shall proceed in the same manner as if the respondent were present, unless the Judicial Council decides by majority vote to postpone the hearing.

- **Complainant**
  The complainant shall be offered the opportunity to participate in the hearing without directly facing the respondent. If so requested, the Judicial Council Chair shall make appropriate arrangements. For example, the room may be partitioned so that the complainant and the respondent do not see each other, or arrangements may be made for the Complainant to participate by video conference or other means. The respondent and the complainant shall have the opportunity to hear the testimony, have questions asked of the other party during the hearing process, and to hear responses.

- **Judicial Council Matters**
  No member of Judicial Council shall join or rejoin deliberations after a hearing has begun. No member may be excused from a hearing once it has begun except for good cause and by a majority vote of the other members present, and then only if such action does not violate the quorum provisions. No member of Judicial Council who has not been present for the entire hearing shall participate in the decision or in subsequent discussion of sanctions.

- **Witnesses**
  Witnesses may participate in a hearing by physical presence, telephone conference, or video conference. Only one witness shall be allowed in a Judicial Council hearing at any one time. Advisors may also be called as a witness during a hearing. Witnesses, unless they are also serving as an advisor, may only be present during the hearing when they are
called to testify.

iii. **Disruptive Behavior**
No actions shall be taken in a Judicial Council hearing which would impede the orderly conduct of the hearing. Disruption of the Judicial Council is a violation of this Policy. The Chair may call for a recess of the hearing in the case of disruptive conduct, and the Chair may remove from the hearing witnesses, advisors, respondents, and complainants, for repeated disruptive behavior. The hearing may proceed if parties to the hearing are removed for repeated disruptive behavior.

iv. **General Hearing Process**
Normally, the hearing conforms to the following order of procedure:
- Presentation of the written charge from the Dean of Students Office, questions from Judicial Council members to the Dean of Students designee and/or the complainant(s) regarding the complaint.
- Statements of witnesses on behalf of the complainant(s); questions from Council members to the witnesses.
- Statement of the respondent; questions from Council members to the respondent.
- Statements of witnesses on behalf of the respondent; questions from Judicial Council members to the witnesses.
- At the option of the Council, a second round of questioning of the complainant(s) and any supporting witnesses a majority of the Council wishes to hear in rebuttal.
- At the option of the Council, a second round of questioning of the respondent and any supporting witnesses a majority of the Council wishes to hear in rebuttal.
- Close of the hearing.
- Deliberation. Judicial Council hearing deliberations shall be closed to all parties of the hearing and shall include only Council members participating in the present hearing and the Dean of Students staff representative.

v. **Recess**
The Chair may at any time recess a hearing to provide for gathering additional information or simply to provide a break in the hearing or deliberation. A recess may be called to suspend a hearing to resume at a later date.
vi. **Record Keeping**
A verbatim record (such as a digital recording) shall be made of every Judicial Council hearing for the purposes of appeal review only. This verbatim record shall be kept in the Dean of Students Office and shall remain confidential. The digital record shall be destroyed after the deadline for appeal has passed, or, after the final decision is made in the case of an appeal.

vii. **Questioning**
All questions during the hearing shall be asked by or to Judicial Council members. The purpose of the hearing is not to conduct a trial but to gain as full and fair an account as possible about the alleged violation and to determine whether a violation of this Policy has occurred. The respondent and the complainant(s) shall have the right to suggest questions to the Chair to be asked by Judicial Council members, but only Judicial Council members shall directly question the respondent, complainant, or the witnesses. The Chair, in consultation with the Judicial Council, may modify the question process to facilitate the proceedings. The Chair may exclude irrelevant and unduly repetitious information.

viii. **Closed Hearings**
The hearing shall be closed to the public and outside spectators.

d. **Decisions and Sanctions**
i. **Standard of Proof**
The decisions of the Judicial Council shall be based on a standard of a preponderance of the evidence. In other words, the Judicial Council must show that it is more likely than not that the student is responsible for the alleged misconduct.

ii. **Consideration of Information**
The decisions of the Judicial Council shall be based solely upon information introduced at the hearing before the Council. The direct statement of a witness, including the complainant, the alleged victim, and the respondent may be taken as evidence of any act. Statements made by any witness must be evaluated for bias, plausibility, credibility, and consistency along with other available information. Any relevant information may be admitted if it is the type on which reasonable persons are accustomed to rely in the conduct of serious affairs. Unruly, irrelevant or unduly repetitious information may be
ruled out of order by the Chair.

iii. **Sanctions**

If the Judicial Council finds that a violation of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures has occurred, Judicial Council will determine the appropriate sanctions.

The sanctions may include remedial or corrective actions as warranted. In determining appropriate sanctions when violations of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures are addressed, the College attempts to take an educational response. Students found responsible for misconduct under the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures are assigned educational sanctions appropriate to the situation. Sanctions are fashioned in such a manner that will redirect behavior that is incongruent with the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures, encourage responsible judgment and ethical reasoning, protect the community’s rights and property, and discourage similar misconduct as deemed appropriate based upon the nature of the violation. The following list of sanctions is illustrative rather than exhaustive, and the College reserves the right to impose other sanctions or to combine sanctions as it deems appropriate:

- **Warning**—A written notification that a violation of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures occurred and that any further responsible finding of misconduct may result in more severe disciplinary action. Warnings are for a designated period of time, typically one calendar year. Warnings are recorded for internal purposes. A student who receives a warning is still considered in good standing at the College, with the warning being disclosed only with the student’s written consent.

- **Conduct Probation**—A written notification that indicates a serious and active response to a violation of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures Probation is for a designated period of time and includes the probability of more severe sanctions, including suspension or expulsion from the College, if found responsible for additional violations of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures or Code of Student Conduct.
• Educational and/or Restorative Activities — Imposition of one or more restorative remedies to encourage a Respondent to develop insight about the prohibited conduct, learn about the impact of that prohibited conduct on the Complainant and the College community, and identify how to prevent that prohibited conduct in the future. This may include community service, mandatory participation in training, education and/or prevention programs related to the prohibited conduct, and/or educational program engagement regarding relevant behavior such as substance use.

• Loss of privileges—Denial of the use of certain College facilities or the right to participate in certain activities, events, and programs or to exercise certain privileges for a designated period of time. This includes contact restrictions, access to certain areas of campus, and College sponsored events.

• Residential Adjustments—Relocation or removal from campus residence halls for a specified period of time. This can include room reassignment, restrictions on access to specific halls, and removal of a student from all College operated housing. The College may take such action for remedial rather than disciplinary purposes.

• College Suspension—The separation of a student from the College for a specified period of time, after which the student is eligible to return. Conditions for re-enrollment may be required and will be included in the notification of suspension.

During the period of suspension, the student may not participate in College academic, co-curricular or extracurricular activities and may be barred from all property owned jointly or individually by any of The Claremont Colleges. Students who are suspended may not be on campus without specific, written permission of the Dean of Students.

Suspension is for a designated period of time and includes the probability of more severe sanctions, including expulsion, if found responsible for additional violations of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures or Code of Student Conduct. A Student Affairs hold is placed on the student’s record during the period of suspension. The hold will be lifted once the period of suspension has expired and the Dean of Students has confirmed that other conditions of sanctions
have been met. When the hold is lifted, the complainant and respondent will be notified by the Title IX Coordinator.

- **Expulsion**—Expulsion is the permanent separation of the student from the College. Students who have been expelled may not be on campus without specific, written permission from the Dean of Students.

In considering the appropriate sanction(s), Judicial Council should be guided by a number of considerations, including:

1. the severity, persistence or pervasiveness of the prohibited conduct;
2. the respondent’s prior discipline history including any prior determination of responsibility for the same or similar conduct;
3. how the College has sanctioned similar incidents in the past;
4. the nature and violence (if applicable) of the conduct at issue;
5. the impact of the conduct on the complainant, and their desired sanctions, if known;
6. the impact of the conduct on the community, its members, or its property;
7. whether the respondent has accepted responsibility;
8. whether the respondent is reasonably likely to engage in the conduct in the future;
9. The maintenance of a safe, nondiscriminatory and respectful environment conducive to learning; and
10. any other mitigating or aggravating circumstances, including the College’s core values.

Judicial Council should also consider other remedial actions that may be taken to address and resolve any incident of discrimination or harassment and to prevent the recurrence of any discrimination, including strategies to protect the complainant and any witnesses from retaliation; other steps to address any impact on the complainant, any witnesses, and the broader student body; and any other necessary steps reasonably calculated to prevent future occurrences of harassment.

At this phase of deliberation only, the Office of Student Affairs will provide the Council with historical information on the past conduct record of the respondent and the history of sanctions in similar cases. No information regarding prior disciplinary action (with the exceptions noted in VII.E of this policy may be disclosed by the Dean of Students or designee during a hearing
process, until and if the Council makes a decision that the student violated College policy.

i. **Voting**
The decisions of the Judicial Council and its imposition of sanctions shall be reached in closed session by a majority vote. The Chair shall vote only in case of a tie.

ii. **Notification of Decision**
The respondent shall be notified in writing, within five class days following the hearing, of the Judicial Council’s decision and recommended sanctions, if any. Written notification shall include a summary of the reasons for the decision, an explanation of any sanctions imposed, and notification of appeal options. In cases of sexual misconduct, the complainant will be provided a copy simultaneously of the same. In cases of sexual harassment other than sexual misconduct and harassment or discrimination that is not based on gender, the complainant will be notified of the outcome and any sanctions that directly relate to the complainant. Furthermore, the College will offer counseling services and academic support to all parties involved.

iii. **Completion of Sanction**
When a sanction requires a period of time for completion, the deadline for completion shall be specified. The respondent must report to a designee of the Dean of Students when the student has completed the sanction. The case is not complete until the sanction has been completed and cleared by the Dean of Students Office. The Judicial Council will not monitor or reconsider a sanction once it is imposed. Failure to complete required sanctions is a violation of this Policy and may result in additional sanctions under this Policy.

e. **Appeals Procedure**
All appeal cases brought before and heard by the Judicial Council shall be final and not subject to appeal. Cases heard by the Judicial Council that are not appeal cases, and Administrative Review cases with a finding on responsibility, are subject to the following appeal procedures. On specific grounds, both the respondent and complainant may appeal the determination of responsibility or sanctions(s). Appeals must be made in writing and must be submitted to the Vice President of Student Affairs within five class days of written notification to the student of the Judicial Council’s decision. The Vice President of Student Affairs will notify and provide a
copy of the appeal to the other party within three class days upon receipt of an appeal. That party shall then have an opportunity to respond in writing to the appeal; any response must be submitted within five class days from receipt of the appeal.

i. **Grounds of Appeal**

Grounds of appeal include violations of the student’s rights as set forth in this Policy, insufficient or compelling new evidence, and/or severity of the sanction.

ii. **Determinations**

The appeal consideration will be conducted in an impartial manner by the Vice President for Student Affairs and the Associate Dean of Faculty with the responsibility for diversity in Academic Affairs. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing, copies of documents submitted during the hearing, and the written appeal and written response (if any). Review of these materials shall be for one or more of the following purposes:

- **New Evidence**
  To consider whether there is sufficient new evidence that could affect the finding of the hearing and that was unavailable and could not have been made available through the appellant’s diligent efforts at the time of the original hearing.

- **Fairness**
  To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, was in conformity with prescribed procedures, and gave the complainant a reasonable opportunity to prepare and present evidence that a violation occurred and the respondent reasonable opportunity to prepare and present a rebuttal of these allegations.

- **Sufficient Evidence**
  To determine whether the decision reached regarding the charged student was based on a preponderance of the evidence.

- **Appropriateness of Sanctions**
  To determine whether the sanction(s) imposed was appropriate for the violation.
The Vice President of Student Affairs and the Associate Dean of Faculty shall confer in making a decision on appeal. In order to modify a decision, modify sanctions, or return the case to Judicial Council, the Vice President of Student Affairs and the Associate Dean of Faculty must concur. If not, the original decision and sanction(s) stands.

In the case of new evidence, they can return the case to Judicial Council to assess the weight and effect of the new information and render a determination after considering the new facts.

In the case of procedural error that materially affected the outcome of the hearing (related to Fairness or Sufficient Evidence above), the Vice President of Student Affairs and the Associate Dean of Faculty will return the case to Judicial Council for additional review or forward the case for a new hearing, which may be heard by an alternate hearing panel if they find that to be appropriate.

iii. Decision Notification
No more than ten class days from the date the response is submitted or the final date for submission of the response (whichever is earlier), the Vice President of Student Affairs shall communicate the decision on the appeal to the respondent, the complainant, and the Judicial Council Chair. If the imposed sanction is modified in any way, the Vice President of Student Affairs shall communicate that fact and the reasons for making such a modification to the respondent, the complainant, and the Judicial Council Chair, the decision on the appeal shall be final.

f. Confidentiality
All information pertaining to investigations and hearing proceedings is confidential and shall comply with the Family Educational Rights and Privacy Act.

g. Community Notification
Within five class days after completion of a judicial hearing and appeal (if any), the Judicial Council may publicly inform the Pitzer community (and, in cases involving complainants from the other Claremont Colleges, the home colleges of said complainants) of its decision, sanctions imposed, and the action on appeal (if any). In cases in which the respondent has been found in violation of the Discrimination, Harassment, and Sexual Misconduct Policy and Procedures, publicity (including the name of the student) shall be at the discretion of the President. In cases in which the
respondent was found not to have violated the code, such publicity shall be at the discretion of the respondent.

h. Records of Disciplinary Action
1. Records of Judicial Council decisions and sanctions shall become part of the student’s disciplinary files (those maintained in the Dean of Students Office) and shall be kept for a period of seven (7) years after the student’s graduation or separation from the College.
2. Judicial Council proceedings shall continue against an accused student if the student withdraws from the College after being notified of a conduct complaint.
3. No student shall be graduated while a complaint brought against the student is pending before Judicial Council. No student shall be graduated without first fulfilling the terms of a disciplinary sanction.
4. The Dean of Students Office shall be responsible for enforcing disciplinary sanctions.
5. Any student on whom a sanction has been imposed may include in their student record a written response concerning the decision and sanction.
6. Notification of expulsion from the College for disciplinary reasons will be noted on the academic transcript.

PROCEDURES IF A FACULTY MEMBER IS THE RESPONDENT

Upon receipt of a complaint, the Complaint Officer will consult with the Complainant. If the Complainant requests confidentiality or requests that the complaint not be pursued, the College will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality. However, such a request for confidentiality may limit the College’s ability to respond to the complaint. The College may also weigh the Complainant’s request for confidentiality against such factors as the seriousness of the alleged conduct, whether there have been other complaints of a similar nature against the same individual, the Respondent’s rights to receive information about allegations if the information is maintained by the school as an “education record” under the Family Educational Rights and Privacy Act (“FERPA”), and other factors otherwise required by applicable law. The College thus may decide to begin an investigation despite a request from the Complainant not to pursue the complaint, in cases where either issues of campus safety, or independent legal obligations to investigate or to protect the rights of other members of the community, pertain. The investigators (collectively the “Investigators”) will meet with the Complainant to review the complaint, related policies, and these complaint procedures. The Investigators will also identify support resources and interventions or interim measures available to the Complainant.

1. Complaints of Sexual Harassment: The Title IX Coordinator shall be advised of any complaints of Sexual Harassment received by Complaint Officers. The Title IX
Coordinator will, with the advice and consent of FEC, select three faculty investigators from the pool of trained investigators.

2. **Complaints of Harassment and Discrimination, other than Sexual Harassment**: the Complaint Officer will consult with both the Title IX Coordinator and FEC, and will, with the consent of FEC, select three faculty investigators from the pool of trained investigators. The investigators (collectively the “Investigators”) will meet with the Complainant to review the complaint, related policies, and these complaint procedures. The Investigators will also identify support resources and interventions or interim measures available to the Complainant.

a. The Complaint Officer may, after speaking with Complainant, determine that the conduct complained about clearly does not constitute harassment or discrimination and so inform the Complainant. The Complaint Officer may also determine that although the conduct does not constitute harassment or discrimination, if left unchecked it could develop into harassment or discrimination. In this case the Complaint Officer will speak with the individual(s) engaging in this conduct and/or take other steps to prevent such harassment or discrimination from occurring. In either case, FEC will be informed, in writing, of the judgment of the Complaint Officer, and FEC will make the final determination in regard to any remedies for conduct that is judged by the Complaint Officer to not have been harassment or discrimination.

