Training, serving without bias or conflicts of interest

EXPECTATIONS

Expectations: Training

• *Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process* receive training on:

  ▪ Definition of sexual harassment in § 106.30,
  ▪ The scope of the recipient’s education program or activity,
  ▪ How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and
How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Expectations: Bias & Conflicts

Any individual designated as a Title IX Coordinator, investigator, decision-maker, or to facilitate an informal resolution process, must “not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.”
§106.45(b)(1)(iii)

But not advisors. . .

The final regulations impose no prohibition of conflict of interest or bias for advisors

85 FR 30254 n.1041
Bias: what does it mean?

“Whether bias exists requires examination of the particular facts of a situation . . .

. . . and the Department encourages recipients to apply an objective (whether a reasonable person would believe bias exists), common sense approach to evaluating whether a particular person serving in a Title IX role is biased[.]”

85 FR 30248.
Bias: what does it mean?

• Treating a party differently on the basis of the party’s sex or stereotypes about how men or women behave with respect to sexual violence. 85 FR 30238-40.

• Treating any individual differently on the basis of an individual’s protected characteristic, including sex, race, ethnicity, sexual orientation, gender identity, disability or immigration status, financial ability, socioeconomic status, or other characteristic. 85 FR 30084.
Impermissible Bias

Making a decision based on the **characteristics** of the parties, rather than based on the **facts**
What is not defined as bias?

1. Outcomes of the grievance procedure

The Department cautions parties and recipients from concluding bias based solely on the outcome of the grievance procedure.

“[T]he mere fact that a certain number of outcomes result in determinations of responsibility, or nonresponsibility, does not necessarily indicate or imply bias on the part of Title IX personnel.”

85 FR 30252
What is not defined as bias?

2. Title IX Coordinator Signs Formal Complaint

When a Title IX Coordinator signs a formal complaint, it does not render the Coordinator biased or pose a conflict of interest.

The Department has clarified that this does not place the Title IX Coordinator in a position adverse to the respondent because the decision is made on behalf of the recipient and not in support of the complainant or in opposition of the respondent.
What is not defined as bias?

3. Professional/Personal Experiences or affiliations

Not *per se* bias; exercise caution not to apply “generalizations that might unreasonably conclude that bias exists”:

- All “self-professed feminists” or “self-described survivors” as biased against men
- A male is incapable of being sensitive to women
- History of working in a field of sexual violence
- Prior work as a victim advocate = biased against respondents
- Prior work as a defense attorney = biased in favor of respondents
- Solely being a male or female
- Supporting women’s or men’s rights
• Having a personal or negative experience with men or women
But consider . . .

Whether a Title IX personnel has a bias and/or conflict of interest is determined on a case-by-case basis, and any combination of the experiences or affiliations on the prior slide *may* constitute bias and/or conflict of interest, depending on the circumstances.

What are they?
Conflicts of Interest:

The Department also declines to define conflict of interest and instead, leaves it in the discretion of the recipient.

What are they?
Conflicts of Interest:

- It is **not** a conflict of interest for the Title IX Coordinator to serve as the investigator.
- However, **it is** a conflict of interest for the investigator and/or the Title IX Coordinator to serve as the decisionmaker or appeal decision-maker.

85 FR 30367

What are they?
Conflicts of Interest:

• It is **not** a conflict of interest for a recipient to fill Title IX personnel positions with its **own employees**

• Recipients are not required to use outside, unaffiliated Title IX personnel. 85 FR 30252.

• Any recipient, *irrespective of size*, may use existing employees to fill Title IX roles, “as long as these employees do not have a conflict of interest or bias and receive the requisite training[.].” 85 FR 30491-92.
Conflicts of Interest:

• Even a student leader of the recipient may serve in a Title IX role. 85 FR 30253.
Serving Impartially

Avoid prejudgment of the facts at issue, conflicts of interest, and bias

&

Don’t rely on sex stereotypes
Avoiding Prejudgment of the Facts at Issue

• Cannot **pass judgment** on the allegations presented by either party or witnesses

• Cannot **jump to any conclusions** without fully investigating the allegations and gathering all of the relevant facts and evidence from all parties involved.
Avoiding Prejudgment of the Facts at Issue

Regulations necessitate a broad prohibition on *sex stereotypes*

Decisions *must* be based on individualized facts, and not on stereotypical notions of what “men” and “women” do or not do
Avoiding Prejudgment of the

85 FR 30254

Facts at Issue

- The Department permits institutions to apply traumainformed practices, so long as it does not violate the requirement to serve impartiality and without bias.

- It is possible, “albeit challenging,” to apply traumainformed practices in an impartial, non-biased manner.
Avoiding Prejudgment of the

- Any trauma-informed techniques must be applied equally to all genders

85 FR 30256, 30323

Facts at Issue

- Any and all stereotypes about men and women must be checked at the Title IX door.
- Leave behind any prior experiences, whether that be from past Title IX proceedings or personal experiences.
Avoiding Prejudgment of the

• Approach the allegations (of both parties) with neutrality at the outset

• Treat both parties equally and provide an equal opportunity to present evidence, witnesses, and their versions of the story.

