The Division of Student Affairs at The Claremont Colleges offers comprehensive support and services to enhance the academic and psycho-social well-being of students across all seven institutions. We prioritize diversity, cultural competence, and respect in our efforts to serve students from various backgrounds. Collaborating with Deans’ Offices, organization leaders, and campus partners, we aim to optimize the student experience. Centrally located among the campuses, our programs cater to individual campus needs while also providing consortial-wide initiatives. Led by the Office of the Vice President for Student Affairs (VPSA), we continually strive to create collaborative programming that enhances student experiences.

Cultural & Spiritual Life

**Office of Black Student Affairs (OBSA):** OBSA provides support, resources, and a sense of belonging for students of African descent at the seven colleges. OBSA’s programs and services center student wellbeing, identity development, academic and professional skill-building, peer-peer and alumni-student mentoring and cultural and social enrichment.

**Chicano Latino Student Affairs (CLSA):** CLSA strives to build a strong sense of community and support among Latinx undergraduate and graduate students at The Claremont Colleges through cultural programming, leadership development, professional growth, and academic assistance.

**Chaplains:** The Chaplains help students find meaning and live purposeful lives through spiritual exploration and development through both intra-faith and inter-faith communities.

Student Wellbeing

**Student Health Services (SHS):** Student Health Services at The Claremont Colleges delivers outstanding outpatient clinical care, emphasizing the health and well-being of students through a collaborative team of physicians, nurse practitioners, registered nurses, medical assistants, and office support staff.

**Monsour Counseling and Psychological Services (MCAPS):** MCAPS offers mental health services to students at The Claremont Colleges, boasting a diverse team of mental health professionals including psychologists, doctoral level therapists, marriage and family therapists, psychiatrists, and support staff.

**Student Disability Resource Center (SDRC):** SDRC supports students in achieving academic success through accommodations, mediation with faculty, student workshops, and faculty and staff training on working with students with disabilities.

**Health Education Outreach (HEO):** HEO provides educational materials, wellness products, and peer support, empowering students at The Claremont Colleges to take proactive steps in managing their health and well-being.

**Nutrition Services:** Nutrition Services, overseen by Student Health Services, strives to provide individualized nutrition counseling and support to students with various health and nutrition-related concerns.

**TimelyCare:** TimelyCare is a free 24/7 virtual care service for students to connect with a health care professional and be safely diagnosed and treated remotely. At The Claremont Colleges, TimelyCare opperates as 7C Health.