3. The pool of trained investigators will include six faculty members jointly appointed by the Dean of Faculty and FEC. Faculty who enter the pool will remain in the pool for up to five years or until they serve on a case. Faculty will temporarily leave the pool when they take a leave from the College, whether a sabbatical leave or an unpaid leave. Faculty will not serve as investigators for a case between graduation and August 15 without financial compensation commensurate with the time required of them in this time period.

4. The Complainant and Respondent will each have the opportunity to dismiss at least one of the investigators, and can submit, to FEC, reasons for dismissing more than one. If FEC finds the case for dismissing more investigators compelling, and insufficient investigators are available in the pool, the Dean and FEC will add faculty to the pool, providing them the training they need on a timely basis.

5. Every complaint will be investigated promptly and thoroughly. In conducting an investigation, the Investigators will be sensitive to the possibility of retaliation by the Respondent as the result of the initiation of an investigation. The Investigators will conduct interviews as needed with all appropriate individuals, including the Complainant and Respondent, and will gather any pertinent evidentiary materials.
6. The Investigators will normally complete their investigation within 60 calendar days, except in instances where there are a great number of witnesses, the investigation commences in close proximity to a holiday, break, or the end of an academic term, or other circumstances compel a longer timeframe for the investigation. After concluding their investigation, the Investigators will write an Investigation Report summarizing witnesses interviewed, evidentiary materials gathered, determination concerning any potential violations of College policies, and recommendations for remedies.

7. For all Sexual Harassment complaints, the Investigators will submit for review the Investigation Report to the Title IX Coordinator and the Vice President for Academic Affairs. For all other complaints, the Investigators will submit for review the Investigation Report to the Assistant Vice President of Human Resources and the Vice President for Academic Affairs. The Title IX Coordinator/Assistant Vice President of Human Resources or Vice President for Academic Affairs may refer back to the Investigators any questions concerning the report’s contents or conclusions. After the Investigators successfully answer or resolve pertinent questions or concerns, or if the area Vice President agrees with the Investigators’ conclusions, the Vice President for Academic Affairs will prepare a Statement of Alleged Violation which will summarize if the alleged conduct did or did not occur and if the Respondent is or is not responsible for violating College policy. The Vice President for Academic Affairs will also propose the remedies and/or sanctions to be imposed and include them in the Statement of Alleged Violation.

8. The Vice President of Academic Affairs will meet with the Complainant and Respondent, separately, to discuss the content of the Statement of Alleged Violation, and to provide them with copies of the document along with copies of the Investigators’ report. The Vice President will be responsible for redacting, or providing summaries of portions of the report, to the extent needed to maintain the identity of witnesses in regard to specific testimony, to the extent that is not otherwise publically visible; any such alterations will be the minimum needed to preclude the identification of a witness. To protect the integrity of the investigation and potential hearing process, these documents should be kept confidential by the parties involved and not shared with witnesses or persons not involved in the matter. However, complainants and respondents are not prohibited from sharing these documents with family, counsel, or a support person/advisor as defined in paragraph [insert], below. Neither the Complainant nor the Respondent are required to meet with the Vice President of Academic Affairs, and may decline to do so.

9. The Complainant and Respondent have the opportunity to respond, in writing, to the Statement of Alleged Violation within a set time period. The parties will have ten (10) business days after meeting with the Vice President of Academic Affairs, or after the Statement is provided in instances where they decline to meet with the Vice President of
Academic Affairs, to submit a written response to both the Vice President of Academic Affairs and Title IX Coordinator.

10. After that period of 10 business days, all of the relevant documents will be forwarded to FEC. FEC will then determine which aspects of the Statement of Alleged Violation, inclusive of the proposed remedies and/or sanctions

11. Either the Complainant or Respondent may appeal adverse rulings of FEC to the President, based on one of two reasons: improper procedural issues or new evidence (defined in section IV. D). Sanction(s) or other interim measures may be imposed pending the outcome of any appeal filed as well as during the ten (10) day period in which an appeal may be filed. The Title IX Coordinator and Assistant Vice President of Human Resources will be notified by the President of any such response.

12. **President’s Actions on Appeal**
   a. If a determination is made by the President that an appeal is warranted due to “improper procedural issues,” then the initial investigative panel will be dismissed and a new one will be convened.
   b. If a determination is made by the President than an appeal is warranted due to “new evidence,” then the case will be returned to the initial investigative panel for further investigation, building on the initial investigation as appropriate.

13. **Interim Measures:** The College may take interim measures deemed necessary in response to an allegation in order to protect an individual’s rights and personal safety and the safety of the College community. All such interim measures against a faculty member will be proposed to FEC, which will determine whether to implement them before they began, except in cases in which the President and Vice President for Academic Affairs determine that there is a clear and present danger to safety of community members or an immediate need to protect an individual’s rights. In cases, where the President and Vice President for Academic Affairs act without prior approval of FEC, they will refer their decisions to FEC, within one week, for FEC to review and either confirm, modify, or overturn.

Such measures include, but are not limited to, an interim suspension (immediate, temporary suspension pending the outcome of complaint process), a no contact order (an order that an individual refrain from direct or indirect contact with another person or persons), restrictions on access to campus or areas of campus, and/or appropriate changes in academic schedule. Interim measures may include reporting the matter to the local police. Failure by the Respondent to adhere to the parameters of any interim measure is a violation of College policy and may lead to additional disciplinary action.

Such interim measures may be imposed:
• In instances where it is determined that the Respondent poses a potential threat to another;
• To ensure the safety and well-being of members of the College community and/or preservation of College property;
• To ensure the Respondent’s own physical or emotional safety and well-being; or
• If the Respondent poses a threat of disruption or interference with the normal operations of the College.

14. **Support Person/Advisor:** The Complainant and Respondent may each have a support person present with them at all meetings and any hearing associated with a complaint and in which the respective individual is participating. The support person must be a current member of the Claremont Colleges community and shall not have involvement in the underlying case. The support person may attend, but shall not participate in, meetings or the hearing. Because this is an administrative process, legal counsel will not be permitted, except when required by applicable law. In such cases an attorney will only be permitted in a non-participatory advisory role for the Complainant and/or Respondent at that individual’s expense.

**PROCEDURES IF A STAFF MEMBER OR THIRD PARTY IS A RESPONDENT**

1. Upon receipt of a complaint, the Complaint Officer will consult with the Complainant. If the Complainant requests confidentiality or requests that the complaint not be pursued, the College will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality. However, such a request for confidentiality may limit the College’s ability to respond to the complaint. The College may also weigh the Complainant’s request for confidentiality against such factors as the seriousness of the alleged conduct, whether there have been other complaints of a similar nature against the same individual, the Respondent’s rights to receive information about allegations if the information is maintained by the school as an “education record” under the Family Educational Rights and Privacy Act (“FERPA”), and other factors otherwise required by applicable law. The investigators (collectively the “Investigators”) will meet with the Complainant to review the complaint, related policies, and these complaint procedures. The Investigators will also identify support resources and interventions or interim measures available to the Complainant.

a. **Complaints of Sexual Harassment:** The Title IX Coordinator and the Assistant Vice President of Human Resources shall be advised of any complaints of Sexual Harassment received by Complaint Officers. The Title IX Coordinator will select two investigators from a pool of trained investigators.
b. **Complaints of Harassment and Discrimination, other than Sexual Harassment:**
The Title IX Coordinator and the Assistant Vice President of Human Resources shall be advised of any complaints of Harassment and Discrimination, other than Sexual Harassment. The Complaint Officer will consult with the Title IX Coordinator regarding the selection of the appropriate investigators. The investigators (collectively the “Investigators”) will meet with the Complainant to review the complaint, related policies, and these complaint procedures. The Investigators will also identify support resources and interventions or interim measures available to the Complainant.

i. The Complaint Officer may, after speaking with Complainant, determine that the conduct complained about does not constitute harassment, discrimination, or retaliation and so inform the Complainant. The Complaint Officer may also determine that although the conduct does not constitute harassment, discrimination, or retaliation, if left unchecked it could develop into such conduct. In this case the Complaint Officer will speak with the individual(s) engaging in this conduct and/or take other steps to prevent such harassment or discrimination from occurring and may be remanded to the area Vice President and Human Resources for disciplinary action.

c. The pool of Investigators will include:
   
i. Two Staff members from the Human Resources Office
   
ii. Two staff members from the Office of the Dean of Faculty
   
iii. One staff member from STR
   
iv. Two staff members from the Office of Student Affairs

2. Every complaint will be investigated promptly and thoroughly. In conducting an investigation, the Investigators will be sensitive to the possibility of retaliation by the Respondent as the result of the initiation of an investigation. The Investigators will conduct interviews as needed with all appropriate individuals, including the Complainant and Respondent, and will gather any pertinent evidentiary materials.

3. The Investigators will normally complete their investigation within 60 calendar days, except in instances where there are a large number of witnesses, the investigation commences in close proximity to a holiday, break, or the end of an academic term, or other circumstances compel a longer timeframe for the investigation. After concluding their investigation, the Investigators will write an Investigation Report summarizing witnesses interviewed, evidentiary materials gathered, determination concerning any potential violations of College policies, and recommendations for remedies.
4. For all Sexual Harassment complaints, the Investigators will submit for review the Investigation Report to the Title IX Coordinator and the Vice President corresponding to the Respondent’s area. For all other complaints, the Investigators will submit for review the Investigation Report to the Assistant Vice President of Human Resources and the Vice President corresponding to the Respondent’s area. If the Vice President is the subject of the complaint, the Title IX Coordinator and Assistant Vice President of Human Resources will appoint a Vice President from a different office to perform these duties. The Title IX Coordinator/Assistant Vice President of Human Resources or Vice President may refer back to the Investigators any questions concerning the report’s contents or conclusions. After the Investigators successfully answer or resolve pertinent questions or concerns, or if the area Vice President agrees with the Investigators’ conclusions, the area Vice President will prepare a Statement of Alleged Violation which will summarize if the alleged conduct did or did not occur and if the Respondent is or is not responsible for violating College policy. The Vice President will determine the remedies and/or sanctions to be imposed and include them in the Statement of Alleged Violation.

5. The area Vice President will meet with the Complainant and Respondent, separately, to discuss the content of the Statement of Alleged Violation, and to provide them with copies of the document along with copies of the Investigators’ report. To protect the integrity of the investigation and potential hearing process, these documents should be kept confidential by the parties involved and not shared with witnesses or persons not involved in the matter. However, Complainants and respondents are not prohibited from sharing these documents with family, counsel, or a support person/advisor as defined in section 10 below. Neither the Complainant nor the Respondent are required to meet with the Vice President, and may decline to do so.

6. The Complainant and Respondent have the opportunity to respond, in writing, to the Statement of Alleged Violation within a set time period. The parties will have ten (10) business days after meeting with the area Vice President, or after the Statement is provided in instances where they decline to meet with the area Vice President, to submit a written response to both the area Vice President and Title IX Coordinator. If the written response is a request for an appeal of the determination, it must be forwarded within the same ten (10) day period to both the President and Title IX Coordinator. The ten (10) day period may be extended if the delivery of the Statement occurs in close proximity to a holiday, break, or the end of an academic term, or if exigent circumstances interfere with a party’s ability to complete their response.

7. Either the Complainant or Respondent may appeal an adverse decision of the appropriate Vice President to the President of the College based on the two reasons: improper procedural issues or new evidence (defined in Reason for Appeals section below). Sanction(s) or other interim measures may be implemented pending the outcome of any appeal filed. The Title IX Coordinator/Assistant Vice President of Human Resources will be notified by the area Vice
President of any such response.

a. For any complaints that are not considered Harassment, Discrimination, and/or Retaliation, staff will follow the Appeal of Disciplinary Action Policy (available on the Human Resources webpage or through the Human Resources office).

8. **Hearing Panel (Appeals Only)**
   a. If a determination has been made by the President that the appeal meets the criteria defined above, a three-person Hearing Panel will be convened by the President from a pool of available panelists within seven (7) business days from the receipt of the request for appeal. All members of the Hearing Panel will receive training on an annual basis at the beginning of each academic year. The composition of the Hearing Panel will be appointed by the President from the following pool and will be based on the status of the Complainant and the Respondent. The Hearing Panel pool will consist of:
   
   i. A staff member appointed by the Staff Council Representatives;
   ii. Up to three members of the investigator pool who were not involved in the investigation of the Complainant’s claim
   iii. A student appointee from Judicial Council, in cases where a student is the Complainant
   iv. A member of the faculty appointed by the Faculty Executive Committee, in cases where a member of the faculty is the Complainant
   v. A student Complainant and/or Respondent may request that a student be placed on the panel. A Complaint Officer not involved in the initial investigation shall chair hearings before the Hearing Panel, but shall not vote. The Title IX Coordinator will serve as a non-voting advisor to the Chair.

b. The Complainant and Respondent will be informed of the composition of the panel and have the opportunity to request and/or challenge the student member (as discussed above). The Complainant and Respondent may also indicate at this point if they think any members of the panel have a conflict of interest. A conflict of interest occurs where an individual’s personal objectives or interests are at odds with their judicial responsibilities. For example, if a member has also served as an advisor for a party to a complaint or has a close personal relationship with one of the parties, there may be a conflict of interest. The Chair will make the final determination as to whether or not such a conflict of interest exists, and may consult with the Title IX Coordinator in making its determination. Individuals removed from the panel as a result of a challenge based on an allegation of a conflict of interest will be replaced by another member of
the pool by the President.

c. The Hearing Panel will review the Investigators’ Report, the Statement of Alleged Policy Violation, and the request for an appeal within ten (10) days of their selection to the Hearing Panel. The Hearing Panel may refer back to the Investigators or the area Vice President any questions concerning the contents or conclusions of the investigation materials or may ask additional questions of the Complainant and/or Respondent as part of the hearing.

i. If the panel determines that "new" evidence that did not come to light during the investigation has been presented during the hearing, the panel may adjourn the hearing for a period that the panel deems appropriate to enable the Complainant and/or Respondent to respond to such evidence. Evidence is considered "new" only if the panel believes the evidence is relevant and important and could not with a reasonable effort have been discovered earlier by the party.

d. An appeal is not intended to be a new investigation of the complaint. In most cases, an appeal is confined to a review of the written documentation and/or record of the investigation and pertinent documentation regarding the grounds for appeal. In the cases where additional questioning is needed, the hearings will be closed, except to the Respondents and Claimants, and the attendance of lawyers will not be permitted. Both the Respondent and the Claimant may have an advisor/support person from within the Claremont Colleges community, approved by the panel, at the hearing. The advisor may consult with the party but may not address the hearing panel. Once the hearings have ended and the process of deliberation has begun, meetings of the panel will be closed to all but panel members and the Title IX Coordinator. All proceedings will be confidential and will not be discussed outside the process. Any witnesses and advisors must keep the hearing proceedings strictly confidential. To protect the integrity of the investigation and hearing process, the parties should also keep the hearing proceedings confidential. However, Complainants and Respondents are not prohibited from sharing details of the hearing proceedings with family, counsel, advisor/support person, or other advisors of their choosing. The Hearing Panel may only find responsibility for claims or pieces of claims that appear on the Statement of Alleged Policy Violations prepared by the Area Vice President.

e. The Hearing Panel will prepare a Final Determination Report and submit it to the President within ten (10) business days of completing deliberations. The determination of the Hearing Panel will be the College’s final and binding document for the resolution
of the complaint.

f. The President will meet with the Complainant and Respondent, separately, within ten (10) business days of receiving the Final Determination Report from the Hearing Panel, to communicate the final determination of the College. Neither the Complainant nor the Respondent are required to meet with the President and may decline to do so. The area Vice President will proceed with enacting or retracting any remedies and/or sanctions identified in the Final Determination Report immediately following the meetings with the President or within five (5) days if either the Complainant or Respondent refuses to meet.

9. **Interim Measures** The College may take whatever measures are deemed necessary in response to an allegation in order to protect an individual’s rights and personal safety and the safety of the College community. Such measures include, but are not limited to, an interim suspension (immediate, temporary suspension pending the outcome of complaint process), a no contact order (an order that an individual refrain from direct or indirect contact with another person or persons), restrictions on access to campus or areas of campus, and/or appropriate changes in academic schedule. Interim measures may include reporting the matter to the local police. Failure by the Respondent to adhere to the parameters of any interim measure is a violation of College policy and may lead to additional disciplinary action.

   a. Such interim measures may be imposed:

   i. In instances where it is determined that the Respondent poses a potential threat to another;

   ii. To ensure the safety and well-being of members of the college community and/or preservation of College property;

   iii. To ensure the Respondent’s own physical or emotional safety and well-being; or

   iv. If the Respondent poses a threat of disruption or interference with the normal operations of the College.