Facts at Issue

Bottom Line: The fact that an individual is
Avoiding Prejudgment of the

“male”, “female”, or “non-binary” should not, and cannot, have any bearing on the credibility of the party or witness or how Title IX personnel approach the situation.
The Regulations

THE GRIEVANCE PROCESS
Formal Complaint

What is Formal Complaint?

“[A] document

• filed by a complainant or signed by the Title IX Coordinator

• alleging sexual harassment against a respondent and

• requesting that the recipient investigate the allegation of sexual harassment.”
§ 106.30

Formal Complaint

In other words, complainant must assent or the Title IX Coordinator must believe it is necessary.

- “The formal complaint requirement ensures that a grievance process is the result of an intentional decision on the part
Formal Complaints: Mandatory Dismissal

• When a Formal Complaint is filed, the Title IX Coordinator evaluates the Formal Complaint
• If one (or more) of the following conditions is not met, the Title IX Coordinator must dismiss the Formal Complaint for Title IX purposes:
- Conduct alleged, if true, does not meet § 106.30 sexual harassment definition;
- Conduct alleged did not take place within the University’s educational program or activity;
- Conduct alleged is not perpetrated against a person in the United States; **or**
- At time of filing Formal Complaint, Complainant is not participating in or attempting to participate in the University’s programs or activities
Formal Complaints: Discretionary Dismissal

• If one (or more) of the following conditions is **not met**, the Title IX Coordinator **may dismiss** the Formal Complaint for Title IX purposes:
  
  • Complainant withdraws Formal Complaint or allegations in writing;
  
  • Respondent is no longer enrolled or employed by the University; or
Specific circumstances prevent the University from gathering evidence sufficient to reach a determination regarding responsibility.

§ 106.45(b)(3)(ii)

Formal Complaints: Notice & Opportunity to Appeal

Dismissal Notice & Right to Appeal

- Upon a mandatory or discretionary dismissal, the University must promptly send written
notice of the dismissal and reason(s) therefor simultaneously to the parties. 106.45(b)(3)(iii).

- Both parties must be provided equal right to appeal a dismissal decision. 106.45(b)(8).

**Formal Complaint: Consolidation**

- University **may consolidate** multiple Formal Complaints (§ 106.45(b)(4))
• Same facts or circumstances involving multiple respondents or multiple complainants

• Allegations of conduct that are temporally or logistically connected

• University may consolidate or refer allegations implicating other policies
The Investigation

The University **must investigate** allegations in a **Formal Complaint**

• *Remember: Formal Complaints request that the “recipient investigate the allegation of sexual harassment.”*

§ 106.30
The Investigation

• Must provide equitable opportunities to all parties, including:
  - Opportunity to be accompanied to all meetings, conferences, and hearings by an advisor of choice
  - Opportunity to participate, or not, in any portion of the investigation
The Investigation

- **All available evidence gathered**
  - (Evidence sent to parties/advisors)

- **Evidence directly related to the allegations in the formal complaint**
  - (Evidence included in the Investigative Report)

- **Relevant evidence**
The Hearing

• **Live**
  - See & hear
  - May be “virtual”

• **With Cross-Examination**

• Results in a determination of responsibility
The Hearing Officer

• Hearing officer designated to preside over the hearing.

• Responsibilities:
  ▪ Make relevance determinations on evidence and cross examination questions at hearing
  ▪ Ask questions of parties and witnesses to support a determination by a preponderance of the evidence as to what happened
Determine whether the Policy was violated

Cross-Examination

Cross-examination: Advisor asks other party and witnesses relevant questions and follow-up questions, including those challenging credibility
Cross-Examination

• Decision-maker must **permit** each party’s **advisor** to **conduct** cross-examination of the other party and all witnesses

• Cross-examination may **not** be conducted by the parties themselves (only advisors)

• If a party does not have an advisor present at the hearing to conduct cross-examination, the
institution must provide an advisor without fee or charge

Role of Advisor

• Cross “on behalf of that party” is satisfied where the advisor poses questions on a party’s behalf. 85 FR 30340.

• Regulations impose no more obligation on advisors than relaying a party’s questions to the other parties or witnesses. 85 FR 30341.
Role of Assigned Advisor

• Assigned advisors are not required to assume that the party’s version of events is accurate, but still must conduct
crossexamination on behalf of the party. 85 FR 30341.

Relevance & Mechanics of Questioning

• Questions asked → Must be relevant
  ▪ “Ordinary meaning of relevance.” 85 FR 30247, n. 1012.

• Decision-maker determines whether question is relevant
- And must explain its reasoning if a question is deemed not relevant. 85 FR 30343.

