COVID-19 Testing Sites

- **Appointment ahead of time recommended**
- **Most places allow appointments to be made on-line**
- **Many places allow walk-in but waits can be long. Advise call prior to walk-in**
- **Locations may require seeing a medical provider before a test is done and not charge patient for consultation. Always confirm before going.**
- **Pomona valley urgent cares – do not do testing for asymptomatic patients. All patients need to see medical provider before a test will be done.**