10. **Support Person/Advisor:** The Complainant and Respondent may each have a support person present with them at all meetings and any hearing associated with a complaint and in which the respective individual is participating. The support person must be a current member of the Claremont Colleges community and shall not have involvement in the underlying case. The support person may attend, but shall not participate in, meetings or the hearing. Because this is an administrative process, legal counsel will not be permitted, except when required by applicable law. In such cases an attorney will only be permitted in a non-participatory advisory role for the Complainant and/or Respondent at that individual’s expense.
REASON FOR POSSIBLE APPEAL

A. From Decisions of the Appropriate Vice President Concerning Cases of Harassment, including Sexual Harassment, Discrimination and Retaliation

Either the Complainant or Respondent may appeal an adverse ruling of the appropriate Vice President to the President of the College. An appeal is not intended to be a new investigation of the complaint. In most cases, an appeal is confined to a review of the written documentation and/or record of the investigation and pertinent documentation regarding the grounds for appeal. An appeal is not an opportunity for the President to substitute their judgment for that of the Investigators or the appropriate Vice President merely because the President disagrees with the finding and/or sanction(s). Appeal decisions are to be deferential to the Investigators, and the Vice Presidents, making changes to the finding only where there is clear error and to the sanction only if there is a compelling justification to do so.

Complaints that are not considered Harassment and/or Discrimination (as defined in section 1.b.1), staff will follow the Appeal of Disciplinary Action Policy.

Written notice of intention to appeal and written reasons for the appeal shall be provided within ten (10) business days of the Vice President’s decision.

The decisions made by an appropriate Vice President are generally final. Appeal of the decisions may be made on only two grounds. Either or both may be cited in the appeal.

1. **Improper Judicial Procedure.** The party may appeal if the procedures outlined in the Discrimination and Harassment policies are violated. The President shall consider:
   a. Whether provisions of the policies were violated in such a clear manner as to deny the respondent consideration of their position during the hearing.
   b. Whether the panel, through negligence or lack of impartiality, overlooked or flagrantly ignored information which would have led to a different finding concerning the alleged violation of the Discrimination and Harassment policies.

   If the President accepts an appeal made on the grounds of improper judicial procedure, the President shall order the creation of a new hearing panel. The President may provide specific directives or explanations for the guidance of the hearing panel.

2. **New Evidence.** During the standard hearing process, sufficient time is allowed to gather all available evidence. However, in extraordinary circumstances a party may appeal if new evidence becomes available. The President must consider:
   a. Whether the evidence was genuinely unavailable and could not have been made available through the appellant’s diligent efforts at the time of the original hearing; and
b. Whether the evidence would have led to a different conclusion had it been available.
   If the President answers in the affirmative to both of these questions, the President
   will grant the appeal and send the case to a hearing panel for reconsideration, and
   may provide specific directions or explanations for the guidance of the hearing panel.

In certain extraordinary circumstances and in consultation with the appropriate Vice President,
the Title IX Coordinator may request the President to review a case on the grounds of fairness
and precedent. If such an appeal is granted, the case shall be heard by a hearing panel.

Written notice of any appeal decision shall be provided to both parties, the Title IX
Coordinator/Assistant Vice President of Human Resources, and the appropriate Vice President,
normally within 30 days after the appeal request has been submitted by a party, unless
unforeseen events or unusual circumstances compel a longer review period. Sanction(s) or
other interim measures may be implemented pending the outcome of any appeal filed. The
Hearing Panel’s decisions concerning all appeals are final.

Sanction(s) or other interim measures may be implemented pending the outcome of any appeal
filed. A request may be made to the President for special consideration in exigent
circumstances, but the presumptive stance of Pitzer College is that the sanctions will stand. In
cases where the appeal results in reinstatement to the College or of privileges, all reasonable
attempts will be made to restore the individual to their prior status, recognizing that some
opportunities lost may be irretrievable.

V. Appointment and Duties of a College Complaint Officer

The office responsible for the category of the Respondent (i.e. student, faculty, or staff) normally
will be in charge of the investigation. It will be the responsibility of each Complaint Officer to:

a. Administer and conduct discrimination and harassment investigations (not involving
   allegations of sexual misconduct) pursuant to this policy;

b. Maintain and monitor confidential records relating to complaints brought under this
   policy;

c. Initiate formal or informal resolution procedures as appropriate.

The Complaint Officers shall also have the authority to:

a. Coordinate with the other Complaint Officers an on-going, campus-wide educational
   program designed to help all members of the Pitzer College community understand,
   prevent, and combat harassment and discrimination;

b. Oversee the dissemination of this policy;

c. Suggest training courses and seminars as part of the informal resolution process;

d. Initiate follow-up with respect to cases that have been resolved; and
e. Provide annual reports to the President and to the whole Pitzer College community on efforts against harassment and discrimination at the College.

VI. Record Retention

Records of investigations and hearings are maintained by the College as indicated below.

1. **Students**: For Complainants and Respondents, who are students, the records will be maintained for five (5) years past the student’s graduation or if the student leaves the College before graduation, for five (5) years past their original expected graduation date.

2. **Faculty or Staff**: For Complainants and Respondents who are faculty or staff, the records will be maintained for five (5) years past the conclusion of the investigation and any hearing, or the end of employment with the College, whichever of these is later.

VII. Special Provisions

A. **Attempted Violations**: In most circumstances, the College will treat attempted conduct as if that conduct had been completed.

B. **College as Complainant**: As necessary, the College reserves the right to initiate a complaint, to serve as Complainant, and to initiate complaint proceedings without a formal complaint by the subject of the alleged misconduct.

C. **Alcohol and substance use**: The use of alcohol or other drugs will never function as a defense for any behavior that violates College policy.

D. **Past Sexual History**: The past sexual history of a party will generally not be admissible by the other party in an investigation or hearing unless such information is determined to be highly relevant by the Title IX Coordinator. If the party believes the past sexual history of the other party is relevant to the investigation and/or hearing they must submit a written request to the Title IX Coordinator explaining the nature of the information and why the information is relevant to the investigation and/or hearing. The Title IX Coordinator will review the request and render a decision within two (2) business days.

E. **Respondent’s Prior Conduct History**: Any previous College policy violation(s) by the Respondent are generally not admissible as relevant evidence about the present allegation. However, the Title IX Coordinator or Complaint Officer may supply information about previous behavior and/or complaints to the Investigator(s), and appropriate hearing officers or panels:

   1. The Respondent was previously found to be responsible for a similar violation; or
   2. The information indicates a pattern of behavior by the Respondent and substantial conformity with the present allegation.
However, a Respondent’s prior conduct will be taken into consideration by the appropriate Vice President, President and a panel (when applicable) when determining what sanction(s) to recommend or impose.

VIII. Rights of Parties Involved in a Proceeding Under These Policies

A. Complainants are afforded the following rights:
   1. To be treated with respect, dignity, and sensitivity throughout the process.
   2. To seek support services from the College, including those provided by Monsour Counseling and Psychological Services.
   3. For student Complainants, to confidentiality and protection under the Family Education Rights and Privacy Act (FERPA). For all Complainants, the College will make all reasonable efforts to ensure the preservation of privacy, restricting access to information to those with a legitimate need to know.
   4. To be informed of the College’s policies and complaint procedures related to discrimination, harassment, sexual misconduct, and retaliation.
   5. To a prompt and thorough investigation of the allegation(s).
   6. To challenge the appointment of the Investigator or a Board member or request an alternate Vice President if a conflict of interest is present.
   7. To participate or decline to participate in the complaint process related to a discrimination, harassment, sexual misconduct, and/or retaliation complaint with the understanding that the process may continue without their involvement and that the Investigator and/or Board will determine an outcome with the information available to it.
   8. To appeal the decision made by the Investigator, Title IX Coordinator or Board and sanction(s) determined by the appropriate Vice President in accordance with the procedures set forth above.
   9. To be notified, in writing, of the case resolution – including the outcome of any appeal.
   10. To report the incident to law enforcement and/or civil authorities if one wishes to so.
   11. To understand that information collected in this process may/could be subpoenaed for a criminal or civil proceeding.
   12. To have a support person/advisor by the student, faculty or staff complaint procedures.

B. Respondents are afforded the following rights:
   1. To be treated with respect, dignity, and sensitivity throughout the process.
   2. To seek support services through the College, including through Monsour Counseling and Psychological Services.
   3. For student Respondents, to confidentiality and protection under the Family Education Rights and Privacy Act (FERPA). For all Respondents, the College will
make all reasonable efforts to ensure the preservation of privacy, restricting access to
information to those with a legitimate need to know.
4. To be informed of the College’s policies and complaint procedures related to
discrimination, harassment, sexual misconduct, and retaliation.
5. To a prompt and thorough investigation of the allegation(s).
6. To challenge the appointment of the Investigator, a member of the Board or request
an alternate Vice President if a conflict of interest is present.
7. To participate or decline to participate in the review procedure, with the
understanding that the process will continue regardless and the Investigator and/or
Board will determine an outcome with the information available to it.
8. To appeal either the decision or sanctions of the appropriate Vice President in
accordance with the procedures set forth above.
9. To be notified, in writing, of the case resolution – including the outcome of the
appeal.
10. To report the incident to law enforcement and/or civil authorities if one wishes to do
so.
11. To understand that information collected in this process may be subpoenaed in
criminal or civil proceedings.
12. To have a support person/advisor as defined by the student, faculty or staff complaint
procedures.

IX. Alternative Resolution Options

In some circumstances, in addition to the resolution procedures discussed above in Section IV,
the College may choose an alternative form of resolution to the one provided in this Document.
In these instances, the College will attempt to gain approval from both parties whenever possible.
This alternative process will adhere to Title IX standards.

A. Mediation: This informal procedure is intended to resolve actual or perceived instances of
harassment and discrimination through agreement and mutual understanding between the
parties involved without the need for more formal action by the College. Informal resolution
will normally be completed within four weeks although mediation, if required, may take
longer.

After the Complaint Officer or other investigator completes an investigation, both parties may
agree to attempt an informal resolution of a charge of harassment or discrimination. If the
Complaint Officer determines that such an informal process is appropriate under the facts and
circumstances of the case, one or more of the following, or similar, methods may be utilized:

a. A meeting of the Complaint Officer, the Complainant, and the Respondent; and/or
b. A meeting between the Complaint Officer and the Respondent; and/or

c. A recommendation of training courses or seminars for either principal; and/or

d. Referral of the case to a mediator who has both legal and/or personnel relations experience. The mediator will discuss the issues with both principals and seek appropriate actions by the principals involved to reach an acceptable resolution. Mediation must be agreed to by both parties. Mediation is not an option for resolution in cases involving allegations of sexual assault.

At the conclusion of an informal procedure which results in the parties and the Complaint Officer agreeing the charge has been successfully resolved, each party will be asked to sign an acknowledgment that the informal procedure was performed with their agreement and resulted in a resolution of the charge that was satisfactory to each party.

The details of any conditions agreed to by either party (e.g. counseling, the avoidance of a particular behavior) may be included in this agreement. Signing the acknowledgment form is the final step in the informal resolution process, and is entirely voluntary. There will be no adverse consequences for anyone who declines to participate in the informal resolution procedure or who participates in an informal resolution procedure and then subsequently declines to sign the acknowledgment of resolution. The signed acknowledgment will be kept in the confidential files of Human Resources and available to its Complaint Officers.

If either party declines to sign the acknowledgment of an agreement, the informal procedure will be deemed unsuccessful.

X. The College’s External Reporting Obligations

A. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the “Clery Act”)

1. Statistical Reporting Certain College officials have a duty to report certain misconduct for federal statistical reporting purposes (“Clery Act”). All personally identifiable information is kept confidential, but statistical information must be passed along to campus law enforcement regarding the type of incident and its general location (on or off-campus, in the surrounding area, but no addresses are given) for publication in the Annual Campus Fire Safety and Security Report. This report helps to provide the community with a clear picture of the extent and nature of campus crime, to ensure greater community safety. Mandated federal reporters include: staff in the Office of Student Affairs, campus law enforcement, local police, coaches, athletic directors, residence life staff, student activities staff, human resources staff, advisors to student organizations, and any other official with significant responsibility for student and campus activities. The information to be shared includes the date, the location of the incident (using Clery location categories) and the Clery crime category. This reporting protects the identity of the victim and may be done anonymously.
2. **Timely Warning** Complainants should also be aware that College administrators must issue immediate timely warnings for incidents reported to them that are confirmed to pose a substantial threat of harm or danger to members of the College community. For purposes of the Timely Warning requirement, the College will not disclose a Complaint’s name. However, the College will provide enough information for community members to make safety decisions in light of the danger. The reporters for timely warning purposes are exactly the same as detailed in the paragraph above.

**B. FERPA**

1. The outcome of a campus hearing is part of the educational record of the Respondent, if they are a student, and the employee record if they are a faculty or staff member. The educational records of students are protected from release under a federal law, FERPA. The College complies with FERPA regulations regarding the privacy of student records and observes the following exceptions to FERPA, as mandated by the Clery Act:
   a. The Complainant(s) in a non-consensual sexual contact/intercourse incident have the right to be informed of the finding, and sanction(s) of the investigation or hearing, in writing, without condition or limitation.
   b. The Complainant(s) in sexual exploitation, sexual harassment, stalking, relationship violence and any other gender-based offense have the right to be informed of the finding, in writing, and to be informed of any sanction(s) that directly relate to them, and to essential facts supporting the outcome when the outcome is “responsible” (and the underlying offense is a crime of violence as defined below and in 34 C.F.R. 99.39) and/or it is equitable to share the essential findings with all parties.
   c. The Clery Act permits the College to release publicly the name, nature of the violation and the sanction(s) for any student who is found in violation of a College policy that is a "crime of violence," including: arson, burglary, robbery, criminal homicide, sex offenses, assault, intimidation (which may encompass stalking and/or bullying), hazing, destruction/damage/vandalism of property and kidnapping/abduction. The College will release this information to the Complainant in any of these offenses regardless of the outcome.

**Sexual Misconduct Prevention and Risk Reduction**

**Prevention** If you find yourself in the position of being the initiator of sexual behavior, you owe sexual respect to your potential partner and yourself. These suggestions may help you avoid committing a nonconsensual sexual act and reduce your risk of being accused of sexual misconduct:

1. Clearly communicate your intentions to your sexual partner and give them a chance to clearly communicate their intentions to you.
2. Understand and respect personal boundaries. Do not pressure a potential partner.
3. DON’T MAKE ASSUMPTIONS about consent; about someone’s sexual availability; about whether they are attracted to you; about how far you can go or about whether they are physically and/or mentally able to consent. If there are any questions or ambiguity then you DO NOT have consent and you should stop.
4. If you think you are receiving unclear or conflicting messages from your partner, this is a clear indication that you should stop, defuse any sexual tension and communicate better.
5. Don’t take advantage of someone’s drunken, drugged, or otherwise incapacitated state, even if they did it to themselves.
6. Realize that your potential partner could be intimidated by you, or fearful. You may have a power advantage simply because of your gender or size. Don’t abuse that power.
7. Understand that consent to some form of sexual behavior does not automatically equal consent to any other form of sexual behavior.
8. Silence and passivity cannot be interpreted as an indication of consent. Read your potential partner carefully, paying attention to verbal and non-verbal communication and body language. If you are not sure, stop.

**Risk Reduction:** Risk reduction tips can, unintentionally, take victim-blaming tone. With no intention to victim-blame, and with recognition that only those who commit sexual violence are responsible for such conduct, these suggestions may nevertheless help you to reduce your risk of experiencing a non-consensual sexual act.

1. If you have sexual limits, make them known as early as possible.
2. If you do not want to engage in a particular activity, tell the other person “NO” clearly and firmly.
3. Try to remove yourself from the physical presence of a sexual aggressor, if you can do so safely.
4. If someone is nearby, ask for help or if it is safe to do so, text or call someone.
5. Take affirmative responsibility for your alcohol intake/drug use and acknowledge that alcohol/drugs lower your sexual inhibitions and may make you vulnerable to someone who views a drunk or high person as a sexual opportunity.
6. Take care of your friends and ask that they take care of you. A real friend will challenge you if you are about to make a mistake. Respect them when they do.