**What is Relevant Evidence?**

**relevant** | \
| 're-lə-vənt \ adj. **a:** having significant and demonstrable bearing on the matter at hand **b:** affording evidence tending to prove or disprove the matter at issue or under discussion
Relevance Determinations

The following evidence is always considered “irrelevant” (or otherwise not admissible):

- Any party’s medical, psychological, and similar treatment records without the party’s voluntary, written consent;
- Any information protected by a legally recognized privilege without waiver;
- Complainant’s prior sexual behavior (subject to two exceptions) or sexual predisposition; and
- Party or witness statements that have not been subjected to cross-examination at a live hearing.
85 FR 30293 n. 1147
Rape Shield Provision

- Prohibits questions or evidence about a complainant’s prior sexual behavior, with two exceptions. See 34 CFR § 106.45(b)(6).

- Deems all questions and evidence of a complainant’s sexual predisposition
Rape Shield Provision

irrelevant, with no exceptions. See 85 FR 30352.

• There are two exceptions where questions or evidence of past sexual behavior are allowed:
  
  • **Exception 1**: Evidence of prior sexual behavior is permitted if offered to prove someone other than the respondent committed the alleged offense.
Rape Shield Provision

• **Exception 2**: Evidence of prior sexual behavior is permitted if it is specifically about the complainant and the respondent **and** is offered to prove consent. 34 CFR § 106.45(b)(6).

• Does not permit evidence of a complainant’s sexual behavior with anyone other than the respondent.
Hearsay

• If a party or witness does not submit to cross-examination at the live hearing, then the decision-maker cannot rely on **ANY** statement of that party or witness in reaching a determination regarding responsibility.
  
  ▪ *If a party’s advisor asks a relevant question of another party or a witness, and the party/witness*
Hearsay

declines to respond to the question, then the decisionmaker is precluded from relying on any statement made by that party or witness.

• Statement
  ▪ Ordinary meaning
    ▪ A person’s intent to make factual assertions
Hearsay

- Hearsay prohibition **does not apply** if the Respondent’s statement, itself, constitutes the **sexual harassment at issue**.
  - The verbal conduct does not constitute the making of a factual assertion to prove or disprove the allegations of sexual
Hearsay

harassment because the statement itself is the sexual harassment.

• Hearsay prohibition **does not apply** to a party or witness’ refusal to answer questions *posed by the decisionmaker*. 85 FR 30349.

  ▪ So, a party’s failure or refusal to answer a question posed by the decision-maker does
Hearsay

not prohibit the decision-maker from relying on the party’s statements.

• Decision-makers cannot draw an inference as to responsibility based on a party or witness’s refusal to answer.

• Prohibition against drawing inferences applies when a party or witness refuses to answer cross-examination questions posed
Hearsay

by a party advisor or refuses to answer questions posed by a decision-maker
THE OUTCOME

Outcome Determination

At the conclusion of the hearing, the decision-maker must issue a written determination of responsibility.
Written Notice of Outcome

Contents:
1. Identification of the allegations potentially constituting Sexual Harassment;
2. A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of this Policy to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility;
6. Description of any sanctions imposed on the Respondent and whether remedies designed to restore or preserve equal access to
the university’s education Programs or Activities will be provided to the Complainant; and
7. Information about the appeal process.

Written Notice of Outcome – Sanctions and Remedies

The written determination must include a statement of, and rationale for, the result as to each allegation, including any disciplinary sanctions imposed on the
respondent, and **whether** remedies will be provided by the recipient to the complainant. §106.45 (b)(7)(ii)(E).

**Written Notice of Outcome**

- Title IX Coordinator provides the written determination to the parties **simultaneously**.

- The determination regarding responsibility **becomes final** either on the date that the University provides the parties with the written determination of the result of the appeal, if an
appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

106.45(b)(7)(iii)

After the Hearing & Notice of Decision

APPEALS
Mandatory & Equal Appeal Rights

• University must offer both parties an appeal from a determination regarding responsibility and from an institution’s dismissal of a formal complaint or any allegations therein (whether or not it is a mandatory or discretionary dismissal). §106.45(b)(8)(i)

• Parties must have an equal opportunity to appeal any dismissal decision

§ 106.45(b)(8)(i)-(ii)
Grounds for Appeals

• The University **must offer both parties** an appeal on the following bases:
  ▪ Procedural irregularity that affected the outcome of the matter;
  ▪ New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
  ▪ The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

• The University **may offer** an appeal equally to both parties on additional bases.
§ 106.45(b)(8)(i)-(ii)

Requirements for Appeals

Requirements for Appeals:

• Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties (TIXC);

• Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

• Ensure that the decision-maker(s) for the appeal complies with the standards set forth in paragraph (b)(1)(iii) of this section;

• Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome [of the initial determination];

• Issue a written decision describing the result of the appeal and the rationale for the result; and
• Provide the written decision simultaneously to both parties.

§106.45(b)(8)(iii)
