

SAFELY DISPOSE USED SHARPS

Sharp Disposal Containers Available on Campus

What Are Sharps?

Sharps is a medical term for devices with sharp points or edges that can puncture or cut skin. It is important to properly dispose of sharps for the safety of others.

Examples of Sharps

Needles	Lancets	Infusion Sets	Razors
Syringes	Auto Injectors	Connection Needles	Glass Instruments

Sharps Disposal on Campus

Sharps disposal containers are available on campus. Please visit the convenient drop off locations to dispose of your sharps properly.

Campus Safety | Check-in at Campus Safety's front desk, and an officer will safely dispose of your sharps and containers.

Tranquada Student Center | A sharps disposal container is available in Tranquada's first floor restroom.

Smith Campus Center | A sharps disposal container is available in the all-gender restroom on the 2nd floor of Pomona's Smith Campus Center.

Queer Resource Center | A sharps disposal container is available in Pomona's Queer Resource Center restroom.

Additional sharps disposal locations may become available in the future. Please scan the QR code to visit The Claremont Colleges online map with the latest sharps disposal locations marked.

Off Campus Disposal Locations

The Claremont City Yard is a local center that accepts locked sharps containers Monday - Thursday, 8:00 am - 5:00 pm, and will replace your sharps container for free.

Find additional public sharps disposal locations at safeneedledisposal.org.
