

RIDESHARE SAFETY:

What's My Name?

- Ask the driver their name and ask for the name of the passenger they are picking up.
- Match the license plate number, car make, model and color to the app.
- Make sure the child lock is not engaged.
- Never get in front seat while traveling alone.
- Leave the app open to report an emergency immediately (via the app emergency button).
- Tap “Share status” in the app to share your driver’s name, photo, license plate, and location with a friend or family member.
- Don’t share your phone number or other contact information with your driver.
- When possible ride with a friend.
- Follow your intuition/trust your instincts. If in danger, call 911 immediately.