**Frequently Asked Questions: Sexual Assault and Misconduct**
Below are some of the most commonly asked student questions regarding sexual misconduct, including sexual assault, dating/domestic violence, and stalking.

1. **Does information about a complaint remain confidential?**
   The confidentiality of all parties to a complaint of sexual misconduct must be respected, insofar as it does not interfere with the College’s obligation to fully investigate allegations of sexual misconduct. Where confidentiality is not strictly kept, it will still be tightly controlled on a need-
to-know basis. Dissemination of information and/or written materials to persons not involved in the complaint procedure is not permitted. Violations of the privacy of the Complainant or the Respondent may lead to disciplinary action by the College. In all complaints of sexual misconduct, all parties will be informed of the outcome. In some instances, the College may choose to make a brief public announcement of the nature of the violation and the action taken, without using the name or identifiable information of the alleged victim. Certain College administrators are informed of the outcome within the bounds of student privacy (e.g., the President, Dean of Students, Director of Campus Safety, Title IX Coordinator). If there is a report of alleged sexual misconduct to the College and there is evidence that a felony has occurred, local police will be notified if the Complainant consents. This does not mean charges will be automatically filed or that a Complainant must speak with the police. The College also must statistically report the occurrence on campus of major violent crimes, including certain sex offenses, in an annual report of campus crime statistics. This statistical report does not include personally identifiable information.

2. **Will I (as a survivor/victim) have to pay for counseling/or medical care?**
   Students can access TCC Counseling Service, and the Counseling Service also hosts a support group for survivors of sexual assault. If you are accessing community and non-institutional services, payment for these services may be covered by your health insurance plan; please check your coverage. If you have elected coverage under the Claremont College’s Student Health Insurance Plan (“SHIP”), payment for these services may also be covered under this insurance plan. SHIP documentation is available at: [https://services.claremont.edu/student-health-services/](https://services.claremont.edu/student-health-services/)

3. **Will my parents or guardian be told?**
   Unless you are under 18 years old, no; not unless you tell them. Whether you are the Complainant or the Respondent, the College’s primary relationship is to you, the student, and not to your parent or guardian. However, we strongly encourage you to communicate with your parents when you are in distress whether for medical, behavioral, or academic reasons. Moreover, the College has an obligation to and will contact your parents if we believe your health or safety is at risk or if your status at the College is at risk (due to residential or College suspension or expulsion). In addition, College officials will speak with your parents directly at your request.

4. **Do I have to name the alleged perpetrator?**
   Yes, if you want the College to pursue its complaint procedures as outlined in this Document. No, if you choose to respond informally and do not file a formal complaint. You should consult the confidentiality provisions set forth in the Document to better understand the College’s legal obligations depending on what information you share with different College officials. Complainants should be aware that not identifying the alleged perpetrator may limit the College’s ability to respond comprehensively.
5. **Will the alleged perpetrator know my identity?**
   Yes, if you file a formal complaint. Sexual misconduct is a serious offense and the Respondent has the right to know the identity of the complainant/alleged victim. If there is a hearing, the College does provide alternative testimony options.

6. **What do I do if I am accused of sexual misconduct?**
   DO NOT contact the Complainant. You may want to speak with someone in the campus community who can act as your support person/advisor. The Title IX Coordinator can explain the College’s complaint procedures for addressing sexual misconduct complaints. You may also want to seek confidential counseling through the counseling center or seek support through off campus services in the community. See below regarding legal representation.

7. **What about legal advice?**
   Complainants do not need private legal counsel to pursue criminal prosecution because representation will be handled by the District Attorney’s office. However, it is the Complainant’s choice whether or not to retain an attorney and you may want to retain an attorney if you are considering filing a civil action. Respondents may want to retain legal counsel given the potential for criminal and/or civil action. Legal counsel may only participate in College proceedings as a support person to their respective party and at that individual’s expense.

8. **What about accommodations for safety and wellbeing, such as room changes?**
   The College provides written notification to students and employees (including faculty) about counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for survivors of sexual assault, dating/domestic violence, and stalking both within the College and Consortium, and in the community.
   Written notification is also provided to victims about their options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or other protective measures.
   The College is obligated to comply with a student’s reasonable request for a change in the student’s living situation, academic schedule, or other reasonable accommodation following a report of sexual misconduct to the Title IX Coordinator or other Responsible Employee. The responding party (“Respondent”) also is entitled to reasonable accommodations.
   A party may request a room change through the Title IX Coordinator, who will facilitate with a Dean of Campus Life room change to the first available, suitable room. Involuntary changes to a living situation (e.g. if a Complainant wants the Respondent to move), will only be instituted if determined to be a necessary interim measure in the event of a formal complaint.
Other accommodations or assistance available to the parties include:

- No contact orders;
- Assistance with or rescheduling an academic assignment (paper, exams, etc.);
- Assistance in requesting an incomplete in a class;
- Assistance with transferring class sections, if available;
- Temporary withdrawal;
- Assistance with alternative course completion options;
- Assistance in filing a police report;
- Assistance with financial aid;
- Assistance with visa or immigration status or related issues;
- Other accommodations as necessary for health and safety.

9. What should I do about preserving evidence of a sexual assault?
Police are in the best position to secure evidence of a crime. Physical evidence of a criminal sexual assault must be collected from the alleged victim’s person within 120 hours (although the sooner the better for collection of evidence), though evidence can often be obtained from towels, sheets, clothes, etc. for much longer periods of time. If you believe you have been a victim of a criminal sexual assault, you should go to the emergency room, before washing yourself or your clothing. The Sexual Assault Nurse Examiner, a nurse who is specially trained to collect evidence in cases of alleged sexual assault, at Pomona Valley Hospital Medical Center (1798 N. Garey Avenue, Pitzer, CA 91767, 909-865-9500) is usually on call 24 hours a day, 7 days a week. If you decide to seek medical attention and wish to have evidence collected, contact the emergency room and request that they call a SANE nurse.

The hospital staff will collect evidence, check for injuries, address pregnancy concerns and address the possibility of exposure to sexually transmitted infections. If you have changed clothing since the assault, bring the clothing you had on at the time of the assault with you to the hospital in a clean, sanitary container such as a clean paper grocery bag or wrapped in a clean sheet (plastic containers do not breathe, and may render evidence useless). If you have not changed clothes, bring a change of clothes with you to the hospital, if possible, as they will likely keep the clothes you are wearing as evidence.

You can take a support person with you to the hospital, and they can accompany you through the exam, if you want. If you would like someone from the College staff to accompany you to the hospital, contact Campus Safety at 909-607-2000 and ask them to contact the On-Call Dean. An On-Call Dean is available whenever the College offices are closed to assist students in emergency situations. In addition, the Advocates for Survivors of Sexual Assault are a student support resource.
If you go to the hospital, local police will be called, but you are not obligated to talk to the police or to pursue prosecution. Collecting evidence can assist the authorities in pursuing criminal charges, should you decide later to do so at a later date. Collecting evidence will not obligate you to any course of action.

10. Will the Complainant be sanctioned when reporting a sexual misconduct if they have illegally used drugs or alcohol?
   No. The severity of the infraction will determine the nature of the College’s response, but whenever possible the College will respond educationally rather than punitively to the illegal use of drugs and/or alcohol. The seriousness of sexual misconduct is a major concern and the College does not want any of the circumstances (e.g., drug or alcohol use) to inhibit the reporting of sexual misconduct.

11. Will the use of drugs or alcohol affect the outcome of a sexual misconduct complaint?
   The use of alcohol and/or drugs by either party will not diminish the Respondent’s responsibility. On the other hand, alcohol and/or drug use is likely to affect the Complainant’s memory and, therefore, may affect the outcome of the complaint. A person bringing a complaint of sexual misconduct must either remember the alleged incident or have sufficient circumstantial evidence, physical evidence and/or witnesses to support their complaint. If the Complainant does not remember the circumstances of the alleged incident, it may not be possible to impose sanctions on the Respondent without further corroborating information. Use of alcohol and/or other drugs will never excuse a violation by a Respondent.

13. Will either party’s prior use of drugs and/or alcohol be a factor when reporting sexual misconduct?
   Not unless there is a compelling reason to believe that prior use or abuse is relevant to the present complaint.

14. What should I do if I am uncertain about what happened?
   If you believe that you have experienced sexual misconduct, but are unsure of whether it was a violation of the College policy, you should contact the College’s Title IX Coordinator who can explain the policy and resolution options. If you would like to speak with someone in strict confidence to explore the incident, you may want to first speak with a counselor at Monsour Counseling and Psychological Services, a chaplain from the McAlister Center, an Advocate for Survivors of Sexual Assault, or a rape crisis hotline.

Advocates for Survivors of Sexual Assault are a trained student group who are available through a pager system to assist students who have experienced sexual assault or misconduct on a 24/7 basis (909-607-
While the Advocates do not enjoy a legal confidentiality privilege as the other College officials listed above, they are considered to be confidential resources and not mandated reporters.

**What to Do if You Have Experienced Sexual Misconduct, Including Sexual Assault**

If you have been a victim of sexual misconduct the sooner you seek help the more options you have available to you. The following steps are important to take as soon as possible.

1. **Get away from your attacker and to a safe place as soon as possible.** Call 911 or Campus Safety (909-607-2000).

2. **Seek medical attention** to assess and treat any injuries, screen for pregnancy and any sexually transmitted infections, and collect evidence (if you consent to do so). If you decide to seek medical attention, contact the emergency room at **Pomona Valley Hospital Medical Center** (1798 N. Garey Avenue, Pomona, CA 91767, 909-865-9500) in advance and request that they call a Sexual Assault Nurse Examiner (SANE), a nurse who is specially trained to collect evidence. A SANE nurse is usually on call 24 hours a day, 7 days a week. Evidence can be collected up to 96 hours after the incident. If you have changed clothing since the incident, bring the clothing you had on at the time with you to the hospital in a clean paper bag or wrapped in a clean sheet (plastic containers do not breathe, and may render evidence useless). If you have not changed clothes, bring a change of clothes with you to the hospital.

   You can take a support person with you to the hospital, and they can accompany you through the exam, if you want. If you would like someone from the College staff to accompany you to the hospital, contact Campus Safety at 909-607-2000 and ask them to contact the On-Call Dean.

   Advocates for Survivors of Sexual Assault are a trained student group who are available through a pager system to assist students who have experienced sexual assault or misconduct on a 24/7 basis (909-607-1778). While the Advocates do not enjoy a legal confidentiality privilege as the other College officials listed above, they are considered to be confidential resources and not mandated reporters.

   If you go to the hospital, the police will be called, but you are not obligated to talk to the police or to pursue prosecution. Collecting evidence will not obligate you to any course of action but can assist the authorities in pursuing criminal charges should you decide later to do so later.

3. **Seek support:** Don’t be afraid to ask for help and support; feelings of shame, guilt, fear, and shock are normal. Call a trusted friend or family member or one of the on and off campus resources listed below:

   - **Title IX Coordinator:** Corinne Vorenkamp (Broad Center 212, 909-607-2958).
   - **On-Call Deans** (For assistance after business hours and weekends): contact the On Call Dean through Campus Safety at 909-607-2000.

4. Talk with the Title IX Coordinator about your options. The Title IX Coordinator will review your options and support resources both on and off campus. Regardless of when the incident occurred it is never too late to speak with someone regarding support resources and your other options.

Sex Offender Registration – Campus Sex Crimes Prevention Act

Megan’s Law

Since 2004, the public has been able to view information on sex offenders required to register with local law enforcement under California’s Megan’s Law. Previously, the information was available only by personally visiting police stations and sheriff offices or by calling a 900 toll-free number. The law was given final passage by the Legislature on August 24, 2004 and signed by the Governor on September 24, 2004.

California has required sex offenders to register with their local law enforcement agencies since 1947. California’s Megan’s Law provides the public with certain information on the whereabouts of sex offenders so that members of our local communities may protect themselves and their children. Megan's Law is named after seven-year-old Megan Kanka, a New Jersey girl who was raped and killed by a known registered sex offender who had moved across the street from the family without their knowledge. In the wake of the tragedy, the Kankas sought to have local communities warned about sex offenders in the area. All states now have a form of Megan’s Law. This information is available on the Internet at

Dating Violence, Domestic Violence, Sexual Assault, and Stalking Prevention and Awareness Programs Sexual Assault Prevention

Pitzer College is committed to increasing the awareness of and preventing sexual violence. Pitzer College prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking. All incoming students and new employees are provided with programming and strategies intended to prevent rape, acquaintance rape, sexual assault, domestic violence, dating violence, and stalking before it occurs through the changing of social norms and other approaches.

The Office of Student Affairs in conjunction with the Title IX Office are primarily responsible for sexual violence education and awareness in collaboration with many student organizations, departments at Pitzer, and The Claremont Colleges services. Together, these offices offer a variety of programming focusing on sexual and gender-based violence. In 2018, the Vice President for Student Affairs established a Sexual Violence Prevention and Response Working Group at the College to develop and implement recommendations. During the 2019-2010 academic year, this will continue to be a priority for the Division of Student Affairs in alignment with the College’s Strategic Plan.

Below is a list of some of the trainings and programs that were available at the College between January 1, 2018 – December 31, 2018.

Prevention and Awareness Programming for First-Year Students

Prevention programming for first-year students consists of three key components:

**EVERFI Understanding Sexual Assault for Undergraduates**: Mandatory online sexual violence prevention education program, which all new students are required to complete before course registration. Students complete Part 1 of each course, and after a 45-day intersession, complete Part 2 of the course.

**Title IX Presentation: Building a Safe and Equitable Community**: Mandatory presentation for all first-year students before their Orientation Adventure trips. Follows up on information from EVERFI. Covers reporting options, Pitzer’s policies, bystander intervention, consent, support resources, and related topics.

**New Student Orientation: "The Date" Presentation & Discussion Groups**: Presented to all new students by Health Education Outreach during Orientation. This presentation was followed by small break-out discussions that student leaders facilitated with information and discussion about sexual assault and dating violence, handling disclosures, and other TIX-related topics.

**Prevention and Awareness Programming for Employees & Specific Mandatory Prevention Training**: A key component of the College’s ongoing prevention program for students, staff, and faculty is the **Teal Dot Bystander Engagement Training**. The training is a 3-hour session that equips participants to recognize potentially dangerous situations and to safely intervene to prevent and reduce violence and
sexual assault on campus. Sessions are offered at Pitzer and across The Claremont Colleges throughout the academic year.

In addition to regular prevention training for new staff and all employees, including Clery and TIX training, there is specific annual robust training in the following areas:

**EVERFI Sexual Assault Prevention (Athletes & Coaches):** Mandatory online sexual violence prevention education program for Pomona-Pitzer Athletes and Staff, which all athletes and coaches must complete prior to first date of competition. Student athletes and staff complete Part 1 of each course, and after a 45-day intersession, complete Part 2 of the course. This program allows Pomona-Pitzer athletics to be in compliance with the NCAA Board of Governor’s Policy on Campus Sexual Violence enacted in 2017.

**“Behind Closed Doors” Resident Assistant Training (August 20, 2018 and August 21, 2018):** This training included brief (20 min. each) break-out round-table discussions on handling the response to a sexual assault disclosure and other topics in other break-outs, led by Resident Directors. It also had live action role playing to practice supporting students and addressing policy violations.

**Outdoor Adventure Leaders Training:** A comprehensive 2.5-hour training for Outdoor Adventure leaders on sexual/dating violence prevention and response, and preparation for facilitating discussion sessions with first-year students after The Date. Topics included awareness and identification of sexual assault, dating/domestic violence, sexual harassment, and stalking; impact of trauma; trauma-informed responses to disclosures; TIX reporting options and policies; and table-top exercises with the Health Education Outreach Mentors for facilitating group discussions in preparation for leading peer discussions after the educational “The Date” presentation to new students during orientation. Training was facilitated by the Health Education Outreach Director and the Pitzer College Title IX Coordinator.

