AVAILABILITY, LOCATION, AND METHODS TO SUMMON LAW ENFORCEMENT ASSISTANCE

Enforcement and Arrest Authority

The Campus Safety Department of The Claremont Colleges Services, serving The Claremont Colleges, is located at 150 East Eighth Street and provides safety services 24 hours a day to our community. Our Campus Safety Dispatch Center can be reached directly 24 hours a day by phone at (909) 607-2000. The Campus Safety Department is a non-sworn safety department that provides a safe and secure learning and working environment for the campuses communities of all seven Claremont Colleges. The Campus Safety Department enforces policies, procedures, and the parking regulations outlined by each of the colleges. The Campus Safety Officers of The Claremont Colleges Services have private citizen's powers to arrest. Penal Code Section 837 specifies the conditions under which officers, as a private person, may make an arrest. A private person may arrest another:

1. For a public offense committed or attempted in their presence.
2. When the person arrested has committed a felony, although not in their presence.
3. When a felony has been, in fact, committed and they have reasonable cause for believing the person arrested to have committed it.

Campus Safety has an excellent working relationship with local law enforcement agencies. The Claremont Police Department has primary jurisdiction for the enforcement of state, federal, and local laws. Both agencies help provide proactive safety patrols of the The Claremont Colleges community and surrounding area. Additionally, the Campus Safety Department of The Claremont Colleges and the Claremont Police Department have entered into a "Memorandum of Understanding" (MOU) to establish guidelines and clarify jurisdictional and administrative responsibilities dealing with Part I and Clery reportable crimes, as well as operational working relationships. The Campus Safety Department of the Claremont Colleges also maintains a "Memorandum of Understanding" (MOU) with the Upland Police Department.

Regular inspections and surveys of campus indoor/outdoor lighting, shrubbery and walkways are conducted. Each of the colleges actively participates in crime prevention through environmental design concepts for planning and improvements on campus.

Special Event Safety Planning

Preparation for large events on campus involves the creation of Incident Action Plans consistent with the Standardized Emergency Management System and in collaboration with agencies and contracted safety personnel.

New Student Orientation

Campus Safety personnel participate in and provide personal safety tips and emergency contact information to new students regularly. Students are informed of policies, voluntary confidential crime reporting procedures, and safety programs.

New Employee Orientation

Throughout the year, Campus Safety personnel present safety policies and procedures to new employees, in cooperation with the Human Resources department. Employees are informed of injury and illness prevention, workplace violence, safety programs, and voluntary confidential crime reporting procedures.
