Parking and Traffic Regulations
Governing the Use of Motor Vehicles
General Safety Tips

- Be aware of your surroundings and any signs that something appears to be wrong or out of place.
- Stay in well-lit areas and walk mid-point between curbs and buildings and away from alleys and bushes when possible.
- Work or study only in occupied buildings at night.
- Do not carry extra credit cards or large sums of money.
- Do lock your valuables securely, even in your room.
- Walk with someone whenever possible.
- Do not risk personal injury if someone forcibly attempts to take your wallet, purse or property.
- Do carry a whistle or personal alarm and use it when you feel threatened.
- Keep an inventory of personal property and mark items with your driver’s license number and the state.
- Acquaintance rape happens here. Learn the danger signs.
- Distance yourself from the misuse of alcohol/drugs: the consequences can be far worse than a bad headache the next morning.
- Do not attach your ID to your key chain or mark your keys with your name and address.
- Get to know your neighbors and share information about suspicious activities.
- Download the LiveSafe safety app (available via the App Store and Google Play) to contact Campus Safety, report crimes, send tips and virtually safe walk around the colleges.

Car Safety

- Auto theft is a problem nationally as well as on these campuses. Take action to safeguard your vehicle.
- Lock all doors after parking.
- Help secure your car against grand theft/burglary with an electronic alarm and/or kill switch.
- Keep a copy of your registration, title and vehicle I.D. number in a safe place separate from your vehicle.
- Store your valuables out of sight.
- If you park your car but do not use it regularly, check on it daily.
- Immediately report thefts, as well as suspicious activity in parking lots or near parked cars, to Campus Safety.

Bike Safety

- State law, as well as county and city ordinances and codes mandates adherence to bicycle rules of the road as well as specific equipment guidelines. Learn the laws for your own safety.
- Ride defensively, with the traffic, and use hand signals.
- Please be considerate of pedestrians and drivers in vehicles.
- You can be issued a ticket for sidewalk driving, speeding, etc. in Claremont.
- Keep your bike maintained—especially the brakes.
- Register your bicycle with National Bike Registry at no cost at Campus Safety.
- Use a U-LOCK to secure your bicycle frame and wheels to a rack. Bikes locked with cables and small chains are stolen frequently.
- Report suspicious activity or loitering around bike racks. Thieves usually carry a bolt cutter or other cutting tool.
- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
- Never leave your bike unsecured — even for a moment.

Office Safety

- When working late, make sure doors are locked. Let someone know of your location and expected departure time.
- Never prop doors open, even for a short time. Your action could contribute to incredible harm to yourself or someone else.
- Do not loan your office keys or allow them to be copied.
- Do not hold a door open for a stranger.
- Keep your purse, wallet, or other valuables in a locked cabinet or drawer. Office thieves know where to look.
Regulations Governing the Use of Motor Vehicles on The Claremont Colleges

(Revised September, 2021)

I. Introduction
The Claremont Colleges extend the privilege of operating motor vehicles on the campus to all duly registered students and to employees and visitors.

Campus Safety is charged with vehicle registration and parking enforcement duties. There is no ticket/citation quota system at The Claremont Colleges. All vehicle registration fees and citation fines collected become revenue for the students’ or employees’ campus.

All motor driven conveyances, whether automobiles, motorcycles, motor scooters, or motor bikes, regardless of size, shape or number of wheels, are defined in these regulations as vehicles. All privately owned vehicles (as opposed to college-owned vehicles) while in operation or parked within the confines of The Claremont Colleges are restricted to the use of regularly designated streets and parking lots.

The Colleges, the director of Campus Safety, or the Traffic Appeals Committee of the colleges, may withdraw motor vehicle privileges from any college employee or student at any time for cause.

All vehicles parked on Claremont Colleges’ property must be currently registered, guests must display a current visitor pass on their vehicle. Vehicles not currently registered are subject to being cited and/or towed/booted.

All vehicles must be registered with Campus Safety within three days of being on The Claremont Colleges property.

Visitor parking permits for guests are available at the colleges.

Student vehicle registrations are valid only on the student’s home campus.

II. Required Maintenance of Financial Responsibility (CVC Section 16020a)
“Every driver and every owner of a motor vehicle shall at all times be able to establish financial responsibility specified in CVC Section 16021, and shall at all times carry in the vehicle evidence of the form of financial responsibility in effect for the vehicle.”

Campus Safety can require everyone registering a vehicle to present evidence that the vehicle is covered by liability and property damage insurance.

III. Responsibilities
A. The person in whose name a vehicle is registered on campus shall at all times be responsible for any citation fines and penalties and any liability or damage claims arising in connection with the possession or operation of the motor vehicle on campus.

B. For vehicles not registered at The Claremont Colleges but located on campus, either with or without permission, the primary driver of the vehicle while on campus and/or the registered owner as listed by the State Department of Motor Vehicles, shall be responsible for all fines and penalties incurred and/or any liability or damage claims arising in connection with the possession or operation of the vehicle on campus.

C. The Claremont Colleges assume no legal responsibility for the care or protection of any vehicle or its contents at any time including the time it is in any parking area or the time during which it has been impounded.

IV. Registration Procedures and Requirements
A. Student and Employee Vehicle Registration fees are determined by the individual’s College.

Campus Safety receives no revenue from the vehicle registration fees.

Vehicle registration fees will be billed to the student’s account.

No rebate of fees will be made.
B. Vehicle registration is mandatory for all employees, faculty and staff who drive or bring motor vehicles on the Claremont Colleges’ property. Registration fees and methods of payment for employees, if applicable, are established by their respective campus of employment.

C. Failure to register your vehicle incurs a fine of $50 in addition to the registration fee, plus $50 for each additional failure to register citation.

D. Only one vehicle per student or employee is permitted on campus at a time.