**Resident Assistant Training on Sexual Harassment and Title IX Resources/Responding to Sexual Misconduct (August 14, 2018):** This 1 hour training consisted of sexual harassment policies, reporting options, and resources. It also covered sexual assault, dating/domestic violence, stalking, and retaliation. Basic information about each of Pitzer’s policy provisions as well as reporting/support options was reviewed. RA’s were trained on responding to sexual misconduct including handling disclosures, trauma response and impact, support resources, and potential accommodation options.

**Additional Prevention and Awareness Trainings and Programs:**

In addition, below is a list of some of the other prevention trainings and programs that were available at the College or The Claremont Colleges Consortium between January 1, 2018 – December 31, 2018:

**A Night with Health Education Outreach! (October 26, 2018):** Resident Assistant collaborative program to encourage community dialogue regarding personal health and wellness.

**Communication, Consent, and Hook-Up Culture - A Dating, Desire & Dialogue:** A collaborative 5C event including the EmPOWER Center.
Domestic Violence Awareness Month: Programming included tabling at McConnell Dining Hall in collaboration with the Pitzer Title IX intern; students were invited to write their thoughts on a poster board about what constitutes a healthy relationship, and handouts were available on healthy relationship topics.

Healthy Relationships Bingo: A collaboration with Pitzer Peer Health Educators to provide information on healthy vs. unhealthy vs. abusive relationships, and raise awareness of resources on- and off-campus for students seeking support.

Healthy Relationships Workshop: Featuring the EmPOWER Center, this was a workshop open to all students regarding healthy relationships hosted at the Queer Resource Center.

Masculinity Mondays (Bi-Weekly; Year-Round): Masculinity Mondays bi-weekly sessions (this is a collaborative drop-in series created by EmPOWER, OBSA, and 5C Student Affairs where conversations around healthy masculinity, rape culture, and bystander intervention take place).

ResLife and EmPOWER Center Talk: Hookup Culture and Gender Roles (September 24, 2018): Resident Assistant collaborative program where students to came together to engage in a conversation surrounding hookup culture, gender roles and how to navigate this unique culture.

Self-Defense Workshop with Project Sister Family Services: Open to Pitzer students, staff, and faculty in partnership with our local rape-crisis center.

Student Mentor Workshops (Provided Year-Round): Hosted by the EmPOWER Center, these 60-120 minute workshops are provided to 5C mentor groups on understanding and responding to sexual assault, dating/domestic violence, and stalking.

Awareness and Support Programs:

In addition to the prevention programs above, there are regular, ongoing support services and options for those impacted by dating/domestic violence, sexual assault, and stalking. These include:

Passive Educational Bulletin Boards in Residence Halls: Resident Assistants developed educational bulletin boards throughout the year to create awareness and promote prevention on topics ranging from healthy relationships, Title IX resources, and confidential versus non-confidential resources.

Art for Healing (Bi-Weekly; Year-Round): Hosted by the EmPOWER Center, this program, Art for Healing, occurs in bi-weekly sessions (this a confidential space where students impacted by sexual assault, dating/domestic violence, stalking, or sexual harassment can drop-in and participate in guided group art activities geared towards healing and processing trauma).

Confidential Support for Survivors of Sexual Assault (Year-Round): Hosted by the EmPOWER Center, this program provides year-round confidential support for survivors of sexual assault, dating/domestic violence, stalking, and sexual harassment (and for their friends and family) – individual counseling, support groups, drop-in hours, and confidential advocate available.
Domestic Violence Awareness Month Halloween Collection Drive: Hosted by EmPOWER Center and Pitzer College student collaborators.

Mindfulness for Trauma Survivors (Weekly): This weekly program was offered in the Spring 2018 semester by Monsour Counseling and Psychological Services, open to students at all 7Cs who identify as trauma survivors.

Rise Up (November 30, 2018): A dialogue that took place as part of Fresh Check Day 2018 that brought up awareness to the mental health effects that often follow a sexual assault.

Pitzer Advocates for Survivors of Sexual Assault Office/Support Hours: Held on a weekly basis, this is a confidential service for survivors of sexual assault and allies. During Office/Support Hours, advocates are available for emotional support, risk assessment, listening to the stories of survivors, providing and explaining available resources (on and off campus), being a support person through a reporting process (on or off campus), aiding the friends and loved ones of survivors in supporting their loved ones and themselves, information about PZ Advocates, talking about healthy masculinities and/or having dialogue about consent and hookup culture.

Safe Sex Goodie Bags (September 28, 2018): Resident Assistant program where Resident Assistants went around to residents’ rooms and did a check-in while handing out safe sex goodie bags which included condoms, candy, tissues, and resources from the HEO. Door-to-door goodie bags include awareness about resources such as Student Advocates and the EmPOWER Center.
CAMPUS SECURITY POLICIES, CRIME PREVENTION AND SAFETY AWARENESS PROGRAMS

Pitzer College has established a number of policies and procedures related to ensuring a reasonably safe campus community. These policies include:

Behavioral Intervention & Threat Assessment Teams
In order to extend our efforts on emergency preparedness and prevention, Pitzer College has established the Pitzer Intervention Team (PIT), which serves as the centralized coordination team for discussion, assessment and action regarding students exhibiting behaviors including, but not limited to, distress, community disruption, and/or danger to self or others. Committed to proactive, early intervention, the PIT supports students directly and through consultation with campus partners. When necessary, the PIT also assesses risk of harm to the College community and coordinates appropriate action, including, but not limited to, engaging the multidisciplinary College Threat Assessment Team to evaluate the potentially threatening incident or behaviors and ensure the safety of individual students, and the College at large. The multi-disciplinary Threat Assessment Team is comprised of members from around the College community, including, but not limited to, Human Resources, Campus Safety, the Office of Student Affairs, Academic Affairs, and Monsour Counseling. For further information, please contact the Office of Student Affairs at 909-621-8241.

Weapons Policy
The possession, carrying and use of weapons, ammunition, or explosives is prohibited on College owned or controlled property. The following items are absolutely prohibited in the residence halls, and in vehicles anywhere on campus. These items include, but are not limited to, guns (including BB guns, pellet rifles, paint guns and other weapons which propel projectiles), ammunition, knives, switchblades, swords, other bladed weapons, fireworks, and any objects that can be used for blunt force. These items are prohibited even if they are intended for decoration, recreation, or ceremonial use. In addition, combustibles in containers, such as gasoline cans or camping fuel, are never allowed in the residence halls. Failure to comply with the College weapons policy will result in disciplinary action against violators.

Student Conduct

The Office of Student Affairs Mission Statement

Student Affairs advances Pitzer’s Mission and Core Values by providing student-centered support services and an engaging co-curricular program. We are committed to the holistic development of students, challenging students to live with integrity, and empowering students to be active participants in their own experience.

The Code of Student Conduct

Pitzer College has a high respect for individuality among its students and acknowledges the rights to explore, clarify, and adopt individual values. The College makes no attempt to stand in loco parentis or to be responsible for the total life of its students. The College does, however, have the responsibility of encouraging an atmosphere where students, staff and faculty can effectively pursue the goals of education and community living. All students are responsible for their own behavior and how this behavior impacts the community. The Code of Student Conduct seeks to protect the rights of the individual and the rights of the community with fairness, integrity and respect for the goals of all.

The Pitzer College Code of Student Conduct sets out definitions of rules and fair procedures within the Pitzer community. As members of this community, students are required to abide by all the policies and procedures of Pitzer College and The Claremont Colleges as well as all local, state and federal laws. It is
each student’s responsibility to be aware of the content of the Code of Student Conduct as well as other policies of the College, which are published in the Student Handbook.

This Code is reviewed periodically by the Judicial Council, which is comprised of at least five student members, at least five faculty members, and at least five members of the staff to reflect changes in community standards and is then adopted by College Council.

Disciplinary authority for the Code of Student Conduct originates in the Board of Trustees, the President and the By-Laws of the College. The Judicial Council has authority to conduct hearings on charges of violations of the Pitzer College Code of Student Conduct, while the Office of Student Affairs is responsible for the administration of residential life policies and for enforcing the disciplinary policies of the College. Decisions made by the Judicial Council or an administrative review are generally final. However, an appeal may be made on specified grounds by the respondent, and in sexual misconduct and sexual harassment cases, by the complainant as well. The sanctions imposed by the student conduct process will remain in place unless and until the appeal is successful and the sanctions are overturned.

The Code of Student Conduct is in effect on all College property and may also address off campus student misconduct.

Whether through administrative or Judicial Council action, the College reserves the right to impose sanctions against students for conduct that may violate any federal, state, or local law on or off campus, even though such crimes may also be tried in the local courts. When a student is charged with a legal violation and College disciplinary action is also taken, campus proceedings may be carried out prior to, simultaneously with or following civil or criminal proceedings. The College’s proceedings are not bound by any determinations of fact or law made in any civil or criminal proceedings. In most cases the Office of Student Affairs will also assign developmental and educational interventions designed to promote greater awareness and improved decision-making for students and to further deter future misconduct.

In instances where there is reasonable cause to believe a student is an immediate threat to the safety of their person, other persons or property, or is an immediate threat to or disruption to essential campus operations, the Office of Student Affairs may assign an Interim Suspension and/or other interim measures, designed to protect the health and safety of the community.

Any individual or entity may submit reports alleging student misconduct to the Office of Student Affairs or designee at the campus where the incident occurred.

Pitzer College is obligated to provide all students with the College regulations, policies, and procedures governing student conduct. Pitzer College policies and procedures, including the Code of Student Conduct is available in the Student Handbook available on the Pitzer College website at https://www.pitzer.edu/student-life/student-handbook/. If you have additional questions, special needs, or wish to request a hard copy of this information, please contact the Office of Student Affairs at Pitzer College. The Student Records Policy may be found on the Pitzer College Registrar’s website at https://www.pitzer.edu/registrar/.

**Judicial Authority**

A. Investigation and Resolution of Disputes

   1. Investigation

      The Dean of Students is responsible for enforcement of the Code of Student Conduct and for ensuring that the rights of all students are upheld. When a complaint is made against a student, the Dean of Students shall conduct an investigation to determine if the alleged violation(s) has merit. If the alleged violation(s) is found to have merit, it will be addressed through different measures depending on the severity of the case. Any student against whom there might be a charge of a violation of the Code of Student Conduct has all the rights enumerated in Section VI of this code. In addition to these rights, the Dean of Students will provide the student(s) who is (are) being investigated or charged with access to the Code of Student Conduct.

   2. Resolution of Disputes

      A student charged with violating the Code of Student Conduct has the right to have a hearing before the Judicial Council for any alleged violation. However, in cases of alleged minor violations, complaints can often be resolved without a full Judicial Council hearing. Generally, there are three levels of disciplinary action depending on the seriousness of the alleged violation. Additionally, there are circumstances when mediation may be the appropriate resolution procedure.

         a. Residential Life

            Complaints about student behavior and reports of alleged violations of residential life policies, such as noise policy, guest policy, pets, room changes, furnishings, etc. normally are first addressed by Office of Student Affairs staff. Such complaints are reviewed by a Residence Director and/or Associate Dean of Students and examined in a conference with the student(s). Attempts at conflict mediation and reconciliation as well as resolution by imposition of sanctions for admitted violations may make unnecessary a formal judicial proceeding and bringing a charge. Resolution may entail a variety of responses, including no action, a warning, an educational or community service assignment, a fine, residential probation, restitution or some combination, depending on the severity of the case. A respondent may appeal the decision of the residence life staff to the Dean of
Students. The appeal must be made in writing, and must be made within five class
days of written notification to the student of the residence life staff member’s
decision. Grounds for appeal include violations of the student’s rights as set forth
in the Code of Student Conduct, insufficient or compelling new evidence, and/or
severity of the sanction.

b. Administrative Review

In the event of repeated complaints regarding the same person or in cases of
somewhat more serious alleged violations, but where the potential sanction
would not usually be suspension or expulsion, the respondent has the choice of
either an administrative review within the Dean of Students Office or to have the
case heard by the Judicial Council. An administrative review offers privacy and
possibility of negotiation of the case. If the student chooses an administrative
review, the student does not have the right to a hearing before Judicial Council
for the same alleged violation(s). If the student decides to have the case reviewed
by Judicial Council, a charge is issued and a date and time is set for the Judicial
Council hearing.

If the respondent chooses to have an administrative review, the Dean of Students
will notify the respondent in writing of the alleged violation(s) including the
specific circumstances or behaviors alleged to have violated that policy or
regulation. The review will include individual interview(s) with the respondent,
the complainant, the alleged victim, any witnesses and the review of other
documentation or materials relevant to the case. Advisers to the respondent,
complainant, or alleged victim may be consulted beforehand, but will not be
permitted to be present during the administrative review. The official who
conducts the review will make a decision based on a preponderance of the
evidence. That is, it is more likely than not that the respondent(s) is responsible
for violating the Code of Student Conduct.

i. Finding of Responsibility

When a student is found responsible for a violation through an
administrative review, the Dean of Students Office may impose sanctions.
The range of sanctions that may be imposed includes, but is not limited to:
community service, educational sanctions, referral to drug or alcohol
counseling or rehabilitation, warning, probation, monetary fines,
restitution, revoking of on-campus privileges (including on-campus
housing), but does not include expulsion or suspension from the College.
The respondent will be notified in writing of the results of the review.
When a violation of the Code of Student Conduct is determined in an administrative review and sanction is imposed by the Dean of Students Office, appeal, if any, is submitted to the Vice President of Student Affairs. (See Section VII. E.). Grounds of appeal include violations of the student’s rights as set forth in the Code of Student Conduct, insufficient or compelling new evidence, and/or severity of the sanction.

ii. Admitted Violations

When a student chooses the administrative review option and admits to the charge and to responsibility for a violation of the Code of Student Conduct (and it does not warrant suspension or expulsion), the Dean of Students Office may impose sanctions. If the student is not satisfied with the sanctions, the student can appeal to the Judicial Council for review of the appropriateness of the sanctions only.

All appeal cases brought before and heard by the Judicial Council shall be final and not subject to appeal to the President.

c. Judicial Council

Cases in which the possible sanction could be suspension or expulsion from the College or cases in which the student has chosen to have the case reviewed by Judicial Council will be referred directly to the Judicial Council by the Dean of Students Office (See Section VII for complete information on the Judicial Council hearing procedures).

Note: If a hearing to consider an alleged violation(s) is submitted to the Judicial Council, whether because it is chosen by the respondent or referred by the Dean of Students Office, the hearing procedures described in Section VII below will apply. In either case, preparation of charges and notification of the Judicial Council Chair will be the responsibility of the Dean of Students Office.

d. Mediation

Under circumstances of student behavior leading to conflict between two or more persons, mediation may be the recommended method of recourse. Mediation is intended to allow the parties involved to discuss their respective understandings of the incident through the assistance of a trained professional. Mediation is designed to encourage each person to be honest and direct with the other and to accept personal responsibility where appropriate. Its goal is to facilitate the resolution of the incident to the satisfaction of both parties involved and to produce a written agreement that is binding on both parties.
Mediation is not a procedural option for cases of sexual misconduct. Requests for mediation should be filed with the Dean of Students by the complainant and/ or respondent and both parties must agree to enter into mediation. In addition, the Dean or their designee must agree that mediation is a desirable method for resolution of the case. All parties have to agree to the choice of the mediator. If the process proves unsatisfactory at any time during the mediation before an agreement is reached, the complainant may pursue other courses of action, such as filing a formal complaint against the respondent with the College.

The only parties present at the mediation session(s) are the individuals involved in the incident, an adviser of their choosing, and an experienced, trained, or licensed non-student mediator. The parties shall be offered the opportunity to participate without physically facing each other, and if so requested, the mediator shall work out an acceptable arrangement. The mediator will listen to the parties and work with them to develop a written agreement on the key issues emerging from the incident(s), which may include an activity or restraints on behavior by which one or both parties agree to abide following the mediation. The outcome will be communicated to the Dean of Students or their designee within five class days. The written agreement will be kept in both students’ discipline files located in the Office of Student Affairs and may be used for purposes of sanctioning in subsequent judicial matters.

**Proscribed Conduct**

Violations of the Code of Student Conduct include:

A. Academic Dishonesty

Any member of the Pitzer community who is aware of academic dishonesty by a student has the responsibility to try to halt it, either by intervening immediately, or by speaking with the person committing it and by reporting it to the Dean of Students Office for possible referral to Judicial Council. If an instructor concludes that the standards of academic honesty have been disregarded, it is that instructor’s responsibility to make the information available to the student, to report the incident to the Dean of Students Office and to tell the student that a report is being made. The faculty member may handle the case and impose any academic penalty including failure in the course. The faculty member should report the outcome to the Dean of Students Office. If a student disputes the incident or the severity of the penalty, the student may have a hearing before Judicial Council (See Faculty Decision Student Appeal below).

