Keck Graduate Institute School of Pharmacy Health Forms

Forms for all other KGI programs can be found at <https://bit.ly/3wPTf19>.

Congratulations and welcome to The Claremont Colleges (TCC) and your Student Health Services!

Attached is your **Entrance Personal Health History/Medical Examination Report Form**.

This form provides your history of previous medical care from your personal health care provider and is the basis for your continuing medical care on campus. ***Completion in full regardless of your status (i.e. part-time, exchange, or transfer student) is required for registration at any of The Claremont Colleges.*** This form must be submitted by July 15th for students beginning in the Fall semester and by January 15th for students beginning in the Spring semester.

Please complete pages one, two, and three yourself. Pages is to be completed by your personal health care provider.

Once your form has been completed, mail it to Student Health Services at 757 College Way, Claremont, CA 91711, fax it to (909) 621-8472 or upload it directly to SHS at <https://bit.ly/2WfxT3m>.

In addition to submitting this completed entrance health form to Student Health Services as noted above, KGI PharmD students are required to submit additional health and immunization records directly to the school using their Complio program. Please go to the Complio website at <http://kgicompliance.com> to create an account, order appropriate packages, and submit the required documentation. For complete instructions on how to utilize the Complio program, please refer to the pre-orientation material provided by Student Affairs.

All students are required to carry major medical insurance to provide supplemental coverage in the event of an acute injury or illness requiring hospitalization. A Student Health Insurance Plan (SHIP) is available to students attending TCC. International students are required to purchase the Student Health Insurance Plan (SHIP). Please contact your Dean of Students' Office for brochures and plan information.

The staff at Student Health Services looks forward to assisting you with your health care needs while you are at The Claremont Colleges. Our website, www.services.claremont.edu/student-health-services has more information about our services.

Thank you for your cooperation. Your compliance helps protect the health of the entire campus community.

This information is to inform you about meningococcal disease, a potentially fatal bacterial infection commonly referred to as meningitis, and the current recommendations from the Centers for Disease Control and Prevention (CDC) along with the recommendations of the Advisory Committee on Immunization Practices (ACIP).

Meningitis is rare. However, when it strikes, its flu-like symptoms make diagnosis difficult. If not treated early, meningitis can lead to swelling of the fluid surrounding the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation, and even death. The disease strikes about 4000 Americans each year and claims about 500 lives. Between 100 and 125 meningitis cases occur on college campuses nationwide and as many as 15 students will die from the disease.

The Claremont Colleges, in an effort to keep the campus safe and as healthy as possible, now require all incoming freshmen to show proof of meningococcal vaccination. The vaccine is available at Student Health Services any day by appointment. For more information, please feel free to contact our health service and/or consult your health care provider. You can also find information about this disease on our web site, www.services.claremont.edu/shs/, which links to the website for the Centers for Disease Control and Prevention (CDC), <http://www.cdc.gov/> and the American College Health Association website, <http://www.acha.org/meningitis>.

Please note that the required Meningococcal Tetravalent (Men ACWY) vaccination is different from the recommended Meningococcal B vaccination. All students need to have had a Meningococcal Tetravalent vaccination, with a booster dose given at age 16 or older. Meningococcal B vaccinations are strongly recommended for all students, but are not required at this time.

Please select your campus:

- KGI School of Pharmacy - PharmD

In order to provide a safe and healthy environment at The Claremont Colleges, *all* students are required to complete this health record *prior* to entry. *This form must be returned by July 15th for the Fall semester and January 15th for the Spring semester.*
