Effective immediately, Aetna members will have access to the following resources:

**Aetna will waive co-pays for all diagnostic testing related to COVID-19.** This policy will cover the test kit for patients who meet CDC guidelines for testing, which can be done in any approved laboratory location. Aetna will waive the member costs associated with diagnostic testing at any authorized location.

**For the next 90 days, Aetna will offer zero co-pay telemedicine visits – for any reason.** Aetna members should use telemedicine as their first line of defense in order to limit potential exposure in physician offices. Cost sharing will be waived for all video visits through the CVS MinuteClinic app, Aetna-covered Teladoc® offerings and in-network providers delivering synchronous virtual care (live video-conferencing).

**The Student Health Services Referral Requirement** will be waived for all Undergraduate Claremont Colleges Student Health Insurance Plan members, effective 3/13/20 through 5/15/20.

The Aetna Student Health team will continue to provide updates as we receive them. For questions, please contact your Account Executive, Alison Gunter, at 619-385-6008.