1. Cheating

No Pitzer student may intentionally use or attempt to use unauthorized materials, information, or study aids in an academic exercise or examination.
2. Claiming Credit Falsely
Intentional fraud, in which a student seeks to claim credit for the work or effort of another without authorization or uses unauthorized materials or fabricated information in any academic exercise. Academic dishonesty can include forgery of academic documents, intentionally impeding or damaging the academic work of others or assisting other students in acts of dishonesty.

3. Coercion of Grading or Evaluation of Coursework
Threatening personal or professional repercussions or discipline against an instructor to coerce the instructor to change a grade or otherwise evaluate the student’s work by criteria not directly reflective of coursework.

4. Facilitating Academic Dishonesty
intentionally or knowingly helping or attempting to help another to violate this code of academic integrity.

5. Multiple Submissions
Multiple submissions includes, but is not limited to, the resubmission in identical or similar form by a student of any work which has been previously submitted for credit, whether at Pitzer or any other school, college, or university in one course to fulfill the requirements of a second course, without the informed permission/consent of the instructor of the second course. It also includes the submission for credit of work, in identical or similar form, in concurrent courses, without the permission/consent of the instructors of both courses.

6. Plagiarism
No Pitzer student shall appropriate the work of another of another – for example, parts of passages of another’s writings, the ideas and language of another, the artistic compositions of another – and pass them off as their own work. Students may not use extracts from books, journals, or other sources without citation.

Faculty Decision Student Appeal
A student who wishes to challenge a faculty’s determination in violation of academic dishonesty or the severity of the penalty may appeal to the Judicial Council. The appeal must:

• Be made in writing within thirty calendar days of the faculty’s notice to the student;
• State specific grounds for any claim that the finding of responsibility was unwarranted or the penalty unjust; and
• Exception - students going abroad or on leave of absence have thirty calendar days from the beginning of the semester upon their return for an appeal if the review hearing is not able to be completed within the semester of the occurrence.
• Be delivered to the Office of Student Affairs.

A Dean will work with the Judicial Council Chair to notify the faculty of the student’s appeal. Evidence and arguments relevant to the appeal will be presented to the Judicial Council, faculty member and the petitioning student. The appeal hearing will follow normal Judicial Council hearing procedures as outlined in the Code.

Under normal circumstances, the review hearing should be scheduled for a date not fewer than 5 or more than 25 class days from the time of the petitioner’s formal appeal. The Judicial Council shall inform both the petitioner and the faculty member of the time, place and date of the review hearing.

Under extreme circumstances, either the respondent or the complainant may request waiver of the time limit for a hearing in writing to the Judicial Council Chair. A decision on the request will be made by the Judicial Council. All parties will then be notified of the date, time and location of the rescheduled hearing.

All academic appeal cases brought before and heard by the Judicial Council shall be final and not subject to appeal to the President. Decisions of the Judicial Council, on appeal, may differ from and/or include sanctions imposed by the faculty member.

B. Knowingly aiding another person in any violation of the Code of Student Conduct

No student shall knowingly aid another person in the violation of any rules contained in this Student Handbook.

C. Misuse, theft, or abuse of College computer time or accounts

D. Offenses against persons and property:

1. Harassment
   a. General Harassment

   Unlawful harassment is conduct that creates an intimidating, offensive, or hostile working or academic environment, or that interferes with work or academic performance based on a person’s protected status, including race, color, national origin, ancestry, sex (which includes harassment based on gender, pregnancy, childbirth, or related medical conditions), sexual orientation, gender identity and expression, age, religion, physical or mental disability, medical condition, marital status, veteran status, family care leave status, or other status protected by antidiscrimination and anti-harassment statutes, such as Titles VII or IX of the Civil Rights Act, the Americans with Disabilities Act, the Age Discrimination in Employment Act, and the California Fair Employment and Housing Act. Such
harassment can be physical, verbal, or visual. Harassment can be committed by employers, coworkers, fellow students, and third parties. Generally, statements and/or conduct legitimately and reasonably related to the College’s mission of education do not constitute harassment. (Refer to the Discrimination and Harassment Policies and Procedures for the complete policy.)

b. Sexual Harassment

Sexual harassment may be either “quid pro quo” harassment, that is sexual advances or requests for sexual favors where submission or rejection is used as the basis for making employment or educational decisions affecting an individual; or “environmental” harassment, where the individual is subjected to a hostile or intimidating environment, in which verbal or physical conduct, because of its severity and/or persistence, is likely to interfere with an individual’s work or education, or to affect adversely an individual’s living conditions. Occasional compliments that are generally accepted as not offensive or other generally accepted social behavior, on the other hand, do not constitute sexual harassment. Sexually harassing conduct need not be motivated by sexual desire. (Refer to the Discrimination and Harassment Policies and Procedures for the complete policy.)

2. Hazing Policy

a. Policy Statement

Hazing can be psychologically and/or physically harmful to individuals, can damage organizations and teams, and undermines the educational mission and values of Pitzer College. Hazing is strictly prohibited by Pitzer College policy and California state law (Sections 32050 (245.6) and 32051 of the California Education Code and Section 48900 q of the California Penal Code). No student, College employee or volunteer, student organization, or athletic team, shall conduct or condone hazing activities. Violations of this policy will result in disciplinary action. If you have knowledge of hazing or potential hazing activities you should contact the Dean of Students Office who will investigate and take action to stop the conduct.

b. Definition

Any act or the creation of a situation that tends to endanger the mental or physical health or safety of a student; an act or the creation of a situation which tends to humiliate or degrade a student; or an act or creation of a situation which destroys or removes public or private property when these are part of initiation, admission into, affiliation with or continued membership in a group or organization. An act or a situation becomes hazing when an organization creates the dangerous, illegal, or humiliating situation and exposes students to
it.

A level of coercion is often involved in hazing; an individual being hazed may not feel they can opt out of participation because of peer pressure or a desire to belong or “fit in” to the group. Because of the socially coercive nature of hazing, this definition of hazing applies whether or not the participants consent to such activity or perceive the activity as “voluntary.”

Hazing does not include actions or situations that are part of officially sanctioned and supervised College activities such as athletic training and conditioning.

An individual can be responsible for violating this policy for soliciting, directing, aiding, or otherwise participating actively or passively in activities which violate this policy.

c. Examples

Hazing activities often involve alcohol; however, activities need not involve alcohol to violate this policy. Common examples of behaviors that can be hazing include, but are not limited to, the following:

- Shaving, tattooing, piercing or branding
- Engaging in or simulating sexual acts
- Threatening to physically restrain someone or actually restraining them
- Assigning unreasonable chores or acts of servitude
- Causing excessive exercise, sleep deprivation or excessive fatigue
- Interfering with an individual’s personal hygiene
- Requiring the wearing of specific apparel or acting in a way that is conspicuous and may cause the individual embarrassment or ridicule
- Degrading or humiliating games and activities, including paddling
- Activities that would unreasonably interfere with students’ other activities or obligations (academic, extracurricular, family, religious, etc.)
- Physical threats or abuse of any kind including throwing objects or substances at an individual
- Encouraging or requiring a person to consume alcohol, drugs, or foreign or unusual substances, including consumption of large quantities
- Encouraging the use of alcohol or illegal drugs
- Forcing a student into a violation of the law or College policy such as indecent exposure, theft, or trespassing
The College will use a “reasonable person” standard when evaluating such conduct and its potential effects. The determination of whether a particular activity constitutes hazing will depend on the circumstances and context in which that activity is occurring. Some key questions which are used to evaluate whether an activity is hazing include:

- Was a person or group being singled out because of their status with the group or team?
- Was there a risk of physical or psychological discomfort or harm as a result of the activity? Was the activity demeaning, abusive or dangerous?
- Was there a level of coercion and/or peer pressure involved? How easily was someone able to opt out of the activity?
- Did the current members refuse to do what the new members were asked to do?
- Did the activity or activities interfere with the participants’ other activities or obligations (academic, extracurricular, family, religious, etc.)?
- Was alcohol involved?
- Was there a sexual element to the activity?
- Did any of the activities violate College policy or federal, state or local law?

d. How to Avoid Hazing

There are many positive ways to welcome new members into a group or team. Team coaches or the Dean of Students staff can assist you in identifying such activities which can help build cohesiveness and foster teamwork. When you are considering an activity associated with membership in an organization or team ask yourself: Would you feel comfortable describing the activity to others (parents, grandparents, College official, law enforcement, etc.)? If you would be hesitant to describe the activity to others then the activity may constitute hazing and the group would be best served in participating in a different activity.

3. Interference with College Activities

No Pitzer student shall act in an unauthorized way to make impossible the satisfaction of any physical condition necessary for the success of any authorized activity on College-owned property (by College-owned property we understand property owned jointly or individually by any of The Claremont Colleges, or property of any facility or institution owned by or affiliated with the Colleges.) Note: The intent of this policy is not to supersede the College Demonstration Policy as outlined in the handbook.
4. Physical Assault
   No Pitzer student shall assault, hit, punch, or otherwise physically injure any person.

5. Property Offenses
   No Pitzer student shall steal, embezzle, damage, or endanger the property or otherwise violate the property rights of others while on College-owned or operated property. This includes the properties owned and operated by any Claremont College.

6. Stalking
   Stalking is a course of conduct directed at a specific person that would cause a reasonable person to: (1) feel fear for their safety or the safety of others, or (2) suffer substantial emotional distress. Stalking includes behaviors or activities occurring on more than one occasion that collectively instill fear in a victim, and/or threaten their safety, mental health, or physical health. (See the Discrimination and Harassment Policies and Procedures for the complete Stalking Policy.)

7. Threatening or Endangering Conduct
   No Pitzer student shall threaten or endanger the safety and/or well-being of any person.

8. Weapons
   Possession, use, storage, or manufacture of firearms, ammunition, explosives, knives (for which its primary manufactured purpose is not for food use or preparation) and other weapons capable of causing bodily injury are prohibited on campus.

E. Providing false information
   No Pitzer student shall knowingly provide false information in relation to the implementation or enforcement of any College policies, rules or regulations. This includes, but is not limited to, forging instructor or adviser signatures or add-drop sheets or petitions, giving false or misleading information to College employees and committees, and knowingly giving false testimony to Judicial Council in the course of a hearing.

F. Refusal of Compliance
   No Pitzer student shall fail to present identification or comply with reasonable directions of a College official or other Claremont College official acting in the performance of their duties while on College property.

G. Sexual Misconduct
   1. Non-consensual sexual contact is:
      • any intentional sexual touching,
• however slight,
• with any object or body part,
• by a person upon a person,
• that is by force or without consent.

Sexual contact includes: Intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth, or other orifice.

2. Non-consensual sexual intercourse is:
• any sexual intercourse however slight,
• with any object or body part,
• by a person upon a person,
• that is by force or without consent.

Intercourse includes: vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

3. Intimate Partner Violence: The following alleged conduct will be addressed through the Complaint Procedures outlined in this document when the conduct is gender-based.

a. Dating violence (as defined by the Violence Against Women Act) is violence committed by a person
   i. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
   ii. where the existence of such a relationship shall be determined based on a consideration of (1) the length of the relationship, (2) the type of the relationship, and (3) the frequency of interaction between the persons involved in the relationship.

b. Domestic violence (as defined by the Violence Against Women Act) is the use of physical, sexual or emotional abuse or threats to control another person who is a current or former spouse or other intimate partner. It includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person
against an adult or youth victim who is protected from that personal acts under the domestic or family violence laws of the jurisdiction.

4. Sexual Exploitation: Sexual Exploitation is a form of sexual misconduct which occurs when a person takes non-consensual or abusive sexual advantage of another for their own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

   i. Invasion of sexual privacy;
   ii. Prostituting another person;
   iii. Non-consensual video or audio-taping of sexual activity;
   iv. Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
   v. Engaging in voyeurism;
   vi. Knowingly transmitting a sexually transmitted infection, a sexually transmitted disease, or HIV to another person;
   vii. Exposing one’s genitals in non-consensual circumstances; inducing another to expose their genitals;
   viii. Sexually-based stalking.

5. Sexual Assault: “Sexual assault” (as defined by the Violence Against Women Act) means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. Generally, a sexual assault has been committed when an individual engages in sexual activity without the effective consent of the other individual involved. Sexual activity is any touching of a sexual or other intimate part of a person for the purpose of gratifying sexual desire of either party. This includes coerced touching of the actor by the victim as well as the touching of the victim by the actor, whether directly or through clothing.

Consent Defined: Effective consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable and clear permission regarding willingness to engage in (and the conditions of) sexual activity. In order to give effective consent, one must be of legal age and have the capacity to give consent. The legal age of consent in the state of California is 18 years.

- Consent to any one form of sexual activity does not imply consent to any other form(s) of sexual activity.
- A previous relationship or prior consent does not imply consent to future sexual acts.
- Consent can be withdrawn. Thus, even if a person agreed to sexual interaction or
continued sexual interaction, that person has the right to change their mind, irrespective of how much sexual interaction may have already taken place.

6. Force and Coercion: Consent obtained through force is not effective consent. Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force includes the use of threats, intimidation (implied threats) and/or coercion to produce consent. Coercion is unreasonable pressure for sexual activity (“Have sex with me or I’ll hit you.” “Okay, don’t hit me; I’ll do what you want.”). Coercive behavior differs from seductive behavior based on the type of pressure used to get consent. When someone makes it clear that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Note: There is no requirement that a party resists a sexual advance or request, but resistance is a clear demonstration of non-consent. The presence of force, however, is not demonstrated by the absence of resistance.

7. Capacity/Incapacitation: Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing effective consent (e.g., to understand the “who, what, when, where, why or how” of their sexual interaction). Sexual activity with someone who one should have known to be – or based on the circumstances should reasonably have known to be – mentally or physically incapacitated (i.e. by alcohol or other drug use, unconsciousness, asleep, or blacked out), constitutes a violation of this policy.
   a. Incapacity due to alcohol or other substances: Because alcohol or other drug use can place an individual’s capacity to consent in question, sober sex is less likely to raise such questions. Being under the influence of alcohol or other drugs does not in and of itself indicate incapacitation. When alcohol or other drugs, including date rape drugs (such as Rohypnol, Ketamine, GHB, etc.), are involved, a person will be considered unable to give valid consent if they cannot fully understand the details of a sexual interaction (the who, what, when, where, why, or how) because they lack the capacity to reasonably understand the situation. Administering a date rape drug to another individual is a violation of this policy.
   b. Incapacitation due to other reasons: This policy also covers a person whose incapacity results from mental or physical disabilities, sleep, unconsciousness, or involuntary physical restraint.

8. Violating College policies and relevant laws described in the Student Handbook

This includes, but is not limited to, policies on:

1. Alcoholic beverages: See the College Alcohol and Drug Policy section of this handbook and the section on state and local alcohol laws.
a. Students are always encouraged to seek immediate and appropriate assistance and medical attention in alcohol or other drug related emergencies.
b. Students that experience an alcohol and/or other drug related hospitalization will not be subject to punitive measures; this does not preclude educational or rehabilitative measures.
c. Students who appropriately and cooperatively assist another student in receiving medical attention will not be subject to disciplinary proceedings for their actions.

2. Computer use policy: See Computer User Agreement
3. Fire and safety: See Fire Safety Regulations
4. Illegal drugs: See College Alcohol and Drug Policy section of this handbook
5. Other College or Claremont Colleges Policies
6. Outdoor art: See Public Art Policy

Such a suspension does not prejudice that a violation has occurred. Interim suspension will be followed by speedy access to a full and fair hearing.
   1. Appeals

   Pitzer College respects the privacy of members of the College community. However, the College reserves the right to conduct searches of residence hall rooms if reasonable cause exists to believe that (1) activity is taking place which is detrimental to the health, safety, or welfare of the Pitzer College Community, or (2) that activity is taking place which constitutes a violation of the Code of Student Conduct.
Determinations of reasonable cause is to be made by the Dean of Students or their designee. Every effort will be made to have present the student whose room is being searched. In addition, rooms may be entered for routine cleaning services and/or to inspect or repair plumbing, electrical, heating and cooling systems, or room furnishings.

