

Key Shop

The Key Shop specializes in maintaining and managing locks and keys across campus, including mastering key systems, re-keying, and repairing door hardware. Their expertise extends to electronic locks, cypher-type locks, and panic bar installations, ensuring secure and functional access for all facilities.

Services

The Key Shop provides a variety of services, including:

- ◆ Key-system mastering and sub-mastering.
- ◆ Maintenance and repair of locksets and keys from most manufacturers.
- ◆ Repair or replacement of door hardware, including electronic and cypher-type locks.
- ◆ Key duplication and re-keying of locks.
- ◆ Security keypad installation.
- ◆ Panic bar installation, repair, and replacement.
- ◆ Fixing sticky locks and broken latches.
