

Paint Shop

The Paint Shop specializes in comprehensive surface assessments and painting services for interior and exterior spaces. Routine maintenance includes evaluating substrates for cracks, dents, or moisture issues and implementing solutions to ensure a smooth and stable surface. Advanced preparation techniques such as power washing, sanding, and repairing damaged areas deliver high-quality finishes.

The Paint Shop prioritizes sustainability by using low-VOC paints, primers, and cleaning agents, reducing emissions and supporting a healthier campus environment.

Services

The Paint Shop offers a wide range of services, including:

- ◆ Zero and Low VOC interior and exterior finishes
- ◆ Commercial, residential, and industrial painting
- ◆ Parking lot striping, curb, and bollard refresh
- ◆ Pressure washing and graffiti removal