D. Violations of Law
Whether through administrative or Judicial Council action, the College reserves the right to impose sanctions against students for conduct that may violate any federal, state, or local law on or off campus, even though such crimes may also be tried in the local courts. When a student is charged with a legal violation and College disciplinary action is also taken, campus proceedings may be carried out prior to, simultaneously with or following civil or criminal proceedings. The College’s proceedings are not bound by any determinations of fact or law made in any civil or criminal proceedings.

The College Judicial Council

A. Jurisdiction
The Judicial Council shall hold hearings, make determinations of fact and impose sanctions on any Pitzer College student determined to be in violation of the Code of Student Conduct. The Judicial Council shall have appellate jurisdiction in academic dishonesty cases and in administrative review cases where the student has admitted to violating the Code.

1. Complaints: Any person may bring a complaint against a Pitzer student to the Pitzer Dean of Students Office. The Dean of Students Office will attempt to resolve the case, if possible, including in some instances offering the respondent the option of having an administrative review (see Section II.A.2.b). If the complaint cannot be resolved, or if the respondent or the Dean of Students elects a Judicial Council hearing, the Dean of Students will forward the case by preparing a written charge to the Judicial Council.

Note: Complaints by students against faculty and staff follow different processes depending on the type of complaint. For instance, complaints against faculty and staff members involving allegations of harassment, sexual violence, or discrimination follow the complaint procedures outline in the Discrimination and Harassment Policies and Procedures. Office of Student Affairs staff can be very helpful in directing students to the appropriate policy when filing complaints.

2. Intercampus complaints: When Pitzer students are on the campus of another of The Claremont Colleges, they are expected to respect the regulations of that College as well as those of their own College. If a student of another College violates the regulations of the host College, judicial action may be brought against that student at their home college. The name of any students concerned, along with all pertinent information, will be sent to the Dean of Students of the College involved.

3. Notice: In cases coming before the Judicial Council, the Dean of Students Office shall formulate the charge, which shall be a written statement giving the relevant regulation or
policy that has been allegedly violated and the specific behavior or sequence of behaviors alleged to have violated that regulation or policy. The respondent will receive written notice of any violation according to the procedures outlined in Section VII.B.

4. Temporary actions: As a temporary measure, the administration of the host College may, at its own discretion, prohibit a student from coming onto its campus until judicial proceeding at the student’s home college is complete. Such a prohibition shall be communicated to the student through that student in home college at the request of the host College.

Students alleged to have violated the Code of Student Conduct can expect that all procedures outlined in the Code will be followed. Students and Student Clubs/Organizations can access the complete Code of Conduct and procedures at https://www.pitzer.edu/student-life/student-handbook/.

Missing Student Notification Policy

The Clery Act requires institutions that maintain on campus housing facilities to establish a missing student notification policy and related procedures (20 USC 1092 (j) Section 488 of the Higher Education Opportunity Act of 2008).

When it is determined that a residential student is missing from the College, staff at Pitzer College, in collaboration with local law enforcement, will be guided by this Missing Student Notification Policy and related procedures.

Provisions

Students who reside in on-campus housing are strongly encouraged to identify a confidential person to be contacted if it is determined that the student has been missing for more than 24 hours, and to register that person’s emergency contact information through their Student Portal annually. Students are asked to update any changes to the contact information, on an annual basis through their Pitzer student portal. This information is only accessible to College employees who are authorized campus officials and will not be disclosed to others, with the exception of law enforcement personnel in the furtherance of a missing student investigation. If a student is determined to have been missing for 24 hours, the College in consultation with Campus Safety will, within 24 hours, notify the appropriate law enforcement agency, and, if the missing student is under 18 years of age, and not an emancipated individual, the College and/or Department will also notify a custodial parent or guardian. Anyone over 18 years of age may choose not to register a contact. Should a student not formally declare a separate Missing Student Contact, the student’s Emergency Contact on record will be notified in the event that a student is determined to have been missing for 24 hours.

If a member of the College community believes that a student who resides in on-campus housing is missing, it should be reported to the On-Call Dean, and/or the Department of Campus Safety so that appropriate action can be taken.

The appropriate Student Affairs representative, or other individual learning that a student is missing, will file a formal missing student report with Campus Safety, or, the Claremont Police Department.
Currently, Pitzer College uses confidential missing student contact and/or emergency contact information supplied by the students to notify individuals of the missing student no later than 24 hours after the time that Pitzer College determines the student is missing.

In accordance with Pitzer College procedures, it should be noted that Pitzer College will inform each residential student that Pitzer College will notify the appropriate local law enforcement agency or Campus Safety, when a student has gone missing, unless the local law enforcement agency was the entity that made the determination that the student was missing. This notification will be made no later than 24 hours after the time that the student is determined missing, and;

If the campus law enforcement personnel or Campus Safety department has been notified that a student has gone missing, and makes a determination that a student who is the subject of a missing person report has been missing for more than 24 hours, Pitzer College staff will initiate emergency contact procedures as outlined in Pitzer College’s Student Handbook.

Pitzer College’s missing student investigative procedures include the following:

- Students at Pitzer College will receive email notification that a student has been missing for more than 24 hours.
- Require an official Missing Person Report relating to the College residential student to be referred immediately to Campus Safety.
- If nonresidential, Campus Safety will contact local law enforcement in the city that the student resides.
- If through investigation of an official report, Campus Safety determines a student has been missing for more than 24 hours, they will:
  - Notify the local police.
  - Contact the emergency contact individuals provided by the student.
  - If a student is under 18 years of age, and not an emancipated individual, immediately contact the custodial parent(s) or legal guardian(s) of the student, in addition to the student’s confidential missing student contact person.

Daily Crime Log
Campus Safety maintains a Daily Crime Log of all crime reported to the Department. The log includes criminal incidents reported to Campus Safety during the last 60 days and is available on the Campus Safety website at https://services.claremont.edu/campus-safety/clery-daily-crime-logs. Any member of the Claremont Colleges and members of the public may also view the Clery Daily Crime Log on the monitor at the front counter of Campus Safety during normal business hours at 150 E. 8th Street Claremont, CA 91711. This log identifies the type, location, date, time and disposition of each criminal incident reported to Campus Safety. Any portion of the log that is older than 60 days will be made available within two business days from date requested for public inspection.
Crime Prevention and Safety Awareness Programs

In an effort to promote safety awareness, Pitzer College collaborates with The Claremont Colleges Campus Safety to maintain a strong working relationship with the community. This relationship includes offering a variety of safety and security programs and services and crime prevention programming for students and employees. Some of the crime prevention and awareness programs and services offered that encourage community members to be responsible for their safety (and the safety of others) include:

- **Campus Safety** provides high visibility 24/7 patrols by vehicle, electric carts and on foot all campus streets, byways and interior areas to prevent and detect crime, responding to suspicious activity and crime reports. Pitzer College also continues to have a dedicated officer assignments for peak-period needs, including special events.
- **Safety Escort Services**: Campus Safety will respond to requests from students, faculty or staff seeking escort service to avoid walking alone through Pitzer or The Claremont Colleges at any time.
- **Exterior and Interior Emergency Telephone Use**: Emergency phones are located throughout the campuses for a direct, automatic connection to Campus Safety. Some phones have blue lights, while some phones are red or orange in boxes. The Campus Safety dispatcher has the phone locations and will dispatch an officer to the location when the phone is activated, whether the person speaks or not. People are asked to stay near the phone if possible and describe their urgent need while an Officer responds. Community members are encouraged to use emergency phones for danger, fire, medical emergency, crimes-in-progress, or suspicious activity.
- **Fire Alarm System Response**: Campus Safety Officers immediately report to the location if a fire alarm has gone off. While Campus Safety Officers respond to the immediate needs, other agencies, (e.g. police, fire, medical) will be directed to the location, as needed, by Campus Safety. Campus Safety Officers will clear the way and guide other emergency service providers to the exact location. Officers know the campus streets and buildings and are trained in first aid response. Campus Safety has a close working relationship with the Claremont Police Department, the Los Angeles County Fire Department, and local ambulance providers.
- **Campus Safety** provides security/crime prevention presentations to students and staff.
- **Pitzer College** installed self-locking doors to all exterior facing classroom doors so that they may be locked down immediately in the event of an outside threat.
- Provided various emergency training, including Active Assailant Training for Resident Life staff in collaboration with Campus Safety and their Safety Emergency Services Manager.
- The **Office of Student Affairs** participated in the creation of a Pitzer and 7 College Consortium Care Guide providing detailed instructions of how staff and faculty can help a student in distress as well as an extensive list of Pitzer and 7 College Consortium Campus Resources and Crisis Lines. This guide was distributed widely to faculty and staff at the start of the Fall 2018 semester.
Since 2016, Pitzer has become very actively involved with the JED Foundation, participating in their comprehensive, campus-wide evaluation and assessment of College mental health, substance use, suicide prevention procedures and protocols. These findings have allowed us as a campus to further strengthen our efforts and methods to more immediately identify students at risk, thus increasing proactive policies, procedures, programming and solutions to preserving the well-being of our campus community.

Student leaders and Resident Assistants received Question Persuade Refer (QPR) training conducted by another trained professional in Student Affairs. The QPR mission is to reduce suicidal behaviors and save lives by providing innovative, practical and proven suicide prevention training. This program helps dispel myths, and identify warning signs and symptoms about self-harm and suicide ideation. Key components covered in QPR training: (1) How to Question, Persuade and Refer someone who may be suicidal; (2) How to get help for yourself or learn more about preventing suicide; (3) The common causes of suicidal behavior; (4) The warning signs of suicide; and (5) How to get help for someone in crisis.

The Office of Student Affairs has proactively revised our College Behavioral Intervention and Threat Assessment Teams to provide a coordinated, comprehensive response in coordination with Campus Safety, the Claremont Police Department, and other community resources.

Facility Surveys: Facilities staff conduct checks of exterior lighting, doors, windows, hardware and grounds.

Free Bicycle Registration Programming: Campus Safety provides a free 10-year bike registry service (available at Campus Safety office from 8:00 a.m. to 5:00 p.m.)

Free Safety Application for Smartphones: LiveSafe (https://colleges.claremont.edu/livesafe/) is a free personal safety mobile application for students, staff, faculty, and the community to engage in two-way conversation with Campus Safety. It allows users direct access to Campus Safety and 911 emergency services, and creates greater situational awareness and safety preparedness by educating the user on daily safety related updates and statistics.

Awareness is raised by emails to the community highlighting issues of concern facing The Claremont Colleges.

Residence Hall Programming: Passive programs may include designing bulletin boards in the residence halls that promote safety and awareness, participation in bi-annual lighting walks of the campus, meet-and-greet with dedicated Pitzer Campus Safety Officers, Resident Assistant and residence hall floor meetings that emphasize the importance of not propping doors, not allowing in folks you are unfamiliar with, participating in fire drills each semester, and reporting all suspicious activity to Campus Safety immediately.

During 2018, Pitzer College revised its Emergency Management Committee to establish a comprehensive team, including membership from (but not limited to) Human Resources, Campus Safety, Office of Communications, Office of the Dean of Faculty, Residence Life, and the Office of Student Affairs. The team launched a College-wide fire drill evacuation and coordinated the College’s participation in The ShakeOut Earthquake Drill in 2018.
The Pitzer Emergency Management Committee will continue to work on advancing training, resources, preparedness for the College.

Report continued on next page.
Pitzer College Alcohol and Drug Policy
Federal law requires Pitzer College to notify annually all faculty, staff, and students of the following:

The College prohibits the unlawful possession, use, manufacture or distribution of alcohol or controlled substances by students, faculty, staff, and guests in buildings, facilities, grounds or property controlled by the College or used as part of College activities. For students, this includes prohibiting the possession and consumption of any beverage containing alcohol in a residence hall room except by individuals who are twenty-one years or older. In addition, the smoking of any material is prohibited in all facilities at Pitzer College.

Policies Specific to Students
Any student who violates this policy is subject to disciplinary action including sanctions as outlined in the Code of Student Conduct in addition to any penalties resulting from violating local, state and or federal law. Disciplinary sanctions for students may include sanctions ranging from Disciplinary Warning, Disciplinary Probation, up to Suspension or Expulsion from the College. Students residing in College housing may also lose the privilege of living on campus for violating College rules and regulations or conditions of the housing contract. In most cases, the Office of Student Affairs will also assign developmental and educational interventions designed to promote greater awareness and improved decision-making for students and to further deter future misconduct.

Residence Life Alcohol Policy
In light of Pitzer’s distinct educational objective that students develop “concern with the social consequences and ethical implications of knowledge and action,” the College has put in place an alcohol and drug policy grounded in the individual and collective responsibility of each member of the Pitzer community. It is the College’s intent that, “through examining the social consequences and ethical implications of the issues they explore, students learn to evaluate the effects of individual actions and social policies and take responsibility for making the world we live in a better place.” This policy seeks to apply this philosophy to the social life of our own community.

As an institution of higher education, Pitzer College seeks to promote responsible decision-making on the part of all members of the College community, especially in choices, which affect their own health and safety and that of others. The irresponsible use and abuse of alcohol, drugs, and tobacco can result in serious health damage, such as liver disease, respiratory problems and brain damage. Misuse can lead to socially and morally unacceptable behavior such as driving under the influence, sexual violence and violation, impaired judgment with regard to safer sex practices, vandalism and property damage. Such behavior, in addition to being destructive to individuals, is destructive of the community environment that is a key element of Pitzer College.

Students are encouraged to take advantage of alcohol and drug education opportunities made available through college resources such as regular alcohol awareness workshops offered to Pitzer students.
through TCC’s Health Education Outreach. Additional resources are available for individual needs. Among those who have been trained and are prepared to provide information support and referrals are Resident Assistants, Residence Directors, and Deans within the Office of Student Affairs. Students may also wish to consult faculty advisers or the Office of the Chaplains. Monsour Counseling Center can arrange for professional assessment of substance use and abuse and can provide referrals for professional treatment. Students are urged to utilize the full range of services and resources that are thus made available to them.

In adopting and implementing its alcohol and drug policy, Pitzer College is complying with Public Law 101-226, the Drug Free Schools and Communities Act, which requires the College to have a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol on its property or as part of any of its activities.

Pitzer College complies with Federal law regarding the use and possession of marijuana; therefore, marijuana use on campus is prohibited even if the student or their guest’s use meets the qualifications of the California Compassionate Use Act. Documentation of medically prescribed marijuana will not exempt a student or their guest from complying with the College’s Drug Policy.

In addition there are liability issues for both students and the College. Pitzer College community members, regardless of status, are subject to local, state and federal laws, as well as applicable campus policies, and in light of our educational objectives, are to exercise personal and collective responsibility in regard to these laws and campus policies. Faculty adherence is a matter for the Dean of Faculty. Staff adherence is a matter for the Assistant Vice President of Human Resources. Student adherence is the responsibility of the Dean of Students. The following College regulations on alcohol and drug use apply to students.

The College will, whenever possible, seek to use educational and rehabilitative methods to deal with problems related to drug and alcohol consumption. However, where alleged behaviors warrant, the College will not hesitate to use all sanctions available, including expulsion from the College. The range of sanctions is listed under the Code of Student Conduct.

**Regulations Regarding Alcoholic Beverages**

The illegal consumption of alcohol and drugs is not permitted at Pitzer College, or at College sponsored off-campus activities, and is subject to administrative or student conduct response. Furthermore, the College strongly discourages the irresponsible consumption of alcohol at the College and at College sponsored off-campus activities. Consistent with its obligations under applicable laws, it is the policy of Pitzer College to maintain a drug and alcohol abuse free environment. All events involving the serving of alcohol in public areas in which individuals under age 21 will be in attendance, must be registered with the Office of Student Affairs.

The unlawful manufacture, possession, distribution, dispensation, sale, transportation, offer to sell, promotion, purchase and/or use of illicit drugs (as defined in schedules I through V of the Controlled Substances Act 21, U.S. Code 812, as amended) or unlawful alcohol on the Pitzer College campus, or at any off site activity sponsored by the College, is prohibited. In addition, employees shall not report for work or work under the influence of any drug or alcohol or other substance which will impair work performance, alertness, coordination or response, or affect the safety of others on the job. Please consult Pitzer College’s Drug Free Workplace Policy on Human Resource’s Employee Conduct page for more information: https://www.pitzer.edu/human-resources/staff-handbook/employee-conduct/

California and Local Alcohol & Drug Laws
Each member of the Pitzer community is individually and personally responsible for compliance with the applicable provisions of the law of the State of California. The following codes are provided for your information:

Possession by a Person(s) Under 21 Years of Age

Any person under the age of 21 years who has any alcoholic beverage in their possession on any street or highway or in any public place open to the public is guilty of a misdemeanor (PC.25662).

