Lunch & Learn with **SEO** Career

**Securing Careers in Tech, Real Estate, Marketing,
Corporate Finance, and More.**

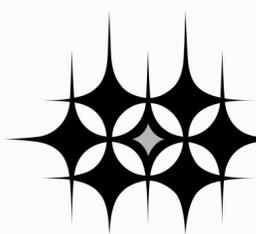

SEO Career recruits and trains top-performing undergraduate students for competitive summer internships that often lead to desirable full-time positions. What makes us unique is our blend of coaching, training, exposure, high standards, and a strong, lifelong alumni network.

No other organization has our metrics and track record in placing students into entry-level roles at Wall Street firms and Fortune 500 companies.

- We welcome any student pursuing their bachelor's degree and graduating in Dec 2026 or later – first years, sophomores, juniors interested in banking, tech, real estate, marketing, corporate finance, HR. We are still looking for candidates for Summer 2026 ●