The amendment states that peace officers who lawfully enter premises may confiscate alcoholic beverages which are in plain view and possessed by or provided to underage persons at social gatherings. The gatherings must be open to the public, have ten or more underage persons in attendance, with those under 21 consuming alcoholic beverages and no supervision by the parent or guardian of one or more of the participants. Alcoholic beverages in open containers that are confiscated may be destroyed while those in unopened containers shall be impounded for no more than seven working days after which they too may be destroyed. Unopened containers may

Every person who sells, furnishes, or gives alcohol to any habitual or common drunkard or to any obviously intoxicated person is guilty of a misdemeanor (25602).

False Evidence of Age and Identity

Any person under the age of 21 years who presents or offers to any licensee, his/her agent or employees, any written, printed, or photo static evidence of age which is false for the purpose of purchasing, attempting to purchase, or otherwise procuring or attempting to procure the serving of any alcoholic beverage, or who has in his possession any false or fraudulent written, printed, or photo static evidence of age and identity, is guilty of a misdemeanor and shall be punished by a fine of at least two hundred dollars, no part of which shall be suspended.

Possession in Motor Vehicle by Minor

No person under the age of 21 years shall knowingly possess, transport, or have under his/ her control in any motor vehicle any alcoholic beverage, unless such person is accompanied by a parent or legal guardian or is employed by a license under the Alcoholic Beverage Control Act (Division 9, commencing with Section 23000, of the Business and Professions Code), and is possessing, transporting or has such alcoholic beverage in a motor vehicle under his/her control during regular hours and in the course of his/her employment. If the vehicle used in any violation, as mentioned in the previous paragraph, is registered to such person under the age of 21 years, the vehicle may be impounded at the owner’s expense for not less than one day nor more than thirty days for each violation (VC 23224).
**Marijuana**

**Marijuana Possession**

*Health and Safety Code 11357*

This is the California marijuana law that sets forth the rules for personal possession of marijuana. Possession for personal use of not more than 28.5 grams of marijuana (a bit more than an ounce) is legal in California as of November 9, 2016, for people age 21 and older. So is possession of up to 4 grams of concentrated cannabis (hashish).

**Marijuana Cultivation**

Health and Safety Code 11358 as amended by Proposition 64, allows most people who are 21 and over to cultivate up to six (6) marijuana plants. People under 21 who grow any amount of marijuana, though, are guilty of an infraction. People under 18 who cultivate marijuana illegally must attend drug counseling and perform community service. People 18 and over (but under 21) may be fined up to $100. And cultivating over six marijuana plants remains a crime. Most defendants who plant, cultivate, harvest, dry or process more than 6 living marijuana plants will be charged with a misdemeanor and face up to six (6) months in county jail and/or a fine of up to $500.

AND cultivating more than 6 marijuana plants can be charged as a California felony for the following defendants:

- People with serious violent felonies on their record;
- Registered sex offenders;
- Defendants who have two (2) or more prior convictions for cultivating more than six marijuana plants; and
- Defendants who violate certain California environmental laws in their marijuana cultivation activities.

**Possession for Sale of Marijuana**

Proposition 64 legalized the sale of marijuana--but only for businesses that obtain and operate in accordance with a state license (and possibly local licenses as well). As a result, possession of marijuana with the intent to sell it without a license remains a crime under HS. For most adult defendants, HS 11359 possession for sale without a license is a misdemeanor, carrying the following penalties:

Up to six (6) months in county jail, and/or

A fine of up to five hundred dollars ($500).

But marijuana possession for sale without a license is a felony if any of the following is true:

You have a prior conviction for one of a list of particularly serious violent felonies, including murder, sexually violent offenses, sex crimes against a child under 14, or gross vehicular manslaughter while intoxicated, or a sex crime that requires you to register as a sex offender;

You have two (2) or more prior misdemeanor convictions for marijuana possession for sale; or
You possessed marijuana for sale in connection with a knowing sale or attempted sale to someone under 18.

For these defendants, possessing marijuana for sale is punishable by 16 months, or two or three years in county jail.

Proof of intent to sell marijuana without a license is usually made by circumstantial evidence. Such evidence can include:

- a large quantity of marijuana,
- the presence of items such as baggies and scales,
- pot divided into multiple baggies or containers,
- the presence of cash and/or weapons, and/or
- the opinion of the arresting officer that the marijuana was for sale.

**Transportation of Marijuana**

Transportation for sale of marijuana under HS 11360 is punishable by two (2), three (3) or four (4) years in jail. Finally, transporting marijuana without intent to sell it, or giving marijuana away, is not a crime in California so long as both of the following are true:

You transport or give away not more than 28.5 grams of marijuana or eight grams of concentrated cannabis, and

Any people you give marijuana to are 21 years of age or older.

**Possession of Drug Paraphernalia**

It is unlawful to possess an opium pipe or any device, contrivance, instrument or paraphernalia used for unlawfully injecting or smoking a controlled substance or a controlled substance, which is classified as a narcotic drug (Sec. 11364).

**Controlled Substances**

**Unauthorized Possession of Controlled Substances**

Except as otherwise provided every person who possesses (1) any controlled substance (as classified) or (2) any controlled substance (as classified) which is a narcotic drug, unless upon the written prescription of a physician, dentist, podiatrist, or veterinarian licensed to practice in this state, shall be punished by imprisonment in state prison for a period of not less than two years or more than ten years and shall not be eligible for release upon completion of sentence or on parole or any other basis until she/he has been imprisoned for a period of not less than two years in the state prison (Sec. 11350).

**Possession for Sale of Controlled Substances**

Except at otherwise provided every person who possesses for sale (1) any controlled substance (as classified) or (2) any controlled substance (as classified) which is a narcotic drug, shall be punished by imprisonment in the state prison for a period of not less than five years or more than fifteen years and shall not be eligible for release upon completion of sentence or on parole or any other basis until she/he has been imprisoned for a period of not less than two and a half years in the state prison (Sec. 11351).
Transportation of Controlled Substances
Except as otherwise provided, every person who transports, imports into this state, sells, furnishes, administers or gives away, or offers to transport, import into this state, sell, furnish, administer, or give away, or attempts to import into this state or transport (1) any controlled substance (as classified) or (2) any controlled substance (as classified) which is a narcotic drug unless upon the written prescription of a physician, dentist, podiatrist, or veterinarian licensed to practice in this state, shall be punished by imprisonment in the state prison for a period of five years to life and shall not be eligible for release upon completion of sentence, or parole or any other basis until she/he has been imprisoned for a period of not less than three years in the state prison (Sec. 11352).

Possession with Intention to Manufacture Methamphetamine (PCP)
(PCP) Any person who possesses both methylamine and phenyl-2-propanone (phenyl acetone) at the same time with the intent to manufacture methamphetamine is guilty of a felony and shall be punished by imprisonment in the state prison for between one and five years (Sec. 11383).

Federal law prohibits the possession and distribution of controlled substances, including marijuana, cocaine and heroin. Persons found guilty of possession of controlled substances face a federal civil penalty of $10,000 and a criminal sanction of $5,000 and not more than one year in jail. Federal criminal penalties for possession of controlled substances increase according to the amount possessed.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) requires colleges and universities across the United States to disclose information about crime on and around their campuses. Campus Safety maintains a close relationship with all police departments where Pitzer College owns or control property ensure that crimes reported directly to these police departments that involve the College are brought to the attention of Campus Safety.

Campus Safety and the Office of Student Affairs collect the crime statistics disclosed in the charts through a number of methods. Campus Safety officers enter all reports of crime incidents made directly to the department through an integrated computer aided-dispatch systems/records management system. After an officer enters the report in the system, a department administrator reviews the report to ensure it is appropriately classified in the correct crime category. Campus Safety periodically examines the data to ensure that all reported crimes are recorded in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook and the FBI National Incident-Based Reporting System Handbook (sex offenses only). In addition to the crime data that Campus Safety maintains, the statistics below also include crimes that are reported to various campus security authorities, as defined in this report. The statistics reported here generally reflect the number of criminal incidents reported to the various authorities. The statistics reported for the sub categories on liquor laws, drug laws and weapons offenses represented the number of people arrested or referred to campus student conduct authorities for respective violations, not the number of offenses documented.

The Higher Education Opportunity Act enacted on August 14, 2008, requires institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety practices and standards of the institution. The following report details all information required by this act for Pitzer College.

Definitions
The following terms are used within this report. Definitions have been obtained from the Higher Education Opportunity Act:

On-Campus Student Housing
A student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within a reasonable contiguous area that makes up the campus.

Fire
Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Building Evacuations, Fire Alarms, and Smoke Detectors
One approved fire drill per semester will be conducted in each residence hall. The Residence Life staff will discuss the evacuation plan and meeting locations during hall/floor meetings. The participation of everyone is required. Individuals refusing to evacuate a building during a fire alarm or other building evacuation will be cited by the Fire Marshall and/or College officials and are subject to disciplinary action. The removal of, or tampering with firefighting equipment is a violation of state law, and the setting off of “false” fire alarms endangers the lives and property of the Pitzer College community and is prohibited. This includes tampering with your smoke detector (removing batteries, etc.) or fire extinguisher. This violation of state law can result in a fine of up to $1000 and a possible jail term of up to one year. Disciplinary action will take place against an individual or group that violates this policy.

Fire Alarms, Building Evacuations and Campfires
The careless use of fire, the removal of or tampering with firefighting equipment and the setting off of “false” fire alarms endangers the lives and property of the Pitzer College community and is prohibited on its campus. This violation of state law is classified as a misdemeanor and can result in a fine of up to $1000 and a possible jail term of up to one year. Disciplinary action will take place against an individual or group that violates this policy. Individuals refusing to evacuate a building during a fire alarm or other building evacuation can be cited by the Fire Marshall and are subject to disciplinary action. Refer also to the section on fire safety regulations within the Pitzer College Student Handbook in the section on Residential Living.
**Fire Sprinkler Systems**

Fire sprinklers have been installed in all residential buildings except for Mead hall. Only the lower levels of Mead hall have fire sprinklers installed.

Tampering with the fire sprinklers is a fire code violation. *Any unauthorized modification to the fire sprinkler system is in direct violation of the LACFD and is subject to fines.* Any and all damages associated with the sprinkler heads will result in vandalism charges to the student including the replacement of sprinkler heads, any water damage due to flooding, and the fire department response. Keep in mind that flooding may not be limited to a student’s room and they could be responsible for damages to numerous rooms.

**Halogen Light Policy**

Pitzer College prohibits the use of halogen lamps. They are prohibited even if they are intended for decoration, recreation or ceremonial use.

**Open Flames**

Due to the danger presented by open flames, candles or any other flame may not be used on the Pitzer College campus unless they are used as part of a campus event and approved by the Office of Student Affairs.

State law allows for open campfires only under certain requirements, which can be facilitated through the Office of Student Affairs and Facilities. Under no circumstances will fires in the Arboretum/Outback be allowed, due to the highly flammable vegetation in the area.

**Explosives**

Any items containing explosives are absolutely prohibited in the residence halls, and in vehicles anywhere on campus. These items include, but are not limited to fireworks. In addition, combustibles in containers, such as gasoline cans or camping fuel, are never allowed in the residence halls. These items are prohibited even if they are intended for decoration, recreation, or ceremonial use.

Furthermore, vehicles such as, motorcycles, motor scooters, motorbikes, and mopeds, cannot be parked or stored in student rooms or anywhere within the vicinity of residence halls or campus buildings and (except those operated by Campus Safety and emergency vehicles on official business) are prohibited on the interior of campus, i.e., those areas not designated for vehicle traffic.

In regards to residence hall rooms, as outlined in the Pitzer College Student Handbook under Residence Life and Housing Policies and Procedures, nothing can be attached to or hung on the ceilings in residence hall rooms; this includes, but is not limited to posters and tapestries.

**Fire Statistics for On-Campus Student Housing Facilities**

The Office of Student Affairs maintains a Fire log that includes the nature, date, time and general location of every fire that occurs in an on campus housing facility. The log is available for inspection by contacting the Facilities Office, Monday through Friday during normal business hours.
Description of On-Campus Student Housing Fire Safety Systems: Residence Halls and Live-In Faculty/Staff Apartments

Pitzer College complies with all local, state and national fire regulations. All of Pitzer College residential buildings have fire alarms and have redundant suppression equipment that includes automatic sprinkler systems and manual fire extinguishers. Evacuation drills of all residential buildings are conducted each semester for a total of two evacuation drills per academic year. Fire safety systems are routinely inspected and monitored as mandated by the County of Los Angeles. A log of these inspections is maintained by the Pitzer College Facilities Department.

### Fire Safety Education and Training Programs for Students, Faculty and Staff

The Resident Assistants receive fire prevention and response training during Resident Assistant training each August. The training consists of a classroom instruction followed by hands on application of fire extinguishers. In addition, evacuation drills are conducted each semester.

Topics addressed during this training include:

- Fire prevention in the residence hall
- What to do in the event of a fire
- How to report a fire or other emergency
- Fire Incident Reporting
- Students, faculty and staff are instructed to call 909-607-2000 to report a fire emergency.

Non-emergency notifications (e.g. evidence that something burned) are made to:

Campus Facilities 909-607-2226 or the Office of Student Affairs 909-621-8241.

### Plans for Future Improvements in Fire Safety

The College’s Emergency Management Committee is responsible for oversight of all emergency response and preparedness initiatives and Fire Safety falls under its jurisdiction. These initiatives are regularly reviewed by the Committee.
CRIME PREVENTION TIPS

While the Pitzer College campus is a reasonably safe environment, crimes do occur. In addition to the Clery Act crimes statistics below, other common crimes that occur on campus are outlined below:

Theft
Theft is a common occurrence on college campuses. Oftentimes this is due to the fact theft is a crime of opportunity. Confined living arrangements, recreation facilities, and many open classrooms and laboratories provide thieves with effortless opportunities. Occupants of the residence halls often feel a sense of security and home atmosphere and become too trusting of their peers, while others leave classrooms and laboratories unlocked when not occupied for short periods of time.

The theft occurring most often across The Claremont Colleges and certainly at Pitzer College is bicycle theft. We highly recommend that students, faculty and staff secure their bikes properly to a bike rack using a U-lock. The Green Bike Program sells the locks and teaches the proper technique for securing bicycles.

As part of The Claremont Colleges, it is extremely common to see someone you do not recognize, but assume is a member of the community. It is important to be very vigilant when it comes to suspicious persons. Never leave items and valuables lying around unsecured. We recommend using laptop locks. All desks in Pitzer, Atherton, Sanborn, East and West Halls contain a desk drawer with a locking mechanism. We recommend purchasing a padlock or other small locking device to secure medication, passports, cash, small electronics, etc. Doors should be locked at all times. The following is a list of suggestions to help you not fall victim of theft:

- Keep doors to residence halls, labs, classrooms locked when not occupied
- Do not provide access to unauthorized persons in the buildings or classrooms
- Do not keep large amounts of money with you.
- Lock all valuables, money, jewelry, checkbooks in a lock box or locked drawer
- Keep a list of all valuable possessions including the makes, models, and serial numbers
- Do not leave laptop computers or textbooks unattended in study rooms, classrooms, labs or libraries, even if it is for a short period of time
- Do not lend credit cards or identification cards to anyone
- Report loitering persons or suspicious persons to Campus Safety immediately; do not take any chances

Identity Theft
Identity theft is a crime in which someone wrongfully obtains and uses another person’s personal information in some ways that involve fraud or deception, typically for economic gain. This personal data could be a Social Security number, bank account or credit card information.

- Persons involved in identity theft often use computers or other forms of media to assist them.
- There are measures you can take to prevent this from happening to you:
• Do not give anyone your personal information unless there is a reason to trust them and the release is for good reason.
• Never give your credit card information, date of birth, or other information over the telephone, unless you can confirm the person receiving that information.
• Complete a credit check frequently to assure there is no suspicious activity.
• Examine financial information often to assure all transactions are authorized and accounted for.
• Use of computer security software on computers and installation of firewalls are good.
